

Must Make Thornlea School Pool Decision Soon

If York County Board of Education and Markham Township Council want a swimming pool incorporated into the addition planned for Thornlea Secondary School in Thornhill they will have to move quickly.

At a meeting of the board August 31, Education Director Sam Chapman advised the trustees that sketch plans for the addition must be submitted to the Department of Education for approval soon if the much needed addition is to be ready for school opening in 1972.

If the pool is built, it would take the place of a fourth gymnasium as it could be used in the physical education program of the school. It now has two gymnasiums and two more are included in the architect's preliminary sketch plan for the addition.

The pool would, however, belong to the municipality and could be used by the

public after school hours and on weekends and holidays.

"They are building a building that is part of our building," Mr. Chapman explained. "But most of the advantages would be lost if we do not do it now."

Arrangement of dressing rooms, showers and other services would not be the same for a pool as they would be for a fourth gymnasium.

The board had before it a brief prepared some months ago by a citizens' pool committee. The brief was submitted to Markham Township Parks and Recreation Committee, and later discussed by the township council. The latter agreed to meet with board representatives to consider it further.

Some trustees were reluctant to involve the board in a major project of this type, pointing out that in two years the southern boundary

of the county may be moved and Thornlea would be lost to North York.

Chairman John MacKay warned, "We have to consider what is best for the school, for the children and for the community. We must guard against taking the attitude that we may lose it."

Mr. Chapman told the trustees that, if Thornlea was now in North York, he is sure North York would want a pool in that school.

The brief described three types of pools. The smaller pool — 70 feet by 30 feet, would accommodate a maximum of 141 people, and would cost \$225,000, including change rooms.

The committee favored a larger pool with 212 swimmers capacity. The 75 feet by 45 foot Olympic size pool would also have deck space for competition control and for spectator involvement.

Total cost of this pool and change rooms would be about \$280,000.

Richmond Hill Trustee Robert Ross remarked that there is a vast difference in the size of the two pools, that consideration should be given to the type of use of the pool. He cited the frequently crowded conditions at Richmond Hill's outdoor Centennial Pool.

School pools in North York are not Olympic size, said Mr. Chapman. They are good for teaching purposes but not very good for competition.

Markham Township Trustee Louise Aimeone pointed out that the pool would be used more by the community than by the school, that the community should decide what kind of pool it wants.

Newmarket Trustee Jack Hadfield told the board his only objection to the larger

Visit Three Cities

Recently Mrs. Pat Carle and Joanne of 105 Morgan Avenue and Mrs. Carle's aunt, Miss Mary Dawson of Richmond Hill, enjoyed a trip to Ottawa, Montreal and Quebec City.

Mrs. Carle reports that Ottawa brought a few surprises. As she had always pictured the Parliament Buildings set away back behind huge green lawns she was very surprised to find the Centennial Flame sitting very close to the edge of a busy roadway. They were also surprised to find uncle and brother Jack Dawson, his wife and daughter, from Parkhill observing the flame from the other side at the same time. Neither group of travellers knew the other group would be in Ottawa.

A conducted bus tour not only showed them the main points of interest but also showed everyone where the tax dollars have gone as the bus driver knew how many millions each and every building had cost.

A trip by boat in the evening on the Ottawa River showed a very different view of the capital and was enjoyed by all the visitors abroad.

Montreal did not seem very different from Toronto except that the pedestrian had a very difficult time with traffic in the downtown area. A visit to

Man and His World was greatly enjoyed, although it would take several days to really see it thoroughly, Mrs. Carle reports.

She also says Quebec City was really the favorite place with its beautiful well-kept parks, historical buildings, narrow old streets and the lovely Dufferin Terrace in front of the Chateau Frontenac, from where it was possible to view the ocean going white vessels changing pilots under way. Viewed at night from the Levis Ferry (free to passengers) Quebec City is like something from a fairy tale — a sight all Canadians should see.

Chapel August 22. The reception was held at the Jane and No. 7 Country Club. The newlyweds are honeymooning in Banff.

Registration night for the Pioneer Girls at Doncaster Mission will be held September 15. This group is for all ages, Pilgrims and Colonists.

We congratulate Margaret Blaikely of Glen Cameron Road and John Striger of Richmond Hill, who were married at St. Mary Immaculate Church, Richmond Hill, July 11. A reception followed for more than 100 guests at the Villa Nova Restaurant. The young couple honeymooned in Northern Ontario.

