Children's Hospital Having Open House

The Hospital for Sick Children's women's auxiliary is having its annual open house from 10 am to 2:30 pm in the nurses' residence on Elizabeth Street behind the hospital's main entrance at 555 University Avenue.

The purpose of the open house is to give the public some idea of the work done by the women's auxiliary and to promote the 555 Shop near the Gerrard Street entrance to the hospital.

Shop 555 is open every day, and proceeds of the shop as well as those from the open house are used to support various projects in the hospital for which no other funds are available.

Toys, hand-made children's clothes, gifts suitable for teenagers, Christmas decorations, home baking and handicraft articles made and contributed by members of the auxiliary will be on sale at the open house.

There will also be tours of the hospital for those who are interested—a chance to see the wonderful facilities of this rapidly expanding hospital designed specifically for children.

Convening this annual event is Mrs. Jean Merritt, assisted by Mrs. Marjorie Mitchell, Mrs. Gwen Casement, Mrs. Bev. Macdonald and Mrs. Jean Barton. Mark the date on your calendar and plan to attend—the homemade baking will be a boon for weekend entertaining.

A wine and cheese party is being held this Friday from 8 to 10:30 pm by the Pleasantville Branch of the YCHA at the country home of Flavia and Ernest Redelmeier on the Maple Sideroad.

Making its debut at the party will be the auxiliary cook book "The Coral Cook," which will be on sale at the hospital gift shop early in November.

Tickets, while they last, may be obtained by calling Iva White at 884-3189.

A cookout at Polish Park on Sunday last was enjoyed by families of the 1st Beverley Acres Scouts, Venturers and Cubs.

The youth, along with a few of the harder adults participated in a variety of energetic games prior to the excellent meal of barbecued favourites—hot dogs, hamburgers—cooked to perfection and served by the boys' fathers.

A sing-song at sunset around the fire concluded this fun get-together, where the generation gap was completely forgotten—except maybe by a few who had overdone the physical activity!

A seminar on "Christianity On The Job" is being held November 6-8 at the Aurora Conference Centre of the Anglican Church. These weekend seminars, held several times a year, are designed for people of all denominations to share views and methods on how to improve the quality of their lives.

Several members of the planning committee are local residents: Mrs. Bernice Lever of Denham Drive; Monroe Ashkanase, Leisure Lane; John Pounder, Romac Court and Bob Sheppard of Lucas Street.

The new choirmaster at St. Mary's Anglican Church is Ed Luka, a member of the teaching staff at Sutton High School.

Mr. Luka, who received his Hon. BM. Ed, specializing in vocal and instrumental music, is currently taking the evening course at the University of Toronto, studying towards his MA in music education.

He is very enthusiastic about his new appointment and is looking forward to establishing a first class choir, but stresses the need for more voices in every section.

If you enjoy singing, go along to the 11 am service at St. Mary's on Sunday next and introduce yourself to Mr. Luka afterwards—he'll be delighted to meet you.

A personal shower and dinner at the Town and Country in Toronto was held by her aunt, Mrs. Al Hall, and fellow staff members at the Dept. of Lands and Forests, Queen's Park, entertained at a crystal shower and dinner at the Savarin.

The bride is the daughter of Mr. and Mrs. Everett Calverley of Palmer Crescent South and the groom is the son of Mr. and Mrs. Wallace Leamen of Kirk Drive, Thornhill.

Mrs. William Rice of Skopit Drive has been a patient for the past three weeks at York Central Hospital, where she recently underwent major surgery.

She is hoping that her hospitalization will terminate a series of incidents that have occurred in her family during the past few months—her husband has just had his cast removed having suffered a broken foot and her son Terry broke his wrist a week ago while playing hockey for the Minor Midget All Stars!

Mrs. Rice, a former employee of the local branch of the Bank of Nova Scotia, is now working with the bank at Concord and her many friends hope it will not be too long before she is able to resume her duties there and that accidents and hospitals will be a thing of the past.

CLAIRE KAESER

Announce Wedding

Mr. and Mrs. William Kaeser of Clifton Heights, a suburb of Philadelphia, Pennsylvania, announce the forthcoming marriage of their daughter, Claire Wainwright, to Dean Lewis Maltre Kaeser, son of Mr. and Mrs. Lou Wainwright, 47 Pemberton Road, Richmond Hill, on November 7.

Miss Kaeser is a graduate of Archbishop Prendergast High School and attended Fitzgerald Mercy Hospital's School of Medical Technology in Philadelphia.

Mr. Wainwright has lived for 20 years in Richmond Hill and is a graduate of Richmond Hill High School. He and Miss Kaeser are both certified Canadian ski instructors, and plan to live in the Laurentian area of Quebec where they will both be teaching skiing at Grey Rocks Inn.

