A Happy Christmas By Helping Others

The Junior Red Cross of Room 22 Walter Scott Public School Richmond Hill is composed of an energetic group of fourth year pupils who really enjoy helping with community work. Earlier in the year they held a bazaar to raise money to buy toys for the children's ward of York Central Hospital. All went to the hospital to make the presentation and were intensely interested in the many services for patients and outpatients they were shown on their tour of the premises.

They had some money left over and decided to help a less fortunate family in the town have a happy Christmas. The youngsters also decided not to exchange gifts among themselves this year and donated the money they would have spent on these gifts to the fund.

Last Wednesday they welcomed Grant Marshall of the town's Co-ordinated Welfare Committee (made up of representatives of all service clubs) to their portable classroom and presented him with a cheque. In the above picture (left to right) Mr. Marshall accepts the donation from Rick Clenn-

dinning, Greg Peck, Helen Barton and Donna Campbell on behalf of the class taught by Miss Diane Bone.
