

KING CITY, OAK RIDGES LAKE WILCOX

"The Liberal" is always pleased to publish items of interest regarding people and events in the Oak Ridges - Lake Wilcox and King City districts. Our news correspondent in Oak Ridges - Lake Wilcox is Mrs. Elizabeth Orion, Yonge Street, 773-4635, in King City Mary Dawson, 884-1105.

Oak Ridges - Lake Wilcox News

going PLACES meeting PEOPLE

Quebec City Trip
Students of grades 7 and 8 of Our Lady of the Annunciation Separate School are really swinging into high gear now raising considerable sums of money for a trip to Quebec City next spring.

and have all dust, dirt and grime removed at a minimum cost of 50¢.

The young people hope to raise the entire \$4,000 required for the trip and are even bringing in small amounts of money each week towards this objective. Youngsters with this much initiative and determination certainly deserve our cooperation.

The students and their teachers thank all who have helped in any way in this ambitious task.

Public Meeting
Richmond Hill Ward 5 Councillor-elect Stewart Bell has finalized plans for his meeting with local ratepayers. It will be held November 3 at St. John's Parish Hall, Yonge Street at Jefferson, at 8 p.m. All organizations in the area are invited to attend or to send representatives.

Whitchurch Has Acting Clerk
Whitchurch Township Councillor Merlyn Baker October 19 during a regular council session sought permission to withdraw his resignation to accept the resignation of Clerk-treasurer Thomas Kerr.

Baker Drops Motion On Kerr Resignation
Whitchurch Township Councillor Merlyn Baker October 19 during a regular council session sought permission to withdraw his resignation to accept the resignation of Clerk-treasurer Thomas Kerr.

tion on this move has yet been taken.

Mrs. Margaret Bowser, a seven-year member of the township staff, has been acting clerk-treasurer for several months. She was appointed by council when Mr. Kerr was given a leave of absence for health reasons.

Mrs. Margaret Bowser previously served as secretary to the clerk-treasurer and is a Concession 3 resident.

When Whitchurch Township and Stouffville Village amalgamate January 1, the two municipal staffs will be organized into a single administration.

Mrs. Bowser will continue as acting clerk-treasurer of the township until then. Council hasn't yet approved any change in Mrs. Bowser's salary in recognition of her additional duties.

Minor Hockey
More than 300 people turned out October 18 at Bradford Arena, where more than 150 boys practice each week on "home" ice — 14 miles from home.

There was public skating for all between 5:30 and 6:30 p.m., leaving some of the "older" folk just a little stiff and sore in some rather delicate areas.

Newmarket Pipe Band, under the direction of Pipe Major Jack Mark, gave a tremendous performance to set the mood for the evening.

Then it happened. TV Channel 3 Barrie No stars were escorted onto the ice by three pipers to face the slaughtering squad of coaches and managers of the Oak Ridges Hockey Association.

It was a foregone conclusion that Oak Ridges would win since the No Stars were two players short. Generous to a fault, Oak Ridges lent their opponents the services of Bob Tomlinson and John McQuarrie.

Taking it easy on the No Stars, the local stalwarts managed to ease themselves into a 4-0 situation in short order. That is, Barrie scored four times and Oak Ridges not at all. Nothing daunted Oak Ridges answered with goal number 1. However, they learned you don't lend players to the op-

peewee, bantam, midget, and juvenile brackets in the house league. It's OMHA teams play in the North York "C" Hockey League.

"I don't like to refer to our OMHA teams as 'All-Stars,'" said Ken, because that tends to slight the youngsters who play in the House League, make them feel inferior, which I don't think should be the case. We're all in it together."

Mr. Bell's idea in calling the meeting is to determine what residents of this area feel are priorities in needs when we join Richmond Hill January 1, 1971.

He has been looking over utilities and facilities in Richmond Hill and has spoken highly of the co-operation he has received from the present council. Rev. Robert McIlhenney of St. Paul's United Church will be chairman for the evening. Please plan to attend. This is your chance to have a hand in your future.

Hallowe'en Events
Lake Wilcox Recreation Committee has planned two events for the evening of October 31. First, a party for the young children will be held at the community hall from 7 to 9 p.m. A dance for the teenagers will follow, from 9 to 11:30 p.m., also in the hall.

Our Lady's Guild has a dance planned for adults for the same night. Dress is optional, but prizes will be awarded for best costumes. Proceeds are for charitable purpose. Tickets at \$4.50 per couple may be purchased at the door or by phoning 773-4310. This happy event will be held in the gymnasium at Our Lady of the Annunciation School, starting at 9 p.m. with music supplied by the Oak Ridges group, "The Canadians."

Oak Ridges Lions will hold their Hallowe'en Dance Friday evening in their hall in the Oak Ridges Shopping Plaza. This is also an adult dance and prizes will be awarded for costumes.

Scout Auxiliary
The Ladies' Auxiliary to Scouting installed its new executive for the 1970-71 season October 21 at Oak Ridges Public School.

