## Thornlea Wins Two In Overtime

### BASKETBALL

#### SENIORS:

##### Bayview 43, Thornlea 45

This game was a good example of complete boredom, for the first quarter at least. The first field goal was sunk more than five minutes into the game, with Bayview doing the honors. The first quarter showed a lot of passing and ball control, with only a limited amount of shooting.

This was the style which prevailed through both the second and third quarters. The fourth quarter was particularly slowed down by too much ball control. Thornlea outscored Bayview 10-4, which put the game at a 41-41 tie.

For the last 2:29 Thornlea used the stall tactic, which has been widely used in U.S. colleges lately. With only 10 seconds to go Thornlea decided to shoot, but all three of their attempts failed, and this sent the game into overtime. Both teams exchanged baskets, but, as soon as Thornlea took the lead, they went back to freezing the ball.

This time they controlled the ball for almost half of the overtime period. Bayview, partly because of desperation, and partly from anger, committed quite a few fouls in the dying seconds. A win in this game would have assured Bayview of a playoff spot, but now they will have to fight for one. As of the writing of this, the team Bayview will play is unknown, but there is a good chance that it will be Thornlea again.

Top scorers in this game were Jim Campbell 15, and Larry Mansbridge nine.

Here is a quarter by quarter breakdown of the scoring:

Thornlea	6	8	17	10	4	—	45
Bayview	7	12	18	4	2	—	43

#### INTERMEDIATES:

##### Bayview 46, Thornlea 49

Thornlea, the only team to beat first place Thornhill, came in to take on Bayview. The last time these two teams met, Bayview won, but only after they went into overtime. This game also went into overtime, but Thornlea came out the victors. The difference in the first quarter was the amount of foul shots attempted, and the number of them that were sunk. Thornlea was 4-8 from the line, while Bayview hit 1-7.

The game in general, but particularly the second quarter, showed too much ball control, and not enough shooting. In the third quarter the breaks were going against Bayview. With the breaks in their favor, Bayview could have scored an additional 8-10 points. Bayview again outscored Thornlea in the fourth quarter, which was enough to gain them a tie. In the overtime period, Thornlea grabbed a quick six point lead. Bayview fought back, but the best they could manage was three points. The intermediates start their playoffs this week, with the opposition being this same Thornlea team.

Top scorers in this game for Bayview were John Olsson 22, and Henry Kattenberg with 14.

Here is a quarter by quarter breakdown of the scoring:

Thornlea	12	8	10	13	6	—	49
Bayview	10	7	11	15	3	—	46

#### JUNIORS:

##### Bayview 33, Thornlea 28

The first quarter showed both teams with bad passing, and consequently the ball went out of bounds quite often. Even though both teams together scored 20 points in the second quarter, erratic shooting was evident on both teams. The third quarter contained a large amount of fouls, so neither team had much of a chance at scoring field goals. Bayview were not impressive this game, as the score would indicate. Bayview's opposition in the semifinals are unavailable at the writing of this column. Tom McRae led all Bayview scorers with 12 points.

Here is a quarter by quarter breakdown of the scoring:

Thornlea	5	10	6	7	—	28
Bayview	9	10	5	9	—	33

### Seniors In Four Way Tie For Last Playoff

#### Friday, February 19 —

Although they led at half time with a score of 30 to 25, the seniors were unable to hold off against the Bayview team. Bayview narrowed the lead and then defeated Richmond Hill by a score of 64 to 62.

#### Friday, February 26 —

This is the game that left Richmond Hill in the tied position. A win would have left them in sole possession of third place, behind Woodbridge. High scorers for the game were Tim McGhie of Richmond Hill and Bob McIntyre of Langstaff, each with 25 points.

#### February 19 —

The Bayview intermediates must play the same type of comeback game as their seniors, as they were down at the half, but picked up to win the game 53 to 30.

#### Friday, February 26 —

Langstaff 52 - Richmond Hill 35  
High scorers were Bob McIntyre of Langstaff, who incidentally played both the intermediate and senior games, with 20 points, and Greg Binkley of Richmond Hill with 16 points.

#### Friday, February 19 —

Richmond Hill 31 - Bayview 30

#### Friday, February 26 —

Richmond Hill 27 - Langstaff 19  
It's beginning to look like the juniors may soon be RHHS's only claim to fame. High scorer for Richmond Hill was Craig Purdie with 13 points.

With basketball headed for the playoffs, a new form of physical education has taken over in the school. Gymnastics is a completely different type of activity, centering itself around the individual, in contrast to the team efforts of volleyball and basketball. Agility, flexibility, strength, and above all grace of movement are the goals of the high school gymnast. Attention to the amount of control in the execution of all moves is also very important.

Gymnastics is now the topic in classes, and has the gyms booked most nights, too. Watch for meets coming up in March and in April.

## NOVICES

Results of the CPGM visit to Penetang last weekend were not available by press time. They will appear in this column next week.

## PEEWEEES

### Guelph 1, Lions 0

Richmond Hill's Peeewe Lions outplayed and outshot the Guelph Peeewees Friday night but went down to a 1-0 defeat as they were unable to get the puck past the fantastic goal tending in the opposing net. Gord Forbes had two break-aways which looked like sure points, but the net was barred.

### Lions 1, Leaside Kings 1

Gordon Bedwell sank a pass from Forbes and Mike Gallagher to finish Saturday morning's game at Doublelink in a tie with Leaside Kings. Their opponents are rated Triple "A" in Metro and were in the Double "A" series at Quebec City.

It was a good game with the even-even score indicating the play throughout.

