

BASEBALL ROUNDUP

By BOB CARTON

Finals This Saturday

(Peewee) First game of two game total points. Charlton Hardware 6, Ando Cast Sanitation 3 This game is just opposite of what I thought would happen, since Charlton was missing its first

string pitcher, Kyle Chatfield.

In the top of the second, Mike Furbank reached first base for Ando Cast. In his attempt to steal second, the ball was overthrown, so Mike headed for third, where the ball was again overthrown. Mike streaked for home where the ball was again over- penalty shot. Kent Dinning thrown and he scored easily. Charlton pulled off a double play shortly after to end the inning.

As in most of their games, Charlton usually has one big inning offensively and then they leave it to their defence to hold the other team back.

This is exactly what happened here. In the opportunistic goal. bottom of the second, the first batter got out. The next two were then walked, and an intentional pass to Dave Mallory loaded the bases.

The pitcher then hit Colin Anderson to bring in the first run. The next batter also walked, to bring in another run. Arnold Van Der Weyde then hit a run scoring single but Steve Kirkpatrick got forced out at second. Alan Newman followed with a two-run triple but he could not score himself as the next batter got out to retire the side.

In the fourth inning Charlton pulled off their second double play of the game.

Ando Cast scored two runs in the top of the ATOMS fifth, while Charlton could only manage one run in the last three innings.

Kinnear Pontiac 4, Mac's Heating 2 This game was a real pitcher's duel with the strongest hitting team eventually winning out.

In the first inning Kinnear took a 2-0 lead on runs by Danny Powell and Wayne Hillaby. Wayne had hit a triple and later scored.

Ted Gallony was thrown out trying to steal home in that inning. In the top of the third, with the score 2-1 and two out, Hillaby lofted a two run homer into centre field.

Hillers Out Of PWSU homer into centre field.

The fielder, who missed this routine fly, was The fielder, who missed this routine fly, was the same one who missed the fly in the Newmarket tournament, allowing Ready-Mix to score three runs and costing Mac's the game.

Going into the bottom of the fifth inning Rick Carton had a no-hitter even though Mac's had scored a run on errors.

The first batter, Mike Wood, smashed the ball into deep left field. But Jim Davidson was right of the Intermediate "B" Provin- Richmond Hill girls defeated believable defensive record con- been most successful this year there to catch the fly.

Rick gave up two hits after that and a run before getting the final two out. He also recorded seven strikeouts to go with his two-hitter.

This was easily Steve Wolfreys' most impressive outing of the season as he grabbed anything hit at him.

Really, it would be much better for Kinnear to 18 wins and only two losses. Hitting for Richmond Hill scored a beautiful winning goal. tice for the past two weeks and going to beat out Ando Cast. meet Charlton because the latter team has a much

superior season record than Ande Cast. Even though Charlton and Ando Cast both lost their two encounters with Kinnear, Charlton did

much better against them. The runs, for and against, between Kinnear and Ando Cast were 33-5 in favor of Kinnear. Against

Charlton it was 11-2 for Kinnear. It has been building up all season so it looks like

Kinnear and Charlton in the finals.

Girls (Senior) Perry Hill 7, Ed Leeds 3. Other scores not available. Perry Hill will be in the finals with their opponents being either pennant winning Stoness Tour-

ist or Ed Leeds. (Junior) Village Coiffure 9, Village Pizza 2

Village Coiffure, who had a miserable regular season record, have really come on in the playoffs. This win moved them into the finals. Other scores unavailable. Pennant Game, Consumers' 10, Powell Fencing 9

Both Powell Fencing and Consumers' Gas were tied in first place at the end of the regular season play. So this game decided the pennant, with Consumers' winning it.

Finals: Village Coiffure will meet either Police Olsen got on base by the error year for her and her fans are team is pressing, the goal came Ireland with 281/2 and West Association or Consumers' Gas in the finals for the league championship.

A draw for bicycles will be made between games.

Last week in my column and statistics, four errors were made. I will admit to making one, but the other three were printing errors, made while "The Liberal" was being put into production.

My mistake was in the peewee final standings where I reported Dynes Jewellers record as 1-11, when it was really 1-12.

The three errors are as follows:

· Dave Chepelsky, of Mac's Heating, had a final batting record of 17-24, so he was not tied with

Mike, as his average was .708. the eight teams were put in. The team left out was Dairy Queen, which was tied in last place with Murphy Real Estate, and had a record of 3-11-0 for six points.

• The second baseman on the second All-Star team in the peewee house league was Ron Price of Eric's Cycle and Sport.

Tennis Association This will be a short column this week. Now you are

probably asking yourselves, why. Well, we'll tell you. There is so much to report that there just wouldn't be room, so instead of mentioning some names and leaving out others, we'll leave it all until next week. By then we can report the finals of the club championships as well as the results of the inter-county league playoffs to be held at 7 pm, September 10, weather permitting, at the Richmond Hill courts.

The local club will host their old friends from Thornhill. This will be good tennis and the best entertainment in town.

See you at the courts!
