

Mr. Transmission Is New Sponsor Of Richmond Hill Hockey Juveniles

TYKES
Maple 3, Allencourt 0
In their second game against the Maple Novice Team the Pill Rollers showed a marked improvement. They managed to hold Maple to 1-0 until the last four minutes of the third period when Richmond Hill got a penalty and Maple netted two fast goals.

Allencourt 2, Dixie 0
Saturday night the Pill Rollers travelled to Doubrlink where they met the Dixie Paperweight Team. Scoring for the Hill were Bruce Buchanan assisted and Dean Logan, assisted by Jeff Joslin. Ted Inch played a terrific game in goal and managed to come up with a shutout.

Allencourt 4, Dixie 1
Sunday afternoon the Pill Rollers had a return match with Dixie. The local lads played a fast game and came up with a well-deserved 4-1 win. Scoring for the Hill were Scott Campbell assisted by Joslin and Rod Graham, Steve Cuccio unassisted, Buchan assisted by Ronnie Rose and Joel Reeves unassisted.

CFGM 6, Newmarket 1
Friday night CFGM played host to Newmarket in a league game and their 6-1 victory put them in second place in the North York League standing. Scoring for the Hill were Dycart assisted by Clark, Nigro assisted by Dycart and Nigro, Phil Wood assisted by Tipold and Madden, Lewis from Madden and Nigro from Dycart.

To top off a successful evening, the entire team was entertained by Mr. and Mrs. John Lewis. After games and refreshments the young hockey players gave a rousing cheer of thanks to their hosts.

CFGM 6, Oak Ridges 0
The Oak Ridges boys were hosted by CFGM Sunday afternoon and in an exhibition of team play CFGM defeated their guests 6-0.

Nigro scored twice unassisted and picked up assists on the two goals scored by Putnam. Jim Wood scored on a lovely set-up by Dycart. The final goal was scored by Dycart as he stepped across the blue line and let go a blistering slapshot, catching the net to the left corner.

Mark Porter was congratulated by his teammates on his second shutout of the season.

Ohawa 8, Weyerhaeuser 0
Saturday, November 14, the Weyerhaeuser lads tangled with an Oshawa Peewee Club and came out on the short end of an 8-0 score. Despite the lopsided situation all round, the Hillers battled gamely until the final whistle blew and learned a few good pointers from the speedier, more experienced peewees.

Thornhill 3, Weyerhaeuser 2
Sunday, November 15, Weyerhaeuser hosted Thornhill at the local arena and played a splendid game, but came out on the losing end of a 3-2 score.

The big feature of the game was the Thornhill penalty shoot late in the third period. Duncan Condy played it perfectly, stood his ground and outguessed the Thornhill player, who chose to come right in on the goalie.

Goalkeepers for the locals were John Pickett and David Forster, assisted by Mark Girdler and David Collins on the first and by Steve Price and Tom Beatson on the second.

PEEWEEES
Oakville 3, Lions 1
Thursday the Peewee Lions journeyed to Oakville and lost to their hosts 3-1. David Forbes sank a pass from Mike Gallagher for the locals' goal.

Lions 4, Newmarket 2
In a league game against Newmarket Friday night, the Lions ran up a 4-2 final score in a well-played game against a strong team.

Scoring for Richmond Hill were David Forbes assisted by Chris DeGeer and Mark Brillinger, Glen Tolan assisted by David Brook, Danny Jones assisted by Bruce Chaisson and Mike Ham and Jones assisted

by Gallagher.
Lions 3, Dorset Park 2
Saturday night in the local arena the Lions turned back Dorset Park 3-2. At the end of the second the Lions were down 2-0, but scored three times in the third period within two minutes to take the game.

Marksman for the Lions were David Forbes assisted by Gallagher, Jones assisted by Gordon Forbes and Bobby Dynes assisted by Jones and Chaisson.

Barrie 3, Lions 1
Sunday the Lions lost their first league game to Barrie in a real tussle. Barrie got the game's first counter when Richmond Hill was a man short in the first period.

Mike Ham tied the score in the second period on a lone rush.
Early in the third period Barrie made it 2-1 and outplayed, outskated and outshot the boys from the Hill. In a desperate effort to even the score, the Lions pulled their goalie in for a sixth attacker and Barrie scored into the empty net to insure their victory.

This weekend the Lions will be playing Friday, Saturday, Sunday and Monday.
MINOR BANTAMS
Tournaments Inc. 4, Thornhill 3
Tournaments Inc. overcame a two goal deficit still another time last Thursday night at Doubrlink as they defeated Thornhill 4-3; it was the team's ninth straight game without a loss.

Playing to the usual form, the Tourney lads were down 2-0 until ever reliable Dave Berseht put the team on the score sheet on passes from Tony Robinson and Dane Eldridge; (defenceman Berseht now has 10 scoring points in 10 games).

John Oakley tied the game 2-2, with assists going to linemates Jeff Miller and Arnold Van Der Weyde. Thornhill led 3-2 for a short time, until Oakley scored his second goal, assists once again going to Miller and Van Der Weyde. (This line has a total of 53 scoring points in 10 games).

