## LOOKING AROUND

## IN THE VILLAGE OF MAPLE

Allen and Jean Miller for 20 years of bowling. A 15 year pin went to Marg Crooks who has bowled 18 years and a "350" pin to Muriel Rose for a game over 350.

For her high average of 217, Mrs. Det Palmer received a lovely jewellery box, presented by Mrs. Janet Sutherland. Mary Cameron presented a lovely white cardigan to Mrs. Norman Plumb for her high triple score of 776 and Olga Kucherawy made the presentation of a chrome kitchen canister set to Mrs. Muriel Rose for high single of 353.

Cash awards were given to members of each team in the order of their standing with the presentations made by Mrs. Lorraine Leonard, Mrs. Marg Crook, Penny Aubertin, Mrs. Lynda Kucherawy, Mrs. Heather Elson, Mrs. Pat Ferguson, Mrs. Norma Plumb and Mrs. Alice Abraham.

The several chrysanthemum plants used as table centres were won by some of the lucky girls.

When the husbands arrived, dancing began to the music provided by Peter Kitchen. A delicious buffet enjoyed by all was prepared by the ladies of the executive.

The York Chorales presented a most enjoyable concert in the Holy Trinity Anglican Church hall in Thornhill April 23 with a very good attendance from Maple, including 19 senior citizens.

Featured were a group of national songs representing England, Canada, Scotland and Ireland. A beautiful soprano solo by Ariene McLean was thoroughly enjoyed.

As well as a full program of light music by the Chorales, the Thomsson family of Maple, Ilse, David and Judy, presented the first second and third movements of Haydn's Trio, and Joe Macerollo presented accordion solos. An evening of beautiful music to delight all who attended.

Miss Gloria Bowes presented a piano recital of her 12 pupils at the United Church April 24 with a wonderful attendance of family and friends.

Taking part were Donna Newton, Stephen Smith, David Plant, Ronnie Read and Peter Read, Betty Bryson, Danny Bowes, Bruce Cameron, Rebecca Matthews, Kelley Fybro.

Here is a date to mark on your calendar and to note in your diary. The executive of the Maple Branch of the Canadian Bible Society is keen to make the worldwide Christian program of the society one of all the church people of Maple.

There will be a number of interesting events planned for this summer and they are hoping for the co-operation of all the churches in our community.

Not too many girls turned out last Saturday at 10 am for baseball, so that the age limit is to be lowered to include girls 9 to 13 years of age. It is understood that many of the girls in this group may still be attending Brownies but will be welcome to come along when the Brownie meetings are over for the year.

Tuesday, May 25, the first home game of the central league will be played at the community hall park, and with the new lights for the diamonds and the tennis courts, it would be a good night to have a grand opening of the recreation area of the park with a full attendance.

We would like to point out that the Maple Area Recreation Committee will NOT be sponsoring the fireworks display at the community hall park this May 24 for several reasons.

The major one is that the committee now consists of only four busy mothers, who do not feel that they can take on such a project with so little support.

The problems that arose last year when children set off their own fireworks is the other major reason.

It is most unfortunate that this type of irresponsibility on the part of some, can spoil the fun for all, but that's the way it is!

The recreation committee is perfectly willing to assist any other group that might be interested in taking on this project, and Mrs. Jan Myers could be asked at 832-2123.

The bus will leave the United Church at 12:30 noon. Plans are also underway for a two-day trip to Kingston and Gananoque for the Thousand Island boat cruise and sightseeing in and around Kingston.

In order to make reservations for this trip names should also be in to the above two people very soon. This trip is planned tentatively for June 21 - 22.

Zion Lutheran Church was beautifully decorated with yellow and white shasta daisies every year.

The first meeting of the group committee is to be held May 5, when they will be reminded that help is always needed, particularly now that registration is increasing at a good rate.

Assistants to the present leaders will be needed as well as resource people who would be willing to spend some time with the boys helping them with various projects and helping them to learn special skills.

Phillip Hutchinson and Sheila Irvine was missed because of illness. This was a wonderful recital with proud parents, including Gloria's — Mr. and Mrs. Wilfred Bowes of Maple. Several of these students are scheduled to enter into the Lions Festival in Newmarket this week, and we'll be hoping for some winners to report later.

Jackson Cook, one time resident of Maple, now of Toronto, was the guest of Mrs. Archie Robinson of Stayner for the week of April 20 to 27 and paid a visit to Arthur Mortson of Collingwood. Mrs. Robinson taught Jackson 50 years ago in the Hope School No. 5 and boarded with his mother and father, Mr. and Mrs. Heber Cook. The school is now the site of the Maple Nursing Home.

Mr. Mortson was the CNR station agent at Concord for 25 years. Jackson also attended the Holy Eucharist and morning prayer at the Church of the Good Shepherd in Stayner.

