

# KING CITY, OAK RIDGES LAKE WILCOX

"The Liberal" is always pleased to publish items of interest regarding people and events in the Oak Ridges - Lake Wilcox and King City districts. Our news correspondent in Oak Ridges - Lake Wilcox is Mrs. Diana Battaglia, Aida Place, 773-4295; in King City Norman Matthews, 832-1579.

## going PLACES meeting PEOPLE

**Minor Hockey**  
The 1970-1971 hockey season is fast coming to a close and Oak Ridges and District Minor Hockey Association will be holding election night April 22. The place is St. Paul's United Church and the time is 7 pm sharp.

This is one of the most important meetings of the year, so it is hoped the members will be out in full force.

Questions regarding what is going to happen to our hockey association now that we are part of Richmond Hill will be answered that night. It is hoped to have an OMHA official present to give a run-down on the rules for the area.

The following are the teams with their coaches, managers and trainers for this past season:

**Novice All-Stars** — Coach Al Cochrane, Manager Bill Pyle. This team brought home the consolation trophy in their division of the Little NHL Playdowns.

**Peewee All-Stars** — Coach Glen Wright, Manager Frank Wood, Trainer Jack Pincombe. The peewees won the Little NHL Playoffs area championship, division championship and the consolation grand championship in Midland.

**Bantam All-Stars** — Coach Pete Jones, Manager Don Smith, Trainer Hughie Lenneville. The bantams won the North York Trophy for being first in their league.

**Midget All-Stars** — Coach Don Madaleno, Manager Norm Clews. They brought back the consolation trophy from Woodville Midget Tournament.

**Juveniles** — Manager Hugh Orser, Coach Dave Broom.

**House League** — Convenors John McQuarrie and Bob Tomlinson.

**Little King Atoms** — Coach Don McQuarrie, Manager John Spensley, Trainer Bob Tomlinson. Dougie Penley of this team received the youngest player trophy at the East Gwillimbury Tournament. Wayne Jones was awarded the most valuable player trophy for his team at the East Gwillimbury Tournament and Mark Spensley the same trophy at the Camp Borden Tournament.

**Novices** — Coach Al Bestart, Manager Bert Holmes.

**Atoms** — Leader Dave Penley and assistants.

**Peewees** — Coach Tomlinson, Managers and Assistant Coaches Shirley Smith, Roy Robinson and Herb Pantling.

**Bantam Midgets** — Coach Jim Kennedy, Manager John Brown.

**Girls' Figure Skating** — Directed by Cathy Pantling. The carnival held this year under the leadership of Mr. and Mrs. Ted Clague Jr. will pave the way for a new fund-raising campaign for future years.

Friday, April 2, a dance was held to raise funds for the hockey banquet. Disc Jockey Don Colgate kept things moving. The spot dance prizes turned out to be April Fool jokes, to everyone's amusement. Door prizes were won by Joe Grech, Kay Metcalfe, Kathy Hubbard, John McQuarrie, Mr. and Mrs. Peter McConnachie and Mr. and Mrs. A. Boone.

Date of the hockey banquet and dance that winds up the season will be announced at the meeting.

This year's Minor Hockey President Ken Blyth is very grateful for all the help and support he received this year.

## In Oak Ridges - Lake Wilcox

He hopes to see everyone at the April 22 meeting to thank them personally.

### BASEBALL REGISTRATION

Ward 5 Minor Baseball Association has announced that registration for girls and boys between the ages of 6 and 16, coaches and managers will be April 17 at the Lions Hall. Registration fee is \$4, which includes a sweater and cap. Proof of age will be required.

### Church News

St. Paul's UCW is planning a rummage sale for May 7 from 7 to 9 pm. Anyone having rummage may bring it to the church the week of the sale.

### Separate School

Lecia Gillett, grade 3 student at our Lady of the Annunciation Separate School, won third prize April 3 in the York County Science Fair. Lecia's rock collection came second in the school fair and first in the area fair.

The grade 2 children are anxiously awaiting May 16, the date for receiving the Sacrament of First Holy Communion. The school curriculum has included for the last month and will continue to include until May 16, a special instruction program. This has been conducted by Sister Mary Grace on a daily basis, complemented by periodic visits from Father John Weber.

Being a day of extreme importance in the lives of these young people every effort is being made to ensure it will be a memorable one.

Wednesday, June 2, will be the climax of 1971 for many of the grade 7 and 8 students for this is the date set for the receiving of the Sacrament of Confirmation. An intensive program will be conducted on a daily basis by Paul Jordan and enriched by a weekly visit from Father Weber. In preparation the students will also be participating in community activities.

