Bayview Field Hockey Team Favored To Win Georgian Bay Finals

SOCCER: Bayview 2, Thornlea 1
The Bayview soccer team chalked up another win this week, as they defeated Thornlea 2-1. Tim Whelan accounted for one of Bayview's goals, the other scorer is unavailable.

FOOTBALL — Senior: Bayview 28, Langstaff 13
Bayview's Raiders moved into a tie for second place with Richmond Hill. These two teams meet this week to decide second and third place.

The big scorer for Bayview was Quarterback Ray Sullivan who accounted for three touchdowns. Steve Marshall got the other touchdown for Bayview.

The best play of the game had to be when Ray Sullivan got Bayview's last touchdown. He ran for the short side, but found that blocked. He got a few blocks, which allowed him to turn inside. Another block or two, and then all he had to do was outrun the several pursuers he had on him.

Junior Bayview 7, Langstaff 6
In this closely fought match played at Langstaff, a convert made the difference between a win or a tie. Getting Bayview's lone touchdown was Hugh Cutler.

FIELD HOCKEY
On Saturday, October 17, Bayview's field hockey team travelled to Scarborough College to play in the All-Ontario Finals. Thirty seven teams took part in this two-day tournament. The teams were divided into six groups, with roughly six teams in a group.

Each team plays all the other teams in their group, with the winner going into the quarter-finals.

Bayview 3, Malvern 1
The team got off to a good start, as they received goals from Linda Fraser, and Dianne Deslauriers with two.

Bayview 1, Downsview 0
Janet Allison was the lone scorer in this game, as Bayview swept to their second victory.

Bayview 0, Newmarket 0
Bayview was still credited with a win, as they had less penalty corners than the Newmarket team. A penalty corner is equivalent to a foul or penalty in other sports.

Bayview 1, Thomas A. Stewart 0
Again Dianne Deslauriers came through to pull out a win for Bayview, as she scored the only goal of the game.

On Sunday the team travelled to Sunnybrook Park to play their remaining games.

Bayview 0, Etobicoke 0
For the second time in the tournament Bayview has won on the fact that they had less penalty corners.

This game gave Bayview their section championship, and entitled them to enter the quarter-finals against another sectional champ.

Quarter Finals: Bayview 0, Mayfield 1
Bayview was knocked out of the tournament in this game, as they lost a heartbreaker.

Semi-Finals
Port Credit over Gordon Graydon.

Finals
Port Credit over Mayfield.
All the girls put up a good effort, with some credit going to Coach Miss Dianna Martyn. This Saturday the team will try their luck in the Georgian Bay Finals, hopefully.

The reason I say hopefully is that, even though Bayview are favored to win their division, there is always the possibility of an upset. Bayview did win all of their league games, so it is fairly safe to bet that they will repeat in the playoffs.

AGE OF MIRACLES
Just to show the age of miracles, it hadn't passed, the Richmond Hill Dynes Jewellers have finally finished their softball season. And, despite having their "down" moments this season, the club finished in good style downing Oshawa Tony's 5-2 to win the Oshawa and District Fastball League championship for the second time in as many years as they have participated in the loop.

Manager Russell "Casey" Cripps points out that the 1970 team had its best win-loss record of any Dynes team he's handled. The squad won a total of 53 league games, tournament games, etc., while losing only 12 which is a hell of a good record when you think about it. But still, woe upon woe, Casey is still looking for that elusive All-Ontario Senior "A" title. Maybe, next year? Maybe.

It says here that Mosport's first off-the-road race event is scheduled for November 1, this Sunday. A total of 15 events will be held over a new five-eighths-of-a-mile course in the Mosport infield. Over 100 entries are expected, including up to 50 cars and dune buggies, about 30 ATVs (all terrain vehicles) and perhaps as many as 50 mini bikes.

Be worth watching, if you like cars.
Yet another word from Summit Golf Manager Bill Frampton at Jefferson that Paul Cowie who aces the 199 yard 10th hole over the Thanksgiving Weekend. With him were Ken Hartas and John McMurty.

Bill reports that a total of 10 Summit members have accomplished the same feat this season and that a hole-in-one party was held last week to honor all the occasions. Presentation of "the seat" to each person was carried out by Went Daniel, club captain.

