Football Ends On Losing Note

Tuesday of last week appears to have been the final game of the season for the football teams. As I said last week, Quarterback Bill Weber of the seniors was injured and so was unable to play. The boys practiced really hard Monday night working in Marty Gill into the quarterback slot, but were still unsuccessful in pulling a win out of the Bayview crew. The lone touchdown was scored by Tim McGhie. The juniors were also unable to defeat Bayview.

Football over, the boys turned their hand to a one-night volleyball tournament at Langstaff on Friday. The seniors (who, by the way, appeared to have lost in a practice game against the girls) were eliminated after the first two matches.

The semi-finals have come and gone for the girls' volleyball teams. That doesn't necessarily mean we lost (although the juniors did.) But the seniors won, and fought hard to obtain the win, too. Everyone, particularly Mrs. Bonnie Parkhill, Richmond Hill's coach, noticed the great improvement in the Thornhill team that Richmond Hill had handily taken in regular season play. Now the seniors take on Woodbridge on Wednesday at Thornlea. These are the finals so the winner of this game will represent our zone in the GBSSA tournament.

And now for a few intramural results. Junior boys flag football was a one-night affair last Wednesday and brought the following results:

1. Richmond, 2. Miles, 3. Stewart, 4. Harrison. The seniors played Thursday. These are their results: 1. Miles, 2. Richmond, 3. Stewart, 4. Harrison.

House standings as of October 30: Miles 585, Stewart 570, Harrison 565, Richmond 555. Remember, girls, a great group is coming to the Sadie Hawkins. More details are coming next week.

White Lines On Bayview Mark Legally Signed School Crossing

The white lines painted on Bayview Avenue in front of Bayview Secondary School are not an illegal crosswalk, but a legal school crossing, properly signed, and as such must be observed by the motoring public, Mayor William Lazenby pointed out to Leonard Collins at a meeting of Richmond Hill Town Council held October 27.

Mr. Collins who moved to an apartment building on Bayview Avenue South recently from Toronto, reported that his son had been hit by a car and suffered a severe head laceration while using the crossing. Mr. Collins charged that three cars stopped and the next one changed lanes and passed them, hitting the lad.

"If children are taught in Toronto to use crosswalks and don't know that this one isn't a legal crosswalk, where do they cross?" He asked that the crossing be made a legal crosswalk, and said he had been informed by Markham Township Police that because it was not a legal crosswalk no action could be taken. "The next young person might not be as lucky," he declared.

Reeve Donald Plaxton, a lawyer, did not agree with the reported statement of Markham Township Police. "Your son was hit in a properly marked school zone," he told Mr. Collins. "The Highway Traffic Act puts the onus on the driver of a car to disprove any negligence on his part taking into consideration traffic, weather and pedestrians. I suggest you seek legal advice as to the possibility of taking action against the driver."

He explained that at present three authorities are involved in Bayview Avenue — Rich-

mond Hill, Markham Township and the Toronto and York Roads Commission. After January 1, the road will be entirely within Richmond Hill and will be the responsibility of the regional government. He doubted that a legal crosswalk would be approved at that location since it is so close to the traffic signals at Markham Road and Bayview.

"Putting in a legal crosswalk is something to be considered by the new area council under regional government after the first of the year," he told Mr. Collins.

BOWMANVILLE — The Oshawa-based region should run from Metro to Cobourg and contain no northern municipalities according to Bowmanville and Darlington Townships. In a brief to the Oshawa Area Planning and Development Study recently, the two municipalities said they wanted out of the Oshawa region if it included the rural municipalities of Ontario County.

"The proposed initial region fails to qualify as a well-designed government region", the brief said. "If the inclusion of virtually the whole of Ontario County is defensible, the continuation of Bowmanville-Darlington is equally defensible." The Study's third discussion paper recommended the region should consist of Ontario County plus three municipalities from the united counties of Northampton and Durham — Bowmanville, Darlington Township and Cartwright Township.

Teams From Hill Make Clean Sweep During November 1 Visit To London

PEEWEEES

Lions 5, Orillia 1
In their second league game Richmond Hill Lion Peewees gave their counterparts from Orillia a decisive 5-1 beating. Orillia got the first goal, but the Lions hit back with five unanswered tallies. They were netted by Gordie Forbes assisted by his brother David Forbes. Danny Jones unassisted, David Brook assisted by Mike Ham, Bobby Dynes, unassisted, Glen Tatum assisted by Mark Girder.

Lions 13, Alliston 2
Saturday the Lions journeyed to Alliston to take on that town's peewees and won 13-2. Danny Jones wielded the big stick in this contest, accounting for five of his team's counters. Dynes, Mike Gallagher, and David Forbes each contributed a pair and Bruce Chaisson and Ham a singleton.

Lions 4, London 3
Sunday's 4-3 win in London brought the Lions home to Richmond Hill in high spirits in spite of the fog which made travelling a slow and tedious process.

During this game, the Lions let in three easy goals and scored four hard ones.

London went into an early 2-0 lead, but the local lads came up with two goals to tie the score — David Brook aided by Gordie Forbes and Chaisson by Gallagher being the marksmen.

London again forged into a one-goal lead, but the Lions tied it up again when Dynes netted a pass from Chaisson and Jones with only 52 seconds left in the game.

As the excitement mounted, David Forbes was helped on the winning goal by Jones with only seconds of play remaining.

