Three Bunches Of Burglaries Solved

Arrests last week cleared up two separate series of burglaries in Markham Township, and another series in North Gwillimbury.

"This is the third or fourth gang of burglars picked up in the county in recent weeks. It is to be hoped this sort of thing comes to an end," Markham Township Police Chief Harvey Cox told "The Liberal".

The arrests were made through co-operation with Midland, North Gwillimbury and Metro Police.

CARD OF THANKS

I wish to thank all my friends and neighbors for cards I received during my stay in York Central Hospital. Also special thanks to the nurses on the 3rd floor, also Drs. Golab and Bigford. Evelyn Cooper c1w18

Farmer, auctioneer, phone 887-5311. c2w18

SHARON — Property owners in East Gwillimbury Township may get their 1970 tax bills before Christmas, but only if there is a minimum of breakdown and problems on computers in Toronto, council has learned. The township clerk hopes to have the computer figures by late November which will permit him to have the bills out by December 15.

NEWMARKET: Town council has no objection to construction of a Safeway grocery and department store on Davis Drive opposite the Newmarket Shopping Plaza. The proposal has been approved in principle by East Gwillimbury.

But even as Markham's burglars were being caught, there appeared to be two or three new series of burglaries emerging in Richmond Hill, Richvale and Thornhill during the week-end.

Industrial plant office cash seemed to be the target of a series of break-ins in Richmond Hill.

Another three break-ins in Richmond Hill and Thornhill involved cash and jewelry in homes.

An assortment of fairly small, fairly valuable and readily movable items was cleaned out of a Richvale home by stealthy thieves on the weekend.

Last week Whitechurch Police caught up with a gang that concentrated mostly on color television sets.

The first series of Markham Township break-ins was solved when Midland Police Department arrested a man found in possession of property stolen during a house break-in at Markham Township.

On Saturday October 24 Markham Township and Midland Police arrested Douglas Grimes, 20, of West Hill, Scarborough, and David Allen, 17, of no fixed abode. A third suspect is being sought for questioning. Markham Township Police Detectives Douglas Tribbling and Bruce Findlay are conducting the investigation and escorted Grimes and Allen to the Markham Township Police offices.

Grimes and Allen were charged with a number of break-ins and appeared Monday in Richmond Hill Provincial Court to be remanded for setting of a trial date. They are also wanted for questioning in regard to break-ins in Pickering and Metro.

Metro Police last week arrested Robert Finnigan, 17, of Unionville on break-in and theft charges.

As a result of this arrest Markham Township Police have solved four break-ins and a break-in attempt, Chief Cox said.

Last week Markham Township Police Sergeant Evan Kelley stopped a vehicle stolen from North Gwillimbury by four youths. As a result, several North Gwillimbury break-in cases have been solved, Chief Cox said.

Markham Township Police are investigating a Thornhill break-in in which \$300 in jewelry was stolen Sunday. There was also an apparently related break-in attempt at another Thornhill residence.

On the Vaughan Township side of Yonge Street in Thornhill while the owner was in the garden, somebody entered a house and made off with a purse containing a small amount of cash.

On Avenue Road in Richvale Friday the front door of a home was forced and \$800 worth of property was removed. Included were a camera, skis and a lawn mower.

Burglars got \$176 in three break-ins and an attempted

break-in last weekend over a one block area of Industrial Road in Richmond Hill.

At York Mutual Spinning and Specialty Limited, 35 Industrial Road, entry was gained by breaking a window and \$60 cash was stolen from the office.

At Peerless Instrument Company of Canada Limited, 67 Industrial Road, entry was gained by breaking the glass in a rear door. About \$80 was taken from a petty cash box in the office.

At Perry-hill Wood Industries, 32 Industrial Road, entry was again achieved by breaking a window. About \$56 was taken from the office cash box.

Somebody tried to pry open the rear door at William Klees and Sons Wholesale Meats, 69 Industrial Road, but failed to gain entry.

In a daytime break-in and theft Friday at the home of James Lepp, 255 Mills Street, money and jewelry to a total of \$108 was stolen.

Someone broke into the home through a recreation room window while the occupants were away. The house was ransacked, town police said.

Money and jewelry totalling \$275 in value was taken on the same day in a break-in at the apartment of George MacKinnon at 134 Lucas Street.

Taken was a collection of silver dollars and a watch. Other jewelry belonging to Mrs. MacKinnon was apparently left untouched. Entry seemed to have been gained by slipping the latch with a plastic credit card. The apartment's contents were insured.

In the wee hours of the morning Saturday at 86 Arnold Crescent the front bumper and license plate were left where they were pulled off a stolen car. The car had apparently gone out of control and up on the lawn, tearing up the sod

positional plant) that it would have no objection to handing the sewage from the holding tank.

