

Regional Government—More Staff And Equipment

(Continued from Page 1) Regional Councillor - Elect Gordon Rowe, who lives at Oak Ridges, defended the Aurora brigade's service. "They are fast and efficient. I have the highest praise for these volunteers. I would like to see the chief set up an instructional program for volunteers from the north area, so that trained personnel will be available when permanent staff is being hired."

praise of volunteer fire fighters. "Our department just couldn't have existed without volunteers", she stated. On motion of Councillor-Elect Andy Chateauvert and Deputy Reeve Ivan Mansbridge, the committee agreed that Mrs. Hancey, Councillor-Elect Lou Wainwright, who is chairman of Vaughan's Fire Committee and the fire chief consult with area municipalities to see what

equipment, if any, will be available to the new town and the availability of volunteer staff in the enlarged area. The committee also recommended payment for a new \$17,000 accounting machine, needed to handle the increased work for the new town, be paid for by the new municipality, budgeted over a two year period. This electronic machine has many additional and desirable features, it was reported. "In no way can we operate today without these machines. We have to be ready for the deluge", commented Councillor Rowe.

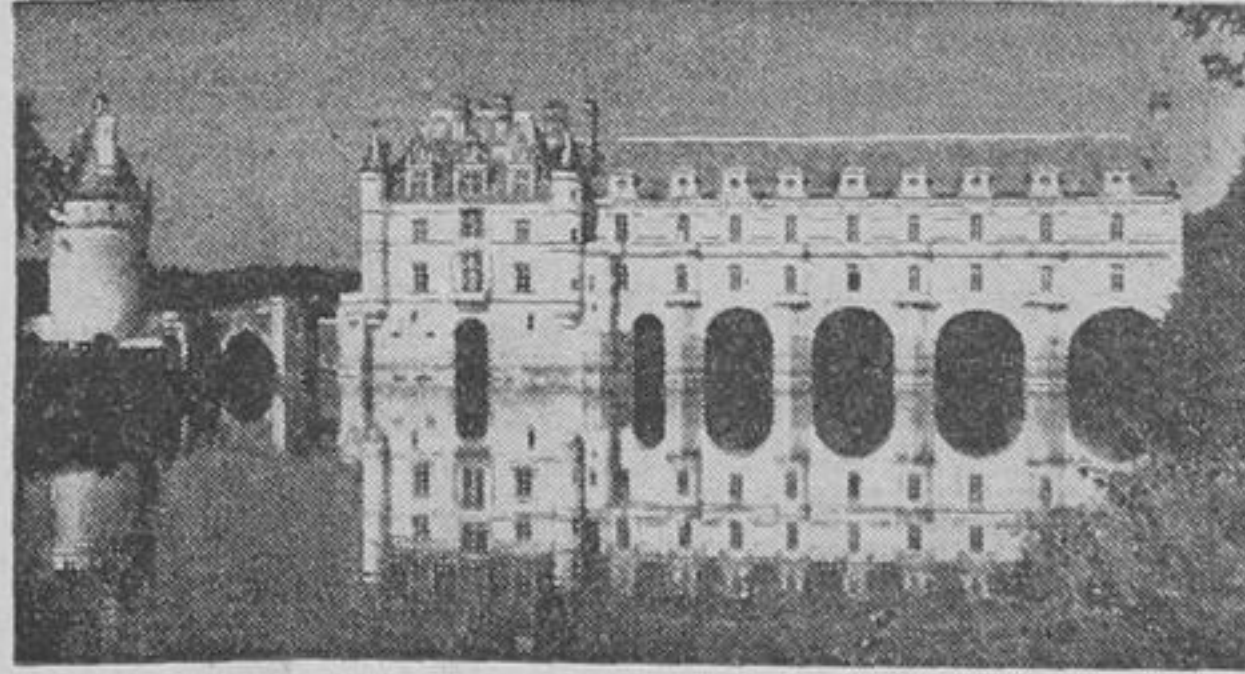

The treasurer was also authorized to order necessary supplies for this machine and to purchase four sets of map hangers for the works building, engineering, clerk's - treasurer's and planning departments. These will cost around \$900 and each map will deal with a 1/4 mile square - 28 in all. At the suggestion of Councillor Hancey, all expenditures necessitated by the change to regional government will be recorded and council will attempt to have the provincial government pay these costs as part of its contribution to the introduction of regional government in York.

Travel France Tonight With Walker

PHIL WALKER

During past years Richmond Hill Rotary Club has presented to the people of Richmond Hill each winter a series of travel and adventure films. Increased

CASTLE IN FRANCE

patronage of these film nights indicates the quality of the productions and the manner in which they are presented. "Tonight (Thursday) the first of this year's series of six will be shown in Bayview Secondary School at 8 p.m. "Along the Rivers of France," is the title and Phil Walker will do the commentary.

Other films in the series will deal with "Canada's Changing North" November 26, "New Zealand" January 21, "Long Land of Chile" February 11, "Wheels Across America" March 18 and "Japan" April 15. Tickets for the series are \$5 (students \$3) and they may be obtained from any Rotarian or by calling 773-5795.

RHupHuS talks about SPORTS

By CINDY McALISTER

Double Win Against Langstaff

Our football teams came through with two big wins October 16 when they played Langstaff. In the senior game, touchdowns were made by Marty Gill, Bill Weber and Darryl Rice, making the final score 21-1.