Showers in honor of Miss Blaikely included a miscellaneous one at the home of Mrs. Rose Fox, and one at the home of Mrs. Margaret Mitchell in Rexdale. Mrs. A. Paul of Richmond Hill assisted Mrs. Anna Striger at a shower held in the garden of her home in Richmond Hill. Mrs. Peggy Bonnell was hostess at a shower at the home of her mother in Markham. Fellow workers also honored her with a shower.

Don't forget the "Nearly New" Rummage Sale October 3 at the Thornhill United Church. Donations will be most welcome.

Infant baptism will be held at Thornhill United Church September 20 at the 11 am service. Contact Rev. Alfred McAlister at 889-2131 for further information.

European Holiday

Ursula Legiehn of Clarke Avenue, accompanied by a cousin, has just returned from a European trip. They left for Germany on June 24 and visited relatives near Cologne in a small city called Wiehl. This was a very typical German town with narrow streets and old houses and a church in the centre. They toured Cologne and were particularly impressed by the 700 year old cathedral (Koller Dom). While in Germany the young travellers also visited Frankfurt.

The girls then joined 55 German young people for two weeks at a Christian youth camp at Graz, Austria. During

the time they travelled for two days through the Australian Alps, a place of great and awe-inspiring beauty.

On the return trip they stopped in Straubing, Germany, and stayed in a youth hostel, a new experience for the Canadians. A stay with relatives in Westerland, Germany, included a tour along the Rhine and Mosel Rivers and a visit to the old Roman city of Trier. There they were particularly interested in seeing the Roman Coliseum.

Visits to Salzburg, and Braunau in Austria and Passau in Germany were also included in their holiday before boarding the plane in Dusseldorf on August 24 for the trip back to Canada.

Ursula reports the whole trip was most enjoyable but she was glad to be back in Canada again.

Neighborhood Notes

Congratulations to Mr. and Mrs. Frank Lefler, Morgan Avenue, who welcomed their second granddaughter on September 1. The little girl made her debut September 1, just five weeks after her cousin who was born in July. Proud parents Penny and George Lefler also live on Morgan Avenue.

Congratulations are also sent to Maureen Howson, Morgan Avenue, who celebrated her sixth birthday August 31. She was hostess at a birthday party on August 30.

St. Patrick's Anglican Church, Lillian and Abitibi, will hold a "Country Fair" October 17. This will be an all day special event with the grand opening set for 10 am. There will be a sale of handkerchiefs, good books, white elephants and nearly new clothing. For the children there will be pony rides and a fish pond. A bake sale and a delicatessen sale will be held at 10.30 am and 1.30 pm.

At 2 pm there will be a huge auction sale. If you are hungry there'll be lots of food — a luncheon, barbecue and a dinner at 5.30.

Donations of white elephants will be gratefully appreciated. Drop them off at the church or call for them to be picked up.

A bridal shower was held September 2 for Ann-Margrit Bischoff at the home of Mrs. Muriel Malinski, 56 Proctor Avenue. The wedding will take place September 26, at the Danish Lutheran Church, Yonge at Finch, when Miss Bischoff will become the bride of Richard Malinski. Congratulations and

best wishes to the young couple. Mr. and Mrs. George Drake, Sprucewood Drive, accompanied by their daughter and granddaughter, enjoyed a two week vacation at Sherbrooke, Quebec.

The Doncaster Community Ladies' Club will start the season with a potluck supper to night (Thursday), at the home of Mrs. John Barbour, 136A Henderson Avenue. Plans for the "Award Night" in October will be completed. Come out and bring a neighbor.

Mr. and Mrs. Sylvia Collins of Morgan Avenue entertained relatives from Washington for a few days.

Mrs. Joy Gould, Kevin and Ellen were guests at the home of Shirley Monklam, Oak Ridges, formerly of Morgan Avenue.

Mrs. Veronica Dysart, after a 10 week visit in Canada with her sons on Crestwood Road and Morgan Avenue, has returned to her home in Glasgow, Scotland. Her son Bill, who is in the movies and on TV in England, also came for a three week visit with his brothers and their families.

Mrs. Dysart's niece, Lynda Mitchell of Greenock, Scotland, spent the summer in Canada and the USA, visiting relatives.

Mr. and Mrs. Harry Mizen of Sprucewood Drive also entertained guests from England — Mrs. Ethel Elgar from Dorset and Mrs. Tyler from Selkirk.

Congratulations are extended to Brenda Heer and Edward Perks of Thornhill, who were married at Doncaster Bible