The health unit's letter warned council that "this could become a major undertaking because of the enquiries and discussions this office has had concerning sewage holding tanks within the extended boundaries of Richmond Hill."

Council gave unanimous approval to a motion by Reeve Plaxton, seconded by Councillor Eric George, that planning board be asked to consider a policy in regard to the construction of holding tanks in the extended boundaries of Richmond Hill and a suggested agreement pertaining to their use and servicing.

Health Unit Says No Septic Tank

(Continued from Page 1) sider property that was not properly serviced.

However, William McCord, who, with his partner Robert Tompkins, received council's approval of the project at a special council meeting October 9, produced a letter, signed by E. G. Dykes, senior executive officer Special Project Branch, Department of Public Works, accepting an offer to lease 4,000 square feet of space for a provincial court for a period of 10 years starting in 1971. The letter dated September 8 stated that a lease would be prepared.

Reeve Donald Plaxton reported he had been assured that the builders are prepared to pay for pumping and transporting of the contents of a holding tank and to post an indemnity bond to protect the municipality against this cost. "This would be a matter for a binding agreement between the town and the builders," Mayor William Lazenby explained. Works Commissioner Otto Whalen reported he had been assured by the OWR (which operates the town's sewage dis-

Carload Of Newsprint Is Burned At CNR Wreck Near Woodbridge

Fire at the scene of at 17-car three-locomotive derailment south of Woodbridge on a CN railway line Sunday evening destroyed a carload of newsprint.

Vaughan Township Firemen "sweated in" fire-fighting equipment on their backs to the isolated location 500 yards west of Islington Avenue and north of the Little 8th Concession near Steeles Avenue West.

Water was lifted from the Humber River by a portable pump carried by firemen. A Canadian National spokesman said the train wreck took place two weeks ago. At the time the track was only cleared enough to allow traffic through. Clearing up the equipment scattered along the rail line hadn't yet started.

Nobody was injured in the original derailment. Cause of Sunday's fire wasn't yet known.

Vaughan Firemen stood by October 22 on Highway 7 West near Highway 27, while workmen used a cutting torch freed a motorist from a wrecked car at 7:45 pm.

Flammable fuel was washed from Nashville Road, 3/4 mile west of Highway 27, after a 6:26 pm motor vehicle collision October 23.

Fire damage was estimated at \$400 at West Electrical Contracting, Lot 29 Bathurst Street, when a logging machine backfire ignited hydraulic fluid.

Vaughan Firemen were called to the scene at 2:15 pm October 14.

An oven short circuit was blamed for a stove fire call at 6:32 pm Friday to the home of Bernard Pattinson, 9 Thornbank Road, Thornhill.

Another defective stove oven sent firemen to 223 Chestwood Road in South Thornhill at 3:12 pm October 21.

Vaughan Firemen were called at 3:03 am October 20 to extinguish a rubbish fire at the Filtration Products of Canada Limited property, 65 Duncan Road, Richvale. There was no damage.

Several small explosions in a flooded space heater at the home of Harry Woods on Roseview Avenue brought out Richmond Hill Firemen at 2:30 pm October 25.

The house was filled with smoke but there was no fire damage reported.

Town firemen October 23 at 3 pm were called to 402 Markham Road when an apartment dweller thought she smelled a gas leak.

The odor was traced to a nearby roof where tar was being used by workmen.

An accident victim now spending a long convalescence in Sunnybrook Hospital recovering from spinal injuries has written her thanks to the Vaughan Township Fire Department's rescue squad.

Mrs. Eva Maria Kucharski of 402, Inverlochy Boulevard, North Thornhill was freed from her crushed car September 23 at Yonge Street and Baythorn Drive.

Richmond Hill Rams Lose 8-2 To Rangers

A five goal outburst in somewhat leisurely fashion pricked the balloon of the Richmond Hill Junior B Rams Tuesday night at the arena as they dropped an 8-2 decision to the league leading North York Rangers.

The Rams made a game of it for the first two periods trailing by just 3-2 going into that final one but had trouble even getting a shot on net in a listless 20 minutes of hockey.

North York Louis Moore without interference from Ram defence men on most occasions and the result was inevitable.

Keith McDonald led North York with two goals. The others went to Dave Murray, Rick Miller, Tony Crawford, Sean Coughlan, Dave Wright, and Walter Coburn.

Barry Head and John Barnett scored for the Rams.

For the results of Sunday's games see earlier story on Page 11.

Richmond Hill, Vaughan, Markham Crashes Take Toll

Several motorists were injured, some drivers face charges, and there was extensive damage in Markham, Vaughan and Richmond Hill accidents last week.

Drivers Bruce Moulton of Nashville and Charles Mullin of Spenvally Drive, Downsview, plus passenger James Roberts of Dixon Road, Weston, were injured Friday in a major accident on County Road 49 in Vaughan.