The seniors enjoyed a variety program, April 29 for poems, readings and musical numbers given by various members.

During the afternoon, Percy Putterbaugh showed slides that he had taken during a recent trip to Florida and pictures of their own recent activities.

Wednesday, May 12, the seniors are going to tour the Christie Biscuit plant on the Lakeshore, and the cost will be \$1.50 per person. All names should be in to Percy Putterbaugh 832-1114 or Mrs. Louise Cooper 832-2408 by this weekend.

As a note of apology to those who read our column in the past couple of weeks and understood that the "Good As New Sale" to be held by the Presbyterian women, May 15 was to be open to buy during the week, we wish to make clear that we were misinformed. The church will be open on Tuesday and Wednesday afternoons from 1 till 3:30 pm and on Thursday evening from 7:30 till 9:30 to receive articles for sale, and a preview sale will be held Friday evening at 7:30 till 9 at which 25 cents admission will be charged. For further information see the "Coming Events Column" of this paper.

The Maple Women's Institute will meet at the home of Mrs. Carrie Read, May 12. The program committee will be the 1971 executive and Mrs. Ethel Hardwick and Mrs. Florence Marwood will have charge of the lunch. The final euchre will also be held at the home of Mrs. Read, May 26, with visitors welcome.

We are reminded that the home and school meeting will be held in conjunction with the drama night on May 14, with the evening getting underway at 7:45 pm sharp, in the George Bailey School.

The young people at that school are busy preparing for this special event as well as for the track and field meet which is to be held around mid-June, so that phys ed classes and activities will be geared for that event. Parents are most welcome to come and see what is going on.

In November a week-end Scout camp was held at Frank Robson's sugar bush. In December the boys operated the refreshment booth at the Lions turkey shoot, exchanged a visit with the Concord Scouts and held a Christmas party as well as continuing the swimming and canoe instruction.

In January a toboggan party was enjoyed as well as a weekend at Camp Hiljak and another exchange visit with Concord. The Fathers redecorated the Scouts Hall and swimming instruction was carried on. In February a bowling party, a camporee at Hiljak and a rose sale held the boys interest as well as the swimming.

May 1 for the wedding of Maurcen Elizabeth Bone, daughter of Mr. and Mrs. Warren Bone of Concord to Robert John Erwin of Toronto. Reception was held at the June-7 Country Club. The bride and groom will be residing in Thornhill.

Two baptisms were held May 2 in the Zion Lutheran Church. Christine Dawn Wright, daughter of Peter and Betty Lou Wright of Toronto and David John Arbuckle, son of Nancy and Jim Arbuckle of Scarborough, second grandson of Rev. and Mrs. John Arbuckle.

Mrs. Pearl Forrest and Mrs. Eileen Brice, president and secretary of St. Andrew's WMS spent last weekend at Wingham attending the bi-annual conference of the Presbyterian WMS. Both ladies arrived home full of enthusiasm for the well organized conference, from the billeting of nearly 300 delegates, the delicious turkey banquet and the wonderful speaker, Mrs. Mario Degangi. Mrs. Degangi gave a powerful address, renewing the delegates and filling them with enthusiasm to return and impart to the members of their own groups.

Mrs. Forrest and Mrs. Brice were impressed with the wonderful aura of friendship that circled ladies from all across Ontario from Windsor to Montreal, since the conference covered the synods of Ottawa - Montreal - Toronto - Kingston and London - Hamilton.

While there they met Mrs. Charles Bowman, wife of their past minister, Mrs. Dora Snider from Aurora, Mrs. Jean Constable from Woodbridge and even Mrs. J. Maine from Kingston who had billeted Rev. B. F. Andrew in Kingston at his last conference there.

Concluding a most successful season the Pioneer Bowling League enjoyed a banquet of roast beef and everything that goes with it at the United Church April 21. Forty members and guests were present to applaud the winners of the Milt Palmer Trophy to the team seen above. Left to right are Clarence Brown, Ted Smart, Captain Jack Gooderham and Chief Myers, Barney Bryan, the fifth team member was unavoidably absent. ## He Drank Beer Outside Hospital Awaiting Girl With Broken Nose

A 16-year-old who was drinking beer while waiting outside York Central Hospital's emergency department was fined \$25 or five days jail when he appeared in Richmond Hill Provincial Court on Thursday of last week. Robert Purves of 526 Carrville Road, Richvale, pleaded guilty to drinking underage. He was charged with drinking beer and a girl with a broken nose. While the girl was being treated the other two were drinking beer. Police were called and found beer in the car and in the trunk, Rankin said. Purves denied there was beer in the car, saying it was all carried in the trunk. Caught stealing gasoline in Vaughan Town, a Weston youth in Richmond Hill Provincial Court last week was warned he would be sent to jail if he didn't mend his ways. "Don't come back again, or you'll go to jail next time," Judge Gardhouse said. Crown Attorney Rankin said the youth admitted stealing gas several times over a period of months before being caught at 3:10 am April 25. Fined \$25 or 10 days in jail was Scott Kendall, 19, of 114 Habitant Drive, Weston. York Regional Police caught him at the property of Nissan Automobile Company of Canada Limited, 177 Snidercroft Road, Concord.

