It is YCHA benefit euehre night at Buttonville Hall Friday when the Buttonville Branch YCHA will be having a euehre party, bake sale and gift sale with prizes and refreshments.

This is a wonderful opportunity to enjoy a game and shop at the same time. All proceeds are for York Central Hospital where the auxiliary provides the little extras that mean so much to hospital patients.

Members of Buttonville YCHA are presently gathering two or three days a week at the home of Mrs. Reg Allen in order to complete the table decorations for the doctors' staff party in Richmond Hill next week.

Raymond and Pat Moss returned last weekend from a week's trip to Mexico City and Acapulco. The trip was a prize awarded by Gulf Oil to the B & M station operated by the Moss family. Mr. and Mrs. Moss senior were unable to go along because of Mrs. Moss' recent illness.

The Ernie Watkins are settled in their winter home at 409 Lockie Street, Dundas, Florida. In a recent note Mrs. Walton tells of their activities at the Methodist Church there, with services, suppers and the like. Sounds like home.

Congratulations to Ross and

**Jim Easton got a Commerce Bankplan loan and separated the boys from the boys.**

Jim had four rambunctious boys and only one room for them to sleep in. Now, he needed to turn the TV room into another bedroom.

His first move was to the Commerce. Where he asked for a Bankplan loan.

We sat down with Jim and found out how much furniture, rugs, and re-decorating the room would cost. Then we set up a monthly repayment plan that his budget could afford.

This kind of planned personal service is why we call it a Bankplan loan.

Whether you need money to make room for an expanding family or to plan for the education of a teenage daughter or son, we'd like to help with a carefully worked out Bankplan loan.