Mrs. Irene Lynn, representing the district association, was present and conducted the installation. Those assuming the duties of officers were: President Mrs. Murray McLeod, Vice-President Mrs. Dan McQuarrie, Treasurer Mrs. Mary Tanzos and Secretary Mrs. Helen Hunter.

The ladies would like to remind card players that a euchre is held at St. Paul's every second Monday of the month with all proceeds going to aid Scouting.

Police In Whitchurch Lay 50% More Charges
Whitchurch Township police during September laid a total of 177 charges, according to the department's monthly report tabled in council October 19 by Police Chief Fred Mason.

This was an increase in the number of charges laid amounting to slightly more than 50% over the month of August.

Charges laid under the Criminal Code in September were almost double the total for August, going from 17 to 33. Highway Traffic Act charges were down to 13 from 26.

There were 37 charges laid under the Liquor Control Act in September, up from 25 in August.

Under Township parking by-laws 29 tickets were issued, up drastically from the single such ticket the month before.

There were 63 traffic tickets issued, up from 46 in August. Nine arrests were made for other police departments, plus 28 warrants executed.

The number of summonses served for other departments totalled 108, up from 75.

The department recorded 383 calls on occurrences and 355 occurrences being investigated.

The department road speed radar was operated on 10 occasions for a total of 27 hours and resulting in 35 speeding charges.

Studded Tires Needed Here — Rowe
King Township Councillor Gordon Rowe doesn't like the idea of "some technical experts living in a high rise apartment in North York" telling him studded snow tires aren't necessary.

The question arose at the October 19 meeting of King Council when a letter was received from the technical advisory board of North York Borough Council asking King's support in backing up the province's recent decision to ban all studded tires by April 30, 1971.

Government sources estimate that over a 10-year period a total of \$127 million damage is done to provincial and municipal roads in Ontario by studded tires. Councillor Rowe maintained that we have a lot of back roads in King, gravel roads where I feel studded tires are necessary. There should be some kind of saw-off. I can't agree with any move to ban them all over Ontario."

He felt that northern areas of the province should be allowed to use studded snow tires.

"Maybe the line should be drawn at Highway 7," he suggested.

position — not if you want to win. John McQuarrie scored three goals against his buddies.

As a last historic stand to save their scalps, Oak Ridges put seven-year-old Dave McQuarrie of the Little Kings All-Stars into the goal alongside "Tiny" Ken Blyth to stem the tide.

But the supreme effort failed and the pale faces yielded to the tomahawks of the red faces from Barrie, who went home with seven pelts, giving up only two.

Goalgetters for the Ridges team were Ron Comfort and Shirley Smith.

Between the second and third periods the pipe band again entertained and a delightful skating performance was presented by Cathy Pantling to everyone's evident pleasure. Cathy is responsible for the figure skating club which has been formed here.

A special presentation was made to Ron Foerter for his devotion to minor hockey in Oak Ridges. Davy McQuarrie presented a plaque given by Ken Sommers and Teddy Clague presented Mrs. Foerter with a bouquet of roses. Mr. Foerter and his wife, Lee, now reside in Tottenham and he has already started organizing hockey there. To assist him a donation of used hockey equipment was presented by Oak Ridges Sports Exchange.

The three door prizes were won by Shirley Smith, Mrs. Pearl Comfort and Roger Smith. The evening was such a resounding success that plans are underway for another one soon.

Bowling
Thursday rollers: Ruff n' Reddies 26, Slowpokes 22, Alleycats 19, Happy Go Luckies 17, Happy Gang 17, Mac's Maidens 15, Topcats 13, Hopeless Hopefuls 11. High triple: Joan Webster 635 (286), Gloria Bridges 633 (270, 222), Gladys Blanchard 619 (247, 217), Helen Downing 600 (247, 217). High single: Marilyn Earl 212, 203; Ginny Abrams 205, 202; Rose Hills 270; Shirley Marrett 230; Marion Richardson 220; Isabel Pleim: Joan Scrivner 207.

TEMPERANCEVILLE NEWS

CORRESPONDENT: MRS. W. G. JENNINGS — PHONE 773-5892

Church News
Many friends and former members attended the final service in Mount Pisgah United Church on October 19. This was the 100th Anniversary of the third Church on the Temperanceville Pastoral Charge, with former minister Rev. Victor Weed of Westway United Church, Toronto, as

guest speaker Rev. Ivan Kennedy and Rev. Douglas Davis were present, and Rev. Earle Stotesbury conducted the service.

Flowers on the altar table in our church on October 19 were placed in loving memory of Mrs. Cecil Fildey of Cobocok, who passed away last week in hospital in Toronto. We extend sympathy to members of her family in the loss of their loving mother.

Neighborhood Notes
King City Lions had their annual auction sale on October 17, and it was the usual success, and they would like to thank all who contributed in any way to its success. One of the important features of this sale is the home baking sale by the wives of the Lions, and this year it netted better than \$122.00.