Last Friday, our juniors defeated Thornhill with a score of 8-7. On Tuesday, they meet Bayview. The team is close in the standings with Bayview so this will be an important game.

The seniors were defeated by Thornhill but did an excellent job of keeping them to only 19 points. Thornhill has already proved to the zone that they have a really great team. The game was very costly for our team, however, as the quarterback, Bill Weber was put out of action. An injured shoulder left him in the hospital for the weekend. Everyone is hoping for a speedy recovery. A couple of weeks ago, his brother, Dick, was taken out of the line-up by a similar injury to his shoulder.

SOCCER

Our soccer team had a busy schedule 2 weeks ago playing both the Tuesday and the Thursday. Tuesday's game was an exhibition game against Toronto District Christian High School. Thursday's game brought another loss against Woodbridge. Word from the boys has it, though, that Woodbridge had to fight hard for each point. The final soccer game of the season last Thursday proved to be the happiest for the team even though they were defeated. They scored their first point in regular play.

VOLLEYBALL

Wednesday, October 14 was the big game for the girls' volleyball teams when they played Woodbridge. Unfortunately, both our teams lost, putting the seniors out of their first place position.

On October 20, the girls played their last game of the season at home against Langstaff. The seniors held on to second place with a win while the juniors were defeated by the amazing Langstaff team. Because of their great ability, our seniors travelled there for an exhibition game last Monday. We hope to have Kathy Willock back in the line-up, as an injury kept her out of the Langstaff game.

Richmond Hill's grade 9 volleyball team was chosen last week. Personally I think they have a great chance in the tournament. These are the girls chosen: Leslie Barnett, Paula Leblanc, Barb Birkley, Lyn Mabley, Allison Clarke, Barb Maxwell, Jane Hancock, Sherry Robinson, Diane Hillaby, Kim Schell, Joy Gwillam and Linda Taylor.

INTRAMURAL PLAY

Intramural sports have been limited in the past week so the only results I have for you are those of girls' touch football. The girls in the school supported this activity well and other such 'unique' activities are in the works.

Girls' Football: Harrison 6, Miles 4, Stewart 1, Richmond 0.

These points are added to the house's total points. The house standings as of October 23 are as follows: Harrison - 355, Stewart - 350, Miles - 345, Richmond - 315.

SADIE HAWKINS DANCE

And now for a special note to all RHHS-ers. The athletic council has begun plans for the second annual Sadie Hawkins Dance. Open your eyes, girls, and set your mark on the beau of your choice.

Have you heard this one?

JACK BARTH

The efficiency expert was investigating the office procedure of a large firm when he came to a newly organized department.

"What do you do here young man," he said to Jones, a new employee.

"Well, nothing as yet sir," came the reply.

He then asked the question to the second man on the list who answered that he did "nothing" as well.

"Well, there's a fault right there," the expert beamed "duplication."

Keeping up with the latest ways of ridding fabrics of stains is one of the most important jobs of the modern cleaner. We take pride in the work our expert spotters turn out. They are careful, efficient and constantly on the alert to restore your garments to like new condition.

Stephen Roman Warns Danger

(Continued from Page 1) dom and the United States, and because we were next door to the capital resources. "When today we say we don't want foreign capital, then I think we're not acting as responsible Canadians. "Canada was number one on the world's list for investment. Now we're not on the list at all. Why?" asked Mr. Roman.

He warned that the nation is starting on the same route as Quebec took some years ago. "Quebec today is in the kind of position no province should be in. The government has to buy capital for Quebec. Foreign capital is out."

"We in Canada should welcome foreign capital, or we will go the way of Quebec. "We are developed to the extent we are at present because of the amount of capital that came into Canada. The extent of our progress was all possible because cap-

ital was ready to come in when required. "Let's invite and welcome capital to Canada," said Mr. Roman.

Dave Tinker, secretary of the Victoria Square Club, took role call for the meeting and introduced guest speaker Roman. Club President Frank Brumwell welcomed all the visitors, and each of the club members introduced their invited guests.

Mr. Roman was thanked by club member John Lee. Deputy District Governor Jack Chapman of Aurora and Zone Chairman Tom Turner of the Scarborough-Eglinton Club, spoke briefly.

Member Tony Compagna gave the toast to the ladies, and Mrs. John Lee gave the reply. An honorary life membership was presented to the club's founding president Carl Walker. He and Mrs. Walker were given a plaque and a lamp set as token of

the club's appreciation for many years of dedicated effort.

Markham Mayor - Elect Anthony Roman, the club's immediate past president, received his past president's pin. Club members expressed their appreciation to past president Roman and his wife Elsie for their extra efforts during the year.

Member Alex Cowley was chairman of the charter night committee.

The 1970-71 executive of the Victoria Square Lions Club includes the following: President Brumwell; First vice-president John McCague; Second Vice-president Alex Cowley; Third Vice-president Norman Bell; Immediate Past President Roman; Secretary Tinker; Treasurer John Smith; Lion Tamer Fraser Gee; and Tail Twister Gordon Draper.

The directors are John Lee, Gordon McWhirter, Stan Watson and Clarence Steckley.

NEWMARKET: Town council has rejected a \$50,000 offer of settlement from H. M. Edwards and Sons Construction Co. for settlement of the disputed Highland Heights subdivision agreement, following two days of OMB hearings last week. The subdivision proposal is for over 200 homes in an area west of Eagle Hills and south of Eagle Street. It was turned down by council last May. The \$50,000 offer was for improving the town's storm and sanitary sewer systems to permit the development.