Damage to the Moulton vehicle was \$1,700 and to the Mullin vehicle \$1,500, Vaughan Township Police estimated.

In another major crash October 21 at Bathurst Street and Carville Road, the two drivers were both injured.

They were George Regan of Rockford Road, Willowdale and Barbara Hooper of 7985 Bathurst Street.

Damage to the Regan vehicle was \$700 and to the Hooper vehicle \$1,500, police estimated.

Driver James Melia, 20, of 3 North Road, Oak Ridges, suffered a bruised chin in a 9:05 am crash October 20 at Bayview and 16th Avenues in Markham Township.

Driver of the other vehicle, an Uxbridge Lines Limited bus, was John Carter, 35, of 10 Richmond Street, Maple.

Total damage in the accident was estimated by Markham Township Police at \$225.

In a three-car "chain-reaction" accident October 21 at 12:22 pm on Steeles Avenue East, near Leslie Street, driver Margaret McLoughlin of 543 Steeles Avenue West, Suite 27, hurt her left leg.

The drivers of the other two cars were Carol Tovee of Toronto and John McEown of 30 Upper Canada Drive, Apartment 305, Willowdale.

Total damage was estimated at \$600.

A young Thornhill driver was slightly injured in a car-truck collision at 4:40 pm October 21 opposite 188 Steeles Avenue East.

Carol Southam of 31 Pheasant Valley Court, aged 20 suffered afterward from a rather stiff neck and a sore left arm.

Driver of the truck was Fred Strauch, 47, of 28 Pemberton Road, Richvale.

Damage was estimated at \$900 for the car and \$150 for the truck. A charge was pending after the accident, Markham Township Police said.

Thornhill 17-year-old Sharon MacDonald of 175 John Street also suffered from a sore neck after a 5:10 pm October 21 accident on Steeles Avenue East, near Bayview.

She was a passenger in a car driven by Evan McDonough of 175 John Street, aged 60.

Driver was driven by Carmine Sillia, 39, of 931 Wilson Avenue, Apartment 9, Downsview.

The Sillia vehicle had an estimated \$300 damage and the McDonough vehicle \$175, police said.

Fritz VandenBrand, 19, of 235

BOWLING RESULTS

ABC BOWLING

The Little Beavers continue to lead the pack with 28 points with two more nights remaining to the end of the first series.

In second place are the Go Getters with 23 points followed by the Fowl Liners with 22 points. The Mushrooms are still leading in total points for the President's Trophy.

The men were led by Norm Waite with 719 (222, 244, 253); John Filkus 653 (188, 216, 249); and Bill White with 640 (199, 206, 235).

HEADFORD NEWS

Correspondent: MRS. MARIE DUNLEAVY
Phone 884-3035

Church News

Sunday morning, many members of Headford United Church worshipped at Victoria Square in honor of the 90th anniversary of that church. Mrs. Jean Rumble and the Headford Choir sang, "How Great Thou Art" with the Victoria Square Choir and Guest Organist Lynn Reid. Rev. Gordon Winch, director of the Distress Centre in Toronto, was the guest speaker. His talk on the work being done at the centre was very informative.

Mr. Winch also recalled many amusing experiences as "Padre of the Pubs". One incident involved another minister, taken to a pub by him at a table and the two sat down at a table and the two were talking with some of the patrons. When it came time to leave, they stood up, but Mr. Winch's friend's legs became entangled in the table legs. He stumbled, upset the table, staggered across the room and broke a chair he had grabbed for support, ending up on his back on the floor. At this point Mr. Winch decided not to take his friend into the pub again. He was detrimental to the image Mr. Winch was trying to create. And he had had only ONE drink — of ginger ale!

Collective Bargaining Is Subject For Panel

York Chapter of the Association of Professional Engineers of Ontario is holding a dinner meeting and panel discussion November 3 at the Summit Golf and Country Club, Jefferson commencing at 6:30 pm.

The panel discussion will focus on collective bargaining for engineers. Panelists will include Dr. W. K. Blanks of Guelph, vice-president of the parent association; M. A. Suttob of Toronto and James Fleck of Richmond Hill. Chapter chairman is Gordon Elder of King City.

Willowdale-Thornhill Chapter will hold a plant tour for its members today (Thursday). A bus leaves the plaza at Bayview and Sheppard Avenues at 6:45 pm. The tour will cover all stages of construction of the giant plant. Unit 1 is scheduled to be in operation next January. Chapter Chairman is Gordon Pepper of Willowdale.

TECHNICAL ASSISTANT

A leading manufacturer of bottling machinery in Northwest Toronto offers an excellent opportunity for an assistant in machinery sales and service administration. Requirements include technical school background, with administrative experience in industry.

This is a trainee position for a career-minded individual.