The stage was now set for the exciting climax, as Van Der Weyde scored a clutch game winning goal, when he sank a Berseht pass, after both teams skated from end to end, missing numerous scoring chances. It was the fourth time this season Van Der Weyde has scored the game winning goal.

Tournaments 2, Maple 2
Last Friday night in the town arena John Bork's Tournaments Inc. and the Maple O-H-M-A Bantams played to a 2-2 deadlock in a closely knit hockey game.

Donnie Pridham, on a pass from Ricky Brooker put Maple into a 1-0 lead. Jeff Miller, however, tied the game, on passes from John Oakley and Arnold Van Der Weyde. In the second period, Van Der Weyde gave the Tourney lads a temporary lead, assists going to Oakley and Dave Berseht.

The older Maple boys then commenced pressure, and they were rewarded with a goal in the third period. Yoteff scoring from Pridham and Mario De Piero. Maple outshot the Hillers 22-19, and were actually unlucky in this game. They hit two goal posts; on another occasion goalie Gerry Tipold was forced to come out of the net to make a stop; the rebound came out, hit a skate, and lazily headed for the empty net. But the puck never crossed the line, as Dave Berseht, ever alert, scooped it up and again saved Tournaments Inc. from defeat.

Tournaments 7, York Mills 2
Last Sunday morning at Forest Hill Arena, Tournaments Inc. outclassed York Mills decisively 7-2 in a hard hitting hockey game.

When Grant Ferguson scored the fifth goal, the players on the team (as well as their vocal supporters), all let out a cheer in unison, for this ended a goal-scoring drought for hustling Grant. It was reminiscent of Alex Delvecchio's plight of last year, when he simply could not score a goal for Detroit. As an encore, Grant proceeded to score two more consecutive goals, for a true hat trick.

The line of Wayne Court, Richard Hopson and Steve Hodgins played their best game to date as they scored two goals. Another feature of this game was Dane Eldridge's plus 6, (that is he was on the ice while 6 goals were scored for his team, while no goal was scored against).

Dave Berseht scored an unassisted goal, Tony Robinson fired one goal and earned two assists; Arnold Van Der Weyde potted the winner, while Jeff Miller and Brian Kellott each added one assist; Steve Hodgins was set up by Wayne Court for a pretty goal, and Dane Eldridge added two assists to his total.

The team was handled very competently by Assistant Coach Andy Lewis, in John Bork's absence.

Oak Ridges 7, Tournaments 4
Game number 13 proved to be an unlucky one for Tournaments Inc., they dropped a 7-4 decision to Oak Ridges' Bantam entry in the OMHA last Sunday afternoon in the town arena.

After the York Mills contest, the boys were given two hours off "for good behaviour", and then tangled with the rough, tough, Oak Ridges squad. Jeff 390, Richmond Hill.

Miller scored from linemates Arnold Van Der Weyde and John Oakley, and Tony Robinson made it 2-0 from Roy Cutler. Van Der Weyde made it 3-1 with Oakley drawing the assist.

The bigger bantam machine from Oak Ridges then began to take command, as they fired four goals in the second period and two in the third, before Tony Robinson rapped home a Dave Berseht pass.

Dave Stuart earned a hat trick for Oak Ridges, as that team outshot Tournaments Inc. 20-6. "Iron man" Gerry Tipold earned the respect of most observers as he continually kicked out the opposition's shots; at times it was a veritable shooting gallery. In the course of the last several weeks the lads rode the crest of an 11-game undefeated streak; if lose you must, it was fitting that they were defeated by a fine hockey team.

Last Saturday, the minor bantams started to sell light bulbs to the residents of Richmond Hill, in order to finance their extra projects for the coming year.
Over the next few weeks, the boys will be politely knocking on doors, offering a package of three light bulbs for \$1.00, or six light bulbs for \$2.00. If you need bulbs, this might be an ideal time to stock up!

The minor bantams sincerely thank all the many generous people who supported their cause last Saturday.
MINOR MIDGETS
Minor Midgets 7, Chinguacousy 1
The minor midgets, as yet unsponsored this season, hosted Chinguacousy November 12 and handed them a 7-1 shellacking.

Kim Mabley and Terry O'Brien led the team in scoring, each netting the puck twice. Allan Graham, Hughie Cutler and Greg Woloski each got a single counter. Active in the assist department were Bill Guinane with three, Woloski and Dennis Acomb with two and Cutler and Graham with one each.

MIDGETS
Newmarket 2, Legion 1
Last Friday the Legion Midgets played in Newmarket and lost their first North York League game by a score of 2-1.

At the end of the second period the score was 2-0 for Newmarket.
In the third period, Mike Ball scored for the Hill on a pass from Bill McIlwain and Jeff Wood. The locals outshot their opponents but just could not score any more.

Legion 2, Barrie 1
On Sunday, the locals redeemed themselves after a mediocre game in Newmarket and journeyed to Barrie to win the big game of the schedule 2-1.