### Neighborhood Notes

Congratulations to Mr. and Mrs. John Cummins and family. Bridgette Cummins, a very active member of our community, has slowed down enough to give birth. Her new son was born April 8 at St. Joseph's Hospital, Toronto. I know she'll be right back pitching in as soon as she is able.

Mr. and Mrs. Don Cook recently returned from a two-week Caribbean cruise. The cruise left New York and visited seven ports — St. Thomas, Martinique, Barbados, Grenada, Venezuela, Curacao, Haiti and then back to New York.

They report the temperature was 79 to 84 degrees for the whole time. They made many friends aboard the TS Bremen, their ship, which featured a most friendly atmosphere. The Cooks had such a good time they want to do it again real soon.

Mrs. Helen Laing, along with her sisters, Mrs. Lillian Higham from Montreal and Mrs. Phyllis Seed from Schomberg, visited their youngest sister Mrs. MacMillan in Cyprus, California. Together they had a wonderful time visiting and touring.

They went to Disneyland, San Diego, Mexico and Hollywood, saw the homes of many motion picture and TV stars, the famous corner of Hollywood and Vine.

Mrs. Laing was particularly impressed by the beauty of the flower gardens and the palm trees.

Mayor Laushway patiently explained that the municipality of Whitechurch-Stouffville was only one of a number of municipalities in the same waiting boat.

Whitchurch - Stouffville is currently attempting to force its way through an amendment to its Official Plan which would allow estate type developments in certain areas.

"But we can't do anything until the province comes up with some answers," he said.

The province controls the actions of the municipalities with such obstacles as the Toronto-Centred Region Plan which has labelled various areas for greenbelt use only and the Community Planning Branch which also exerts prohibitive pressures on certain types of development.

Mr. Laushway said that he would arrange for council to meet with the regional planning board to present its case to the members.

Council will also hold a committee meeting of the whole April 20 at 10 am to further discuss the amendment to the municipality's Official Plan.

Mr. Laushway said he wasn't opposed to council sending representatives to the region but "any brief we hand them will just be adding to the stacks that are up to here now on the subject. They are well aware of the situation at the regional level now but their hands are tied too."

## TEMPERANCEVILLE NEWS

Correspondent: Mrs. W. G. Jennings  
Phone 773-5892

Neighborhood Notes  
Sympathy of the community is extended to the family of the late Mrs. Carson Robinson, who passed away at her home in Newmarket. She is survived by her husband, a son Murray, two sisters and a brother. Mr. and Mrs. Robinson farmed for several years on the King Side road.

Sympathy is extended also to the family of the late Joseph Bishop who passed away in York County Hospital, Newmarket after a short illness. Mr. Bishop and his family have resided in the Temperanceville area since 1942. He sold his house at the corner last summer to make way for the widening of the King Sideroad. Mr. Bishop is survived by a daughter and five sons.

Several parents attended the final class of gymnastics sponsored by the King City Lions Club in the King City Secondary School April 6. Some 89 girls between ages 7 and 14 attended the classes during the winter months under the direction of Mrs. C. A. Van Herk who is on the staff of the school. The program included gymnastic acts on the high bar, trampoline, uneven bars, and the mats. Members participated in solo and group numbers.

Mr. and Mrs. Gerald Jennings, Mr. and Mrs. Gordon Achilles, Mr. and Mrs. Jack Garbutt, Mr. and Mrs. Robert Rickward, and Mr. and Mrs. Wilbert Jennings, all from Robertson Masonic Lodge, King City, attended the ladies' night sponsored by the senior wardens 1971 Association held at the Constellation Hotel in Malton April 3. A change in the act in 1971 York Regional Council made the appointments.

Support for a resolution of the council of the Township of King asking for repeal of the section of the Conservation Authorities Act which transfers from area municipalities to regional municipalities appointment of representatives to conservation authorities was given by Richmond Hill Town Council April 5.

The motion for support was moved by Councillor Lois Haney and seconded by Councillor Stewart Bell and council gave unanimous approval.

The resolution will be sent to the Minister of Energy and Resources Management George Kerr, whose department oversees conservation authorities.

In the past each municipality in the conservation authority's jurisdiction, which are assessed for the authority's program, have appointed one or two representatives. By a change in the act in 1971 York Regional Council made the appointments.

Club demonstrations or skits also form a part of the afternoon program, again with a list of suggested titles on storage, clothes cupboards and accessories.

During the morning the girls will judge a set of co-ordinated closet accessories, reorganize a clothes closet and plan a color scheme for closet accessories.

Each girl who completes the unit satisfactorily and is present on achievement day will receive a record of achievement, a sterling teaspoon, those completing two units receive certificate of achievement and those completing six units get a county honor certificate and pin. A provincial honor or certificate and pin is awarded on completion of 12 units and an advanced honor award and certificate on completion of 18.