Schools To Teach Grade 3's To Swim

A pilot project in water safety classes for grade 3 students in Area 2 last June proved so successful that the York County Board of Education has agreed to extend it to include all grade 3 students in county school in 1971.

Participating children were given instruction on water safety for 14 half-hour periods from June 8 to 19; three periods in class room instruction then ten periods in pool instruction followed by one period of classroom instruction to complete the project.

The cost of the project was shared by the parents and by the board with parents paying \$2 per pupil and the board paying up to \$3 a pupil.

In a report presented to a meeting of the board on October 13, Superintendent of Special Education and Student Services Maynard Hallman told trustees that there were 975 children in the classes involved and 941 participated.

15 Lucky Winners RHMHA Draw

Fifteen lucky youngsters will receive help with the cost of their enjoyment of minor hockey during the 1970-71 season as the result of a draw held by Richmond Hill Minor Hockey Association October 22. Prizes in the draw were seven passes for the youngsters to the local arena for the full season, seven registrations in the house leagues and one adult season's passes went for mite division — Stuart Britnell, 398 North Paliser Crescent; tyke division — Jack Cross, 435 Alper Street; novice division — Ross Breuls, 54 Leventdale Road; atom division — Bret Rogers, 211 Maple Avenue; peevee division — Karen Hitchinson, 161 Felix Road; bantam division — Chris Brown, 129 Trayborn Drive; senior (midget and juvenile) division — Joseph Flemming, 186 Rumble Street.

Registrations were won by: mite — Robert McKittrick, 97 Baker's tyke — Jack Cross, 435 Alper Street; novice — Dean Capotosto, 435 Alper Street; atom — Roderick Francey, 38 Church Street North; peevee — D. Bailey, 311 Bluegrass Boulevard; bantam — Charles Lawrence, 71 Tormore Drive; senior — Rob Moorley, 62 Harding Boulevard.

The adult season's pass went to Don Wilson, 218 Ashlar Road.

Winner of one of the registrations turned it over to the association to be used for another boy, who otherwise would not be able to join the ranks of minor hockey players in the Hill this season.

Harry Lewandowski sank the puck for Wilson-Niblett.

CRITICIZE CHAMBER OF COMMERCE FOR LACK FINANCIAL HELP

Dear Mr. Editor:
In view of the very alarming situation in Quebec, we feel strongly that we must take this opportunity to disclose matters of concern to all residents of Richmond Hill.

The recent Quebec Reunion Weekend was developed by the parents of peevee boys from 1964 to 1969 to bring our Quebec billets to Richmond Hill on Thanksgiving Weekend to enjoy our hospitality and friendship as a small return for their unfailing kindness and generosity extended over the years to our peevee boys.

Almost all service clubs, responsible citizens, and civic leaders joined together to ensure the success of this weekend, and in this small way contribute to the unity and friendship between our Quebec visitors and the citizens of Richmond Hill.

Letters of requested assistance were sent to all responsible organizations asking for participation and assistance in meeting the required financial obligations involved in this weekend. However, it is with regret that we note following two specific letters sent to the president of the Richmond Hill Chamber of Commerce, neither were recognized in any way, as being officially received.

We feel that the Chamber of Commerce through its presi-

dential decision has failed to meet its chartered commitments wherein it is foremost as a Chamber of Commerce organization to ensure that all far-reaching publicity be gained for the residents of Richmond Hill.

Failure to meet their chartered commitments is a decision of their own making; to completely ignore letters directed to their president is gross ignorance with a personal impact.

Our committee, which had as one of its members, a member of the Chamber of Commerce, was most disturbed and aghast at this gross oversight.

We feel strongly that the chamber did not in fact properly serve its function and the citizens of Richmond Hill by this inaction.

Having given the president of the Chamber of Commerce, ample opportunity to communicate with us, we regret having to take this means of drawing this oversight to the community's attention.

We hope that this action will elicit a reassessment of their charter by the members of the Chamber of Commerce, to ensure that they will always meet their commitments in the future.

JAMES MANSBRIDGE, Co-ordinator, Quebec Reunion Weekend, 56 Rockport Crescent, Richmond Hill.