It was a cliffhanger with Barrie having the edge for the first two periods with a one-goal lead. The locals came to life in the third and scored two goals, Steve Brown from Ball and Greg Binkley and Wood from Tommy Sanion at 16:28. Lou Moore played a strong game in the nets.

The midgets are now tied with Barrie for first place in league standing, each team having lost one game.
Next Thursday the locals will play an exhibition game at Burlington at 9 pm and on Sunday will host Alliston in a league game. Game time will be 6:30 pm.

JUVENILES
Mr. Transmission is sponsor
Playing great hockey for their new sponsor, the juveniles are currently tied for first place in the 11 team North York League.

Backed by the sensational goaltending of Gord Woolnough and Paul Sanders, they have won three of their last four games.

With eight different players scoring they trounced Woodbridge 8-2. Goal scorers were Stacy Richard, Rob Burns, John Clement, Brian Dunlop, Glen Sharp, Wes Berseht, Cliff Lynham and John Ranieri.

Sutton 1, Transmission 0
Travelling to Sutton the Transmission boys just couldn't get the puck in the net as they lost a 1-0 decision on the score sheet only.

Mr. Transmission 4, Oak Ridges 2
At Bradford against Oak Ridges they won 4-2, with goals going to Eric Yakiwechuk, Glen Sharp, Wayne Pollard and Kevin Frizzell. Clement picked up two assists and Yakiwechuk two Pollard, Celphan and Richard one each.

Mr. Transmission 4, Nobleton 1
Finally at home they defeated Nobleton 4-1, with Cliff Lynham netting the first counter unassisted. Bob Clephan scored the second, assisted by Lynham. Wilkinson tallied with Clephan and Pollard assisting. John Clement got the fourth with Eric Yakiwechuk aiding.

The team is travelling to Erie, Pennsylvania, this weekend for two games against Erie All Stars and will not play at home again until December 6.

High School SPORTS

By BOB CARTON

Why Not High School Baseball?

Since there was absolutely no action in high school sports last week, I have an opportunity to stand up and speak out. The topic I have chosen is undoubtedly out of season, but I still feel very strongly on the matter.

Every sport imaginably is played at Bayview Secondary ranging from football to archery. Most of the sports are played on both an extramural and intramural basis. Some of these sports are played extensively throughout Canada, but others are not as popular and consequently are not played as much.

One sport that has been sadly overlooked for many years, is none other than that great American pastime, baseball. In elementary school this is the most played sport. This is about the only sport that public schools play against other schools. Quite often a town will have a school baseball league. As for Bayview, there was a small co-ed baseball tournament in 1969. In 1970 there was absolutely nothing.

Now, admittedly baseball is not as big a sport in Canadian high schools and universities as it is in the States, but that does not mean that the sport should be ignored completely.

Many Toronto high schools and surrounding area high schools have teams. A Georgian Bay Final is played for baseball just as there is one for football, soccer, field hockey, golf, and almost every other high school sport.

Up north, where the schools are spread far apart, baseball is the biggest inter-school sport, instead of football as it is down here.

Baseball has never been the most popular sport in Canada, but since the inception of the Montreal Expos into the National League, baseball interest has grown. Both spectator interest and playing interest has risen since April of 1969.

So baseball is no longer an alien sport in Canada. Canadians are no longer as ignorant of baseball as they were at one point.

As for Richmond Hill itself, I have heard it said and I know it is true, Richmond Hill is one of three softball hotbeds left in Ontario. The other two are Oshawa and St. Catharines.

This statement is obvious as Richmond Hill has teams from tyke age (6, 7, 8) up through to Senior "A", which is as high as you can go in softball. Last June's Senior "A" Tournament also proved the town's interest in softball, as the crowds were fantastic.

Great interest has also been shown in the minor ball scene, as close to 500 youngsters up to age 17 were playing ball last summer in Richmond Hill. All of this proves that there is definitely not a lack of interest in the game.

Bayview has a large amount of ballplayers attending there, which includes both boys and girls. The talent Bayview has is also very good. Diamonds are plentiful in Richmond Hill. They not only have diamonds at most elementary schools, but there is also the town park, Crosby and Bradstock Parks.

All this points to the fact that Bayview Secondary should have baseball in some way, shape, or form other than in physical education periods. I might add that there is also very little baseball in physical education, but that there is some on a miniature scale. There is interest, players, talent and facilities. So Bayview should get involved in baseball.

CROSS-COUNTRY RESULTS
The cross-country results from the All-Ontario were unavailable this week, but they will appear in my column next week. Both wrestling and basketball practices are in full swing, with their respective seasons starting shortly.

... Sport Spots ...

(Continued from Page 11)

The action will be taking place at the Gayla Farm which is located on the east side of Bayview Avenue, south of Elgin Mills Sideroad East. It's the first lane south of Elgin. You can't miss it, I hope. Inn proprietors, Al and Mike Wilson, threw the first big shoot last season which was quite a success. Tickets are \$5 each. So get in the shoot.

Good news, I guess, with the report that Bobby Baun has returned to the Maple Leafs. Too bad there are not six or seven Bauns returning. Baun one is better than none. Baun, incidentally, is reported to own a farm in Markham Township.