Parents, friends and members of Women's Institutes are invited to attend the afternoon program Saturday.

The 4-H summer project is a garden club with presentation of fruit, flowers and vegetables. The fall project will feature fruit.

## 4-H Homemakers Achievement Day At Victoria Square Hall April 17

The 4-H Homemaking Club of York Region throughout the year offer interesting courses for a large number of teenage girls. Three courses are held each year.

The spring course this year now being completed, is on "A Place For Everything."

The "Achievement Day" for York South clubs will be held this Saturday at Victoria Square Community Centre, with registration at 9:45 am. Each girl will exhibit her record book, two covered dress hangers, shoe puffs and a storage box she has made herself.

Each club will have an exhibit with suggested themes being: good use of drawer space, ways of storing shoes, variety in hangers, aids from the closet shop or co-ordinated accessories for the closet. Each exhibit includes a poster giving the topic and name of the club. A representative of each club gives a three minute comment on the exhibit.

Club demonstrations or skits also form a part of the afternoon program, again with a list of suggested titles on storage, clothes cupboards and accessories.

The 4-H summer project is a garden club with presentation of fruit, flowers and vegetables. The fall project will feature fruit.

## THE REGIONAL MUNICIPALITY OF YORK

The Council of The Regional Municipality of York proposes to pass a by-law authorizing:

- (a) The widening of Eagle, Gorham and Water Streets (No. 5) in the Town of Newmarket from King's Highway No. 11 to 200 feet east of Maple Avenue to a basic width of 50 feet with additional widenings at intersections and water courses; the grading, gravelling and paving thereof to provide a basic two-lane roadway and the construction of all related works and undertakings together with the acquisition of the necessary lands and interests in lands therefor.
- (b) The widening of Maple Road (No. 25) in the Town of Richmond Hill between King's Highway No. 11 and Church Street to a basic width of 80 feet; the grading, gravelling and paving thereof to provide a basic four-lane roadway with additional lanes at intersections, together with the construction of all related works and undertakings and the acquisition of the necessary lands and interests in lands in connection therewith.

The Engineering Committee of the Regional Council will, at its meeting to be held at 2:00 p.m. on the 4th of May, 1971, at the Engineering Building on the west side of Don Mills Road one and one-quarter miles north of the Aurora Sideroad, hear in person or by his counsel, solicitor or agent any person who claims that his land will be prejudicially affected by the by-law and who applies to be heard.

Plans showing the proposed widenings may be inspected at the office of David Hill, Director of Property at the Engineering Building (Tel.: 895-2303).

DATED at Newmarket this 26th day of March, 1971.

Edward Oakes  
62 Bayview Avenue  
Newmarket, Ontario  
Solicitor for The Regional Municipality of York.

## Subdivision "Freeze" By Province Frustrates Whitchurch Developers

Frustration was the name of the game April 6 at the regular meeting of the Whitchurch-Stouffville Town Planning Committee.

It was evident on the faces of the six or seven people who appeared before the council's planning committee applying in vain for rezoning approvals to enable them to commence work on residential subdivision plans — especially estate-type developments.

Why frustration? Because the "freeze" is on regarding any further residential development in the municipality for the time being until one of a number of decisions are made at the provincial level.

"We keep asking the province," said a somewhat frustrated Mayor Ken Laushway to one of those people applying for rezoning approval. "We get a polite reception, they agree with us, say they'll do what they can, and that's where we are right now."

It all amounts to political red-tape from the world go'round.

"There just doesn't seem much point in any of us even applying to council," said one developer. "You apparently can't approve anything, anyway."

The same person called on council to apply pressure on the mysterious "powers-that-be" to force them to make decisions.

Mayor Laushway patiently explained that the municipality of Whitchurch-Stouffville was only one of a number of municipalities in the same waiting boat.

Whitchurch - Stouffville is currently attempting to force its way through an amendment to its Official Plan which would allow estate type developments in certain areas.

"But we can't do anything until the province comes up with some answers," he said.

The province controls the actions of the municipalities with such obstacles as the Toronto-Centred Region Plan which has labelled various areas for greenbelt use only and the Community Planning Branch which also exerts prohibitive pressures on certain types of development.

Mr. Laushway said that he would arrange for council to meet with the regional planning board to present its case to the members.

Council will also hold a committee meeting of the whole April 20 at 10 am to further discuss the amendment to the municipality's Official Plan.

Mr. Laushway said he wasn't opposed to council sending representatives to the region but "any brief we hand them will just be adding to the stacks that are up to here now on the subject. They are well aware of the situation at the regional level now but their hands are tied too."

## King City Social Notes

**Spring Thing**  
The celebration of spring is the reason for two events coming up at King Township Public Library in King City. The first will be at the regular monthly Saturday morning program for schooled children April 17 at 10:30 am. It will be called "Spring Thing", with stories, music and flower decorations. The library staff will tell old myths of spring which should be fascinating to those who come.