### Lions 2, Markham 2

Sunday afternoon in Markham, the Lions struggled to a 2-2 tie with their hosts. Blinking the red light for the Hill were Gordon Forbes helped by Chris DeGeer and Danny Jones and Mike Gallagher aided by Forbes.

## ATOMS

### Royal York Rangers 4

Weyerhaeusers 1  
Friday, February 26, Royal York Rangers hosted our boys at Doublelink to a game and came away winners over the Hillers to the tune of 4-1. The only pointgetter for our side was David Forster on a nice point shot, assisted by Steve Price.

### Weyerhaeusers 3

Markham 1  
Sunday morning Markham gave Weyerhaeusers another game and this time the local lads seemed to like the early morning air and proved themselves to be the better club, by coming away 3-1 victors.

David Collins picked up two big ones, Randy Martin getting the other goal on a persistent bit of forechecking while his team was short-handed a player. Assists went to David Forster, Mark Girdler and Steve Price.

### Olympics 3,

Weyerhaeusers 1  
Sunday afternoon Toronto

Olympics hosted Weyerhaeusers to a return game on local ice and overwhelmed their guests by sheer number and force. They went away 3-1 victors. The game was excellently played with lots of wide open hockey in evidence. The Hill's only pointgetter was Tiny Beaton in a goal-mouth scramble, assisted by David Forster and Roy Russell.

## COMING UP

In Barrie March 3 at 7 pm; and either King City Peeweewes or Goulding Park on Thursday at 6 pm.

The Lakeshore League play-off schedule will be released early in the week, so there will likely be some playoff games before next writing.

## MINOR BANTAMS

### Tournaments Inc. 8

Unionville 1  
Tournaments Inc. played their final league game as they trounced Unionville 8-1 at Unionville on February 27. The Peeweewes earned 24 points out of a possible 28, ending with an impressive 11 wins, two ties and one loss, the best record in the league. The team now awaits word of playoff schedule.

The fans were not yet in their seats before Tony Robinson took the face-off, passed to Grant Ferguson, who in turn sent Ostep into the clear for the first goal in five seconds. Ferguson then scored the winner from Ostep. The Hillers who found the scoring range continued turning on the red light. Steve Hodgins from Wayne Court, Ostep scored his second goal unassisted and Robinson scored from Ferguson and Ostep. Arnie Van Der Weyde fired a goal from Dave Berseth and John Oakley, while Robinson clicked on an Ostep pass. Robinson concluded the scoring with an unassisted goal, this was Robinson's second hat-trick of the year, and gives him a season's total of 39 goals and 36 assists. (Watch out Phil Esposito!)

### Newmarket 3

Tournaments Inc. 2  
Tournaments Inc. spotted Newmarket Bantam "B's" three goals and then ran out of time as Newmarket won 3-2 at the town arena last Sunday.

Brian Kellett scored the Hill's first goal from Arnie Van Der Weyde and John Oakley. Midway through the third period Grant Ferguson narrowed the gap 3-2 from Tony Robinson and Dave Berseth. Newmarket rallied well, however, and kept the Tourneys from further scoring through their fierce checking.

The minor bantams are holding a dance this coming Saturday at 8 pm at the Legion Hall. Everyone is cordially invited to attend.

## MINOR STOUFFVILLE

### Stouffville 2

Bond Steel 1

Exuding confidence from every pore, the Bond Steelers hit the ice for the second playoff game in the Lakeshore League against Stouffville. After all they had handed their opponents a 7-2 defeat in the first game of the best two-out-of-three series.

Their overconfidence backfired as Stouffville turned the tables 2-1.

The Steelers were completely outplayed, outshot, outskilled, outchecked and outscored and must face the fact that hockey games are won only by playing hockey, scoring goals and giving the best one is capable of at all times.

### Bond Steel 4

Chinguacousy Midgets 1

Although the Steelers have already learned this lesson as Sunday they took on the year older, heavier, and more experienced Chinguacousy Midgets and turned them back 4-1 as they played the calibre of hockey which is their potential in every game.

Scoring for the Hillers were Pete Ranieri, Allan Graham, Paul Bailie and Terry Rice, with assists being earned by Val Steffan and Kim Mabley with two each. Rice, Dennis Acomb, Terry O'Brien and Tom Taylor with one each.

The third and final game in this series will be played in Stouffville Friday at 9:45 pm.

## MIDGETS

### Georgetown 2, Legion 1

In the first game of the quarter finals, best of five series, the Legionnaires lost a heartbreaker 2-1 to Georgetown on Sunday.

There was no scoring in the first period.

In the second period, Jim Arnold scored the first goal of the game for Georgetown at 9:26 and at 16:59 Mike Ball evened the score for the locals, assisted by Jeff Wood and Steve Brown.

The third period saw some real fast hockey and it looked as if an overtime period would be required. However, Peter Binley for Georgetown spoiled things by potting the winning goal at 18:03.

Georgetown outshot the Legion 28-24, but Dave Addley played a standout game in the nets for Richmond Hill. In fact, the whole team played well only to miss the open net on two occasions.

Coach Bill Points hosted his team to a Sunday morning breakfast. Maybe an egg or a strip of bacon more, or less, could have made the difference!

The Legion returned to Georgetown Tuesday night to play the second game in the series. Having lost the toss the

Warriors; Ottawa Slack-Shacks; Owen Sound Crescents; Collingwood Midget Vets; Barrie Colts; Georgetown Midgets; Lindsey Legion Midgets; Essex Legion Midgets; Richmond Hill Legion Midgets; Newmarket Warriors; Oshawa Parkway; Belleville Imperial Midgets; Kingston Rotary-Kiwanis and Sarnia Midgets.
