## Westides Topple League-Leading Blues

Civitan football reached the midway point in this season's schedule with two exciting games played at the fog-shrouded Richmond Hill High School grounds Saturday morning.

The league leading Southern Blues were bluer than usual when the Westides defeated them 14-6.

The victory for Bruce Venn's Westides moved them two points behind the Blues and with half the season left it promises to be a close race for the top spot.

Westides' Quarterback Jim Simpson scored one of the two touchdowns and passed to Craig Sharp for the other major score. Bruce Bailey scored The Blues' only points on a power sweep to the right, a favorite scoring play for The Blues.

Coach John Bork was disappointed in having his undefeated record broken but had some good news for the smaller players with his announcement that The Blues have been accepted as an entry in the Kitchener tournament. This tournament is for Pee-wee players only.

In the second game the well-coached Crosby Park team defeated Browndale 36-0.

despite their three-loss record to date.

### HIGH SCHOOL FOOTBALL

Football at the high school level kicked off this week with Thornhill Secondary School proving it has not lost any of its championship power with a 36-0 win over Bayview Secondary.

In the intermediate game, Thornhill also won 18-6 despite the efforts of Bayview's Hugh Cutler who ran over 200 yards only to have many called back because of penalty infractions.

In the other high school game Richmond Hill stopped Langstaff 18-0 with a fine defensive display which included five in-

## Rangers Win By 2 - 1 Move Into Semi-Final

The Richmond Hill Rangers advanced to the semi-finals of the Newmarket and District Soccer League playoffs last weekend by downing Collingwood 2-1.

Richmond Hill pressed to the attack right from the beginning only to see a shot by Billy Anderson ricochet off the crossbar.

Collingwood came close on occasions only to be fooled by the goalkeeping of Leo Mailey plus the outstanding defensive work of Right Fullback Billy Jordan and Right Half Dave Carlisle.

The Rangers should have gone ahead by 1-0 just before the half on a fine effort by Sam MacAuley on left wing. MacAuley sent a pass to Centre Forward Jim Henry who beat one forward and sent the ball to Billy Keenan with only the Collingwood goalkeeper to beat.

Keenan tried to push the ball to the far side only to have the keeper rob him of a goal by pulling off a spectacular save.

Rangers went ahead at the five minute mark of the second half when a Collingwood defender handled the ball in the penalty area.

Keenan made no mistake with the shot.

Rangers held onto the lead until five minutes from the end when Collingwood scored the tying goal from a scramble in front of the Rangers net.

The game went into overtime with the Rangers pressing to the offensive. They were awarded a free-kick thirty yards from the goal.

Inside left Keenan placed the ball onto the toe of centre forward who made no mistake with his low drive.

## TOWN OF VAUGHAN COUNCILLOR

JOHN GILBERT & FAMILY

Planned Progressive Administration

JOHN GILBERT X

Fleet-footed Mike Copping scored three touchdowns and played very well on defence.

The winless Bombers showed great improvement but Coach Ray Kyte is severely handicapped with a large squad of 27 boys who must all play during the game. The hardest working people at the field are the eight Bombers' cheerleaders all bedecked in green and white who lead the encouragement for this winless team.

Next week according to Ray, his team will "really give them something to cheer about".

On October 3 Crosby Park and Southern Blues play at 9 am, Browndale and Westides at 10:30 am.

**WILDCATS 28, RAIDERS - 0**  
Richmond Hill Raiders will win their next game on October 4 if they play as well as they did last Thursday against the Woburn Wildcats.

The league leading Wildcats defeated the local team 28-0 but the Raiders fared better than most of the other entries in games played against the Woburn Team.

Coach Dennis Young is still confident that come playoff time his team will be there

terceptions and recovery of two fumbles.

Hill Quarterback Bill Weber looked very strong despite the loss of his favorite pass target, brother Dick Weber, who sprained his ankle early in the game.

Halfback Marty Gell filled in effectively for the injured Weber.

## Emerald Isle Upsets Lazenby's By 2-0 Count To Win Atom Title

**ATOMS**  
Emerald Isle Motel closed out the regular house league schedule by downing Lazenby's Leaders 2-0 to win the Atom division playoff championship.

The Irishmen were full value for their win which was the only time the druggists had defeated this season. Peter Tipold and Brian Hobbs tallied the goals in an exciting game caused when both teams were level on points at the end of the round-robin playoff schedule.

**DISTRICT PLAY**  
Newmarket and District competition saw Richmond Hill having mixed luck in its encounters with Newmarket opponents.

The peewees, led by 2 goals by Craig Davies, blanked Newmarket Police 2-0.

In the mosquito division the Avenues were defeated in a cup game 3-0 but a protest involving three average players has been lodged with Newmarket League authorities.

Bantam action saw Richmond Hill Ballymena edged 2-1 in the final league game by Newmarket. Tim Whelan was the marksmen for the Hill.

These two clubs meet next

weekend in a back-to-back series for the championship.

**OSHAWA SERIES**  
Four Richmond Hill teams travelled to Oshawa last Sunday for a series of games against the General Motors city.

Dynes Squirts again showed their best form in dominating the opposition.

David Kenny opened the scoring with a 20 yard drive early in the first half and Kevin Kernohan made it 2-0 before halftime from the penalty spot. David Mason made it 3-0 in the second half and Richmond Hill coasted to victory.

The atoms also had little opposition and won by a 4-0 margin. Steven Young knocked home two goals including a beautiful lob shot from 15 yards out. Scott Patterson and Mark Kernohan scored singles.

Both mosquitos and bantams were not as successful and were soundly hammered by 6-0 scores.

Oshawa was particularly strong in their divisions with Ontario Championships to their credit.

Dates to remember: October 30, banquet, Lions Hall; November 14, dance, Legion Hall.

## Volkswagen makes it big.

After 22 years of making it small, Volkswagen has built a big car.

The new VW411.

The 411 is what happens when a team of dyed-in-the-wool Volkswagen engineers gets a chance to think big.

To begin with, they gave it four doors. And inside, they gave it more front

legroom than a Lincoln Continental. (But outside, it's 4 feet shorter.)

It has a powerful air-cooled rear engine (top speed is just under 100 mph.) but it still gets around 27 miles to a gallon of gas.

It has a computerized fuel injection system like the Mercedes. But it's as easy to take care of as a Volkswagen.

It's as dependable as a Volkswagen. It will last as long as a Volkswagen. In fact, by making it big we might have also made automobile history.

Because for years everybody has been trying to build a big car that's as good as a Volkswagen.

Now somebody has. **VW411**