A group of students from King Senior Public School, with recorders and musical instruments they have made themselves, in Mrs. Marilyn Hurst's music classes, will lead the songs and everyone will make spring decorations to suit their fancy.

The second event is a first for the King City Library, an evening program for adults, "Gardens in Spring" April 21 at 7:45 pm will present Paul Olsen, landscape gardener in King Township, speaking on "Planning and Planting". There will be an opportunity for questions and answers, and motion pictures to give both information and inspiration to local gardeners. Chief Librarian Mrs. Bernice Ellis and her staff hope that a good number of residents in the area will turn out for these events.

**Best Wishes**  
To Sandi Lewis of Lewis Farms in King Township who was in York Central Hospital for an operation at the first of April and now is recuperating at home.

**King City Secondary School**  
At the formal held April 2 at the Summit Golf and Country Club in Richmond Hill, three beauties were chosen from the 200 persons who attended. Jane Seymour of King City was chosen a prom queen, while Brenda Hobson and Heather Tully were selected as princesses. Heather was also the co-chairman of the prom committee. Congratulations!

**Donald Scott Memorial**  
Last summer, while many of us were vacationing, a 22-year-old King City man was killed in an accident at a Maple gravel pit. Donald Lorne Scott, then a third year electronics student at Ryerson Polytechnical Institute working during his summer va-

cation, was buried in a landslide of earth. The immediate shock and horror of the event think of it all as a forgotten matter in a busy world. But this is not the case in this instance. While a student of King City Secondary School, Donald had been on the athletic team and won an award presented by the Lion's Club for the best all round student. He also had been president of the student council. Having been active in school sports, Don pursued his love and expertise at wrestling while attending Ryerson and had been as far away from home as Montreal and Winnipeg to compete. He was one of four boys chosen from all in Canada to train for the Olympics wrestling competitions, but declined to Tuesday, March 16, the Scott family was honored at the Ryerson Annual Athletic Banquet held in the Balmoral Room of the Town and Country Restaurant. Their son, Bill Scott, presented the Don Scott Memorial Trophy to this year's best member of Ryerson's wrestling team, Larry Copfer. Mr. Copfer is the first person to be awarded this distinctive and worthy trophy. Robert Fullerton, MBA, athletic director at Ryerson was master of ceremonies for the evening. A documentary film called "Athletics of Ryerson 70-71" was shown.

A silver cup is kept in the school as the Don Scott Memorial Trophy on which the name of each year's outstanding athlete will be engraved. Each year's victor will be presented with an individual trophy to keep in their home.

**Landmarks Changed**  
The road excavation on Keele Street opposite the King Fire Hall has reduced traffic from four lanes to two during these first weeks of April.

We notice that the white frame building at 92 Springhill is now being demolished, bringing into view the new dental clinic behind the old structure.

Commuters travelling by car or GO Bus between King City and Maple have probably noticed one of the area's landmarks being torn down, piece by piece. Hope United Church, unused for quite some time, located on the west side of Keele Street North across from

It's bad enough for most of us to scrape the ice and snow off our automobile windshield, brave the treachery of icy roads and survive the gauntlet of aggressive fellow drivers. Can you imagine doing all that with 20 or more fidgeting, mischievous, and noisy school children aboard. Take a bow, members of Langdon's (Langdon's Coach Lines Co. Limited is located on Keele Street in King City.)

**Thanks**  
To my wife Donna, who many of you know from her persistent and inquisitive telephone calls to King City residents, chasing information for this column.

## Hodgson Announces Additional Grants For York Region Farmers

Ontario farmers are to receive further financial help from the provincial government according to an announcement from William Hodgson MLA, York North this week.

Grants for capital costs of enlarging and modernizing operations are available from the Department of Agriculture, at 40% of the cost, to a maximum of \$3,000. This amount is available for work on building improvements or drainage. However, for work done on water supply and/or field en-

tree for a maximum of 100 trees are available and will not affect amounts available for other projects.

All grants paid to farmers since the program started in 1967, however, will be included in the new maximums. The new rules apply only to work started after April 1 this year.

Farm vacation hosting and pollution control equipment are also included in the government's expanded capital grants program.

A grant of up to \$1,500 for farm vacation hosts to cover capital improvements in farm vacation homes has also been made available to encourage more farmers to host city dwellers for a holiday period.

lancement, \$1,500 is still the limit.

Fixed equipment is now eligible, including items like water systems, stabling, bulk milk tanks, scales and cattle squeezer. Partnerships can now qualify for double the amount of a single owner.

Provision is also included for assistance in removal of dead elms. Grants of \$5 per