A very enjoyable two weeks has been spent by Margot and Gerry Crack entertaining his sister and brother-in-law, Vera and Graham Hall of Shepperton and twin sister Mrs. Robert Thompson of Teddington, Middlesex, all of whom are making their first trip to Canada.

Accompanying them and showing them the ropes was Mrs. Thompson's son Roger, who made his initial visit here five years ago.

Shortly after their arrival they rented a car, which enabled them to get a good insight into the Canadian way of life—in the home, cottage, cultural and entertainment pursuits.

Camping from Friday to Sunday, under very primitive conditions earned the Pioneer Badge for four girls from the 14th Richmond Hill Guide Company.

Anne Ellison, Allison Bulova, Carol Wood and Margaret Uruhart, all between the ages of 12 to 13 years, were the first girls in the area to receive this honor.

At the camp, held during the weekend of September 26, the girls showed a true pioneer spirit, as apart from a tent, they had to completely fend for themselves—making a table, digging a grease pit, starting a fire, and cooking all their meals—all under extremely unfavourable weather conditions.

The 14th Guides and leaders are proud of their achievement and extend heartfelt congratulations.

On Thanksgiving Monday, approximately 12 Guides participated in a bicycle hike to Gamble Sideroad, walked through the bush and cooked dinner over an open fire.

Gordon Fenn, the local blacksmith, kindly donated his time to enable the children to see the shoeing and dressing of a horse's hoof.

The trip was a tremendous success and the young visitors extended their thanks to Mr. Rothstien, Miss Reid and Mr. Fenn for making it possible.

The Business Girl's Section of the Richmond Hill Curling Club held its first general meeting of the season October 14, chaired by newly elected President Phil Richard, with 48 members in attendance.

Kathy Brayshaw read the minutes of the last meeting in April and Elaine Elliot gave the treasurer's report. Membership reported it was too early in the season to report!

Kay Hardcastle, representative to the Southern Ontario Ladies Curling Association, gave her report on its activities during the summer months.

Gloria Crotin reported that already bonspiels were being posted and made a pressing appeal for help.

The meeting closed and members resumed old acquaintances and mulled over the activities of the summer.

This division of the Curling Club would be pleased to welcome new members. Business girls curl on Wednesday nights at 7 pm and anyone interested in joining the group for good healthy exercise and fellowship is invited to go to the club, view the facilities and talk to the manager.

What's Cooking?

Almost everyone has a special dish which family or friends enjoy—why not share the recipe with our readers, be it main course, dessert or snack? Each week one will be published in this column—how about yours?

WHOLE MEAL LIMA SOUP
3/4 lb. ground lean beef
1 tsp. cooking oil
1 medium onion
1/2 pkg. (12 oz.) frozen limas
1 cup canned tomatoes
2 tsp. salt
1 cup sliced celery
Brown beef in oil. Add chopped onion and brown slightly. Add frozen limas and 3 cups water together with tomatoes and salt. Simmer 30 minutes or until limas are tender. Add celery and cook 15 minutes longer. Big bowls of this and thick slices of French rye bread make a tasty and filling supper or luncheon dish. Serves 6.

Mrs. Clarke Bradley

Mrs. Mina Tamblin of Thornhill, who is a counsellor at the Donwood Foundation, located near Sunnybrook Hospital, had high praise for the work of The Richmond Hill Social Planning Council, when she spoke October 21 to members of the M&M Guild of Richmond Hill Presbyterian Church.

Mrs. Tamblin outlined briefly the accomplishments of the council to date and pointed out the need for volunteers for the new Help Mate service.

Donwood treats addiction of all types, she reported, by substituting people for chemicals. She noted it takes five to 20 years to make an alcoholic, but less than a week to become addicted to morphine. If the patient really wants to get well, Donwood dries them out and then provides psychotherapy in groups. Even after discharge, the foundation keeps in touch with its patients for as long as its help is needed.

"I'd rather know a lot more about marijuana and its effects, before I decide whether its use should be legalized," stated the speaker. "The use of alcohol is legal, and we know what problems it brings to many people."

A short business meeting preceded the talk at which tickets for a "Luncheon Is Served" meal were distributed to members. The dinner will be served at 6:30 pm November 11.

Rotary News
Guests at the October 19 meeting of the local Rotary Club held at the Summit Golf and Country Club were John Downie, Willowdale, Gord Rice, Armour Heights and Judd Hopkins of Willowdale.