Speaking of the auction sale, I think that Fisher Street in King City, (the entrance to the

parking lot) must be the forgotten street in the township. I do not know who is responsible for its upkeep, but I do know that one would be hard put to find a more deplorable stretch of road anywhere.

Mrs. Joseph Houlton and Cathy and Mr. and Mrs. Wilbert Jennings were among those who attended the Aurora Drama Workshop presentation of Noel Coward's "Blithe Spirit."

Mr. and Mrs. J. A. Lloyd of Delhi spent part of the week visiting their parents Mr. Wesley Lloyd, Aurora and Mr. Norman Rumble.

Congratulations to Mrs. Norman Ferguson, former resident of the King Sideroad, who this week celebrated her 87th birthday. Her daughter, Mrs. Fred Curtis entertained a few friends at afternoon tea in honor of her mother. Mrs. Ferguson is now a resident at King City Lodge.

Trudeau Gets Backing From King In Quelling Quebec FLQ Terrorists
The tragic developments in Quebec the past weeks have prompted the King Township Council to convey official support of the drastic measures taken by Prime Minister Pierre Trudeau as well as condolences to the wife and family of the murdered Pierre Laporte.

The Council unanimously passed two resolutions October 19 — one backing the federal government's decision to invoke the controversial War Measures Act to help combat the FLQ terrorists, the second to express sincere regrets to Mrs. Laporte and her family.

Both resolutions will be addressed and sent personally to Prime Minister Trudeau in Ottawa.

The first resolution dealt with the War Measures Act and was moved by Councillor Gordon Rowe and seconded by Councillor Margaret Britnell.

It read: "The council and residents of the Township of King, County of York, Province of Ontario, unite with all true Canadians in deep humiliation and sorrow in the tragic death of a true Canadian patriot, Monsieur Pierre Laporte."

"We realize the deep anguish you personally must have suffered during the crisis, culminating in the enactment of the War Measures Act, and by this resolution, we of this municipality unanimously agree with your decision to bring in

and enforce this Act, just as long as needed, to suppress any 'reign of terror' in any area of our country.

"Through your good offices would you kindly convey our deepest sympathy to the people of the Province of Quebec in this hour of tragedy and assure them that their presence and contribution within the structure of our great Dominion has always and will continue to be vital to the future of Canada."

The second resolution read: "Be it hereby resolved that the Township of King, County of York, Province of Ontario, does hereby convey to Madame Laporte and the family of the late Monsieur Laporte, the deep sorrow and regret felt by the people of this municipality on the loss of Pierre Laporte, a fellow Canadian."

"We are heartsick at the tragedy that has struck our country and pledge our continued support to the democratic system to which Monsieur Laporte was devoted."

Reeve Gordon Cook added his own sentiments stating that it "was probably the most shocking instance that has taken place in the last 100 years in this nation."

He concluded by stating that such a hideous deed would not succeed in dividing the country but "will bring us closer together than we have been in any other time in the history of Canada."

Whitchurch Twp. Briefs

Contracts for purchase of the winter's supply of sand and salt for roads, and for an \$11,434 five-ton dump truck, have been approved by Whitchurch Township Council in session October 19.

The purchase contracts become effective if there is no objection from provincial authorities who review the tenders.

The successful tender to supply the township with winter sands was submitted by Lee Sand and Gravel Limited. The tender price includes the work of stockpiling the sand ready for use by the township.

The successful and lowest tender for sand was at \$1.09 per ton, plus 17 cents a ton for stockpiling. It was accepted with the provision that delivery trucks use Bloomington Road. About 3,000 tons of course screened sand is purchase each year for sanding township roads in winter.

The unsuccessful tenders were as follows: Floyd Preston, delivered \$1.19 per ton, with 10 cents for stockpiling; Gormley Sands and Gravel, delivered \$1.15 per ton, stockpiled 16 cents per ton; Consolidated Sand and Gravel, delivered \$1.80 per ton, stockpiled 20

cents per ton; Miller Paving Limited, delivered \$1.15 per ton, stockpiled 25 cents per ton.

Miller Paving Limited submitted the successful \$13.75 per ton tender for coarse salt.

The other tenders were \$13.83 per ton from Dmtar Chemicals Limited and an identical \$13.83 per ton from Canadian Salt Company Limited.

The successful dump truck tender was the second lowest and was submitted by International Harvester Company. The tenders were required to allow for the trade-in of a 1959 GMC three-ton dump truck. The accepted tender was for \$11,434.

The lowest tender was from Emerald Isle Motor Limited of Stouffville for \$10,928. But Roads Superintendent Ernest Davis said the low tender didn't meet specifications involving body metal thickness, engine displacement and provision of a spare tire and rim.

The other tenders were as follows: Woodbine Truck Centre, \$11,481; Neil Patrick Motors Limited, \$11,644; Brad Walker Motors Limited; \$12,047; Slesor Motors Newmarket Limited, \$12,321 and Don Little Ford Sales Limited, \$12,828.