(The letter was also signed by the nine other members of the Quebec Reunion Committee.)

transportation arrangements worked out very well.

Mr. Hallman suggested that in future there should be "pool-side" meetings with all instructors prior to starting the program and that emphasis should be placed on efficient methods of organization for groups of 15 to 20 non-swimmers.

"Comments made by the instructors confirmed our feeling that they were not accustomed to working with large groups," he reports. "The program seemed to be too much of a 'crash' program, and too assembly-line oriented in the opinion of the instructors. Generally we feel the instructors did a good job."

In future he recommends that one instructor at each pool act as the co-ordinator of activities at the pool during the entire program rather than having one supervisor for the whole program. Each coordinator would be responsible to one

principal who would be a member of the swim committee for the area.

Parents' reaction seemed to be extremely favorable, the reports states. Many parents assisted on the buses and were able to observe the program, and many others drove to the pool to observe.

Total cost of the program, including pools, transportation, instructors and awards was \$4,297 and the cost to the board was \$2,444.

Emphasis throughout the program was on avoidance of danger situations, personal water safety skills, learning to swim and improvement of swimming strokes.

In end of season testing 223 children passed Canadian Red Cross tests at beginner, junior and intermediate levels.

The trustees approved extension of the pilot project to all grades 3 classes for the calendar year 1971 only. It will then be evaluated and consider again by the board.

York Simcoe Sports 2
Paul Nordgren came up with two goals to lead VCA to a win, with Randy Watson and Paul Carcone adding singletons and Allen Barnett, Watson, Nordgren and Dale Strang earning assists.

Doug Lewis connected for both York Simcoe counters, being aided by Dave Matchett, Jerry Hughes, Kevin Gibson and Trevor Bassar.

PEEWEEES
Tony's Esso Service 4
Shields Footwear 2
Two goals by Randy Hughes and single goals by David Earl and Harold Simpson, with help from Gary Kimmel, added up to victory for Tony's.

Sean Gentry and Gordon Sinfield were the target hitters for Shields with Gary Hoxey getting an assist point.

Eric's Sports 3
Dynes Jewellers 2
John Peden's two counters and Ron McGregor's single were enough to enable Eric's to eke out a win over Dynes. Bob Adams came through with two assists and Scott Bull one.

For the Jewellers the goals were potted by Richard Rezka and Robert Wallingford.

Hodgins Bros. Hardware 7

Dynes Win 1970 Title Defeat Tony's By 5-2

One big inning was all that Richmond Hill Dynes Jewellers required Friday night of last week to down Oshawa Tony's 5-2 in the third and final game of their 1970 Oshawa and District Fastball League playoff.

The win gave the Jewellers the league championship for the second straight year in a row. Richmond Hill won the championship in its 1969 debut year in the league.

A homerun shot by Vere Small with two men on in the fifth inning was the decisive blow.

This combined with the five hit pitching of starter Bob Domik and reliever Billy Drennan proved too much for the powerful Tony's to overcome despite a late inning rally.

Losing pitcher was Lefty Pete Landers who gave up all Richmond Hill's five runs while allowing seven hits. He struck out 12.

Domik pitched six and a third innings allowing both Oshawa runs and four hits. Drennan relieved him with one out and two runs in the seventh inning and finished the game giving up one hit. Domik whiffed eight batters, Drennan four.

Dynes' big fifth inning saw Bob Smith lead off with a double. Gary Jodrell popped out to second and Duane Reid struck out. Domik then singled home Smith. Mickey Hancock then doubled Domik home. George Dickey reached first on an error and both runners came

home on Small's prodigious blast over the left field fence. Les Downing struck out to end the inning.

Oshawa scored their only two runs in the seventh inning with one out.

Domik got Gord Wilson to ground out but Phil Solomon singled. Brother Bob Solomon then followed with a long home-run to bring in two runs. Drennan was called in to replace Domik and got the next two batters to ground out.

The ninth inning saw Drennan walk the first man, then strike out the next two before Paul Gibbens went out second to first to end the game and the season.

Top hitter for the Jewellers, besides Small, was Hancock with a double and a single in four trips to the plate.