A club assembly was held with reports from various committee chairmen. Ed Nokes also gave a review of the Big Brothers of York County. Although this branch was only started last year, when the Rotary Club, along with other community clubs financed the initial cost, it already has 39 active cases and 14 boys waiting for help (8 of them in Richmond Hill).

On Monday last, the club was honored by a visit from District Governor Peter Suttie, a Rotarian since 1954, who, in his present capacity, directs the efforts of 53 clubs in Rotary District 707, which stretches from Belleville to Orangeville and from Toronto to Alliston.

Forty-three members and wives of Richmond Hill Lawn Bowlers enjoyed a delicious meal at the annual dinner held in Buttonville Hall last week. The caterers were members of Buttonville WI.

President Larry Wales, Secretary Dan Boyle and Treasurer Ted Mansbridge were re-elected to another term in office.

Slides of their world tour were shown by Mr. and Mrs. Harold Hampsted of Richmond Hill, showing scenic and architectural beauty, natural phenomena and ancient cultures in Asia, Africa and Australia.

The bowlers were honored to have as guests Provincial Vice-President and Secretary Cy English and Mrs. English of Leaside, and the newly-elected president of the Provincial Lawn Bowling Tournament Don Gibson and Mrs. Gibson of Etobicoke.

On October 23, pupils of Room 3 Class at McConaghy Public School visited Redstone Stable on 18th Avenue, owned by C. Rothstien.

The enthusiastic group received lectures and demonstrations on the different aspects of riding and various breeds of horses.

Miss Laurel Reid appeared in full dress to show and demonstrate the age old art of riding side saddle and the children saw and discussed western and English riding techniques. A jumping display was performed by Miss Reid and dressage was demonstrated by the group's teacher, Mrs. Doreen Kirkpatrick.

Gordon Fenn, the local blacksmith, kindly donated his time to enable the children to see the shoeing and dressing of a horse's hoof.

The trip was a tremendous success and the young visitors extended their thanks to Mr. Rothstien, Miss Reid and Mr. Fenn for making it possible.

Will Escape To Sunny Climes

Getting in the spirit of the holiday in Bermuda she just won, is Mrs. Margaret Unger of Elmwood Avenue, seen at the left of the picture above. The all-expense trip for two to the sunny south was the prize in a lucky draw, a feature of the very successful annual bazaar presented by the CWL of Our Lady Queen of the World Roman Catholic Church on October 17.

Also in the picture are Mrs. Unger's daughter, Gabriele-Marie and her husband, Frank, and Richmond Hill Councillor-Elect Andy Chateauvert, who drew the winning ticket.

An attractive English visitor to Richmond Hill is Miss Babs Worthy from London, England, currently staying with Miss Louise Monks on Woodlane.

Babs, who plans to take up residence in Canada, met Louise during the latter's stay in London, while both were employed at a publishing house on Fleet Street.

Two local film makers, Maarten Heilbron and Rob Nicholson, have been commissioned by York Summit District Boy Scouts to make a film of Camporee Brotherhood at Boyd Park this weekend.

Rob will be shooting most of the film and Maarten will record the sound. This is their second film, their first being "The Chief Robbins Story."

Among those attending the Ontario Hospitals Auxiliaries Association Convention at the Royal York Hotel October 25-28 were several members of York Central Hospital Auxiliary.

Included in the number were President Mrs. Robert Silcox, last Vice-President Mrs. Glenville Temple, Past President Mrs. Edward Spears (who participated in a round table forum for auxiliaries to small community hospitals) Mrs. William Lazenby, Allenbrae Branch.

Also of special significance was the presence of Mrs. William Barker, Richvale Branch, Mrs. J. Morawski of King, Mrs. C. H. Sanders, Richmond East Central Branch and Mrs. N. Thompson of Oak Ridges Branch. These four members were honored with presentations of honorary life memberships in the association.

For special contributions that they over many hours, days, weeks, months and years, have unstintingly given to York Central Hospital Auxiliary.

About 70 members of the Curtain Club, husbands and wives, attended the Green Room party held at the home of Michael and Dagmar Matyas on Roosevelt Drive following the final performance of "There's A Girl In My Soup."

The traditional poem, written and read by Dennis Stainer, joshing the cast and crew, was a literary masterpiece, setting the pace for an extremely good party.

Convening the buffet dinner was Maryloy Graham, whose culinary skill was only surpassed by her very attractive midi—both of which received many compliments from the club's gourmets and followers of haute couture.

Installation ceremonies were held at St. Mary's Anglican Church, Wrixon Hall, October 6 for Richmond Hill Chapter OES, when Mrs. Mavis Cates was installed worthy matron and her husband, Norman, was installed worthy patron for the coming year.