ATOMS

Weyerhaeuser 2, Whitby 1
Weyerhaeuser Atoms gave Whitby a 2-1 hockey lesson Sunday.

Scoring for the locals were Ricky Girard and Dean Jones with Baker, Lloyd, Martin and Pickett earning assists. Both Hill goalies, Duncan Condy and Paul Norman, turned in a good game.

MINOR BANTAMS

Richmond Hill 2, Oakville 2
Dane Eldridge's first goal of the season, in the dying moments of the game, earned Richmond Hill Bantams a 2-2 tie against a tough, rugged Oakville team in Oakville last Thursday night to preserve their undefeated streak.

It was an exciting hard hitting game, which saw Oakville score early in the first period; at one point, the Hillers had to fend off Oakville attackers while two men short for over 40 seconds, and in this period Richard Hopson was outgassed by the Oakville goalie on a clearcut breakaway. Jeff Miller shot the puck over the empty net as the boys simply could not score.

Dave Berseth, a real workhorse on defence, scored unassisted on a shot from the blue line early in the second period to tie the game. Oakville strenuously applied the pressure during this period, but goalie Gerry Tipold kept the opposition off the score sheet.

Late in the third period, Oakville picked up a sloppy Hill clearing pass and scored as the player went in on goal alone and unmolested. At this juncture it looked bleak for the numerous Richmond Hill supporters, but Eldridge rose to the occasion, and with 1:15 remaining, scored on a long shot from the blue line to tie the game 2-2.

The lads had only three defencemen available for this game, and Berseth, Eldridge and Roy Cutler all played their hearts out. At one point, Berseth kicked out an Oakville shot, when netminder Tipold was down and the net was empty; this fine second effort is typical of the entire team.

Richmond Hill 4, York Mills 2
Spotting their opponents two goals, Richmond Hill Minor Bantams rebounded, scoring four goals in a row, to defeat York Mills of the North York League 4-2 last Sunday at the town arena.

It was the second line of Tony Robinson, Brian Kellett and Grant Ferguson who led the way as they potted three goals. Kellett scored the Hill's first goal from Dave Berseth, and Berseth tied the game at 2-2 as he went in on goal and fired an accurate slapshot.

Robinson scored the winner in the third period on a pass from Kellett, and Dane Eldridge netted the final one from

the point, assists going to Kellett and Ferguson. Richmond Hill's manpower was depleted for this game, as they had only two defencemen available; consequently Berseth and Eldridge played the major part of the game. By this win, the local lads keep their undefeated string alive at six.

BANTAMS

Reynolds 8, Alliston 0
Wednesday, October 28, Reynolds Aluminum boys travelled to Alliston to play a scheduled league game. It was Richmond Hill all the way as this was Alliston's first outing.

In the first period at 1:30 Robbie MacDonald scored for Reynolds and the assist went to Jim Clement. Again at 11:57 Clement scored assisted by Kevin McKeage and Steve Morrison.

In the second period Reynolds scored four more — Morrison got two, Clement got his second and Donny MacPhee scored the counter. Assists went to Jim Graham, MacDonald, Brad Campbell and Morrison.

Richmond Hill added two more in the third with Bob Belanger and McKeage being the scorers and Jeff Switzer assisting.

Alliston threatened but could not get by Gord Deremo in goal.

Reynolds 2, Orillia 1
Friday evening Reynolds Aluminum Bantams faced Orillia in their third league encounter at the local arena. The local boys played well and held their cool better than their coach as they defeated their guests 2-1.

In the first round, Richmond Hill scored at the 10 second mark, MacDonald again opening the scoring from the faceoff, unassisted. The Hillers scored again at 9:30, this time Switzer being the marksman assisted by MacDonald. Orillia started dirty play and upset the local players for a time, scoring at 8:34 of the second.

In the third the Reynolds boys hung on and retained their lead thanks to Mark Edwards who stopped 13 shots successfully in this period, alone. Final score was 2-1.

Reynolds 4, London 1
Sunday the Reynolds Bantams travelled to London and turned in an impressive performance, coming back with a 4-1 win.

Clement scored twice and got an assist, Belanger scored one and earned an assist, Richard Campbell counted and Paul Hoogenboom and Bill Stephenson had assists.

MIDGETS

Legion 5, Alliston 0

Last Wednesday they defeated Alliston 5-0 in their second league fixture.

In the assist department Steve Brown had two with Steve Gordon, Ball, Scott Mabley and Binkley having singles.

Unionville Skaters Have Busy Schedule

Unionville Skating Club's annual President's Dinner was held October 16 at the home of Mr. and Mrs. Ken Page. Everyone enjoyed the delicious food and the pleasant evening.

Opening day, October 17, was most successful with members meeting the professionals, setting up new schedules, more new members registering.

Open house was held October 19 with members and friends renewing acquaintances and getting their skating legs back in the groove again.

Flowers and a cake were presented October 24 to Pidge Harrington and Ruth Wilkes, two very active members. Pidge is in her 21st year with the club and Ruth in her 20th year.

Last Saturday at Keeleedale Arena, the first coach clinic was held for parents and teenagers interested in helping coach and test young skaters.

There are still openings in the evening adult club group with lessons starting promptly at 10 pm Mondays. All other groups are filled to capacity.

Debbie Wilkes has received her MA and is now home. Her skating partner Guy Revell expects to be here about December 10.