## Court News

Questioned by Provincial Judge George Gardhouse where he got the beer, the youthful Purves said he bought it at the beer store in Richmond Hill. Crown Attorney Bill Rankin told the court the incident took place at about 9:30 pm March 20, a Saturday night. Rankin said Purves drove a car to the hospital with an as-

## Seed Treatment Is Best Way To Stop Insects And Disease

Seed treatment is by far the best way to stop insects and disease, Agricultural Representative Al Wall advises this week. Seed treatment gets right to the "root" of the problem and at only an ounce or two per acre it leaves practically no residue in the soil. Even so, materials with a mercury base are being phased out this year, to be on the safe side. Corn and seed grain from most dealers come already treated with a fungicide that will handle some of the smuts, seed decay and seedling blights. But protection against insects must be done separately. For corn, a seedbox treatment with a mixture of diazoxin and lindane will stop maggots and wireworms. Corn rootworms haven't made it to York yet, so there is no need to treat for them. The first two years following sod is the time when spring grain is most likely to be hit by insects. Lindane put on the seed wet is best but drillbox powders are easier and work well if mixing is thorough, Mr. Wall advises. Seed corn will probably be infected this year since, although southern corn leaf blight didn't affect York farmers last year, it was prevalent in most areas where seed is produced. Vitaflow is a new fungicide which will destroy this infection on the seed, at a cost of about 20c per acre. Pests such as these are only a part of the risk farmers run, Mr. Wall pointed out. Bad weather, hail, early or late frost and just plain bad luck can mean disaster for anyone who puts a large part of his resources into a crop. Therefore, crop insurance should be considered. It covers all risks at a reasonable cost, he reports.

Neighborhood Notes Birthdays wishes to Helen Baker and to Vida Williamson. The community bridal shower for Barbara Park was held at the home of Carrie Read as the furnace had gone out at the church hall. After the bride and groom completed opening their many presents, a lovely lunch and social hour was enjoyed.

Barbara will be sadly missed by all the community, especially the kindergarten class at Sunday school. Barbara has been teaching those little ones for two years now. The Wedding Bands were read in the Sunday service for the first time for Barbara Park and Adolphe DiMambro.

Sorry to hear that Evelyn Cooper has been transferred from the Villa Hospital to York Central. Congratulations to Sam and Maud Meckler who upon returning from their trip through the United States greeted the arrival of a new baby grandson, a brother for Jodi and son for Brenda and Brian.

The Richvale Co-Op Nursery School, Emmanuel Church, Mackay Drive, are registering now for September. This is three mornings weekly, Tuesday, Wednesday and Thursday. Any parent may visit the school any of these days or call Wendy Dungey at 889-3041 or Sally McComb at 889-6362.

The Richmond Hill summer program this year will include Roselawn Senior Public School and Charles Howitt Public School, the charge will be \$1. per child or \$3. maximum per family. The little ones from five to seven will attend from 9:30 am to 11:30 am with the eight to 13 age group from 1:30 pm to 3:30 pm.

"The Walk for Millions" from Roselawn School was a great success with many completing the 16 mile trek. On a challenge and with good sponsoring, Verna and Bob Bain, parents of Cathie, along with Mrs. Tom Vorich, mother of Susan, completed the walk. Outside of aches and pains and blisters they had a lot of fun.

Ronnie and Peter Read performed in the piano recital in Maple and from all reports these talented youngsters did very well. Gloria Bowes is to be congratulated as their teacher.

A very lucky little boy is Lee Kleinburg Klarion. Take part in the Gymnastics competition at Woodbridge High School last Thursday. Cindy Watson, Mary Donovan, Kathy Miles, Venecia Colton and Jennifer Vieceil performed extremely well in the Novice class and gained a great deal of praise and assurance through competition at the high school level.

## Kleinburg Klarion

Some grade eight pupils who intend to attend Woodbridge High in the fall visited there on Wednesday of last week. Some open space pupils of Kleinburg Junior Public School enjoyed a day at the Ontario Science Centre as research in their work. Kleinburg Home and School Association held their meeting last Tuesday evening in Mackenzie Senior School. Speakers John Kippen and Harry Gerber pointed out that "consistency, learn not to think of discipline as punishment, earn the respect of the children."

Congratulations from all the pupils in Mackenzie Senior to these young people who walked in the "Miles for Millions" Walkathon. There were twelve who completed the 32.7 mile trek from Mackenzie Senior. They are: Lorrie Kompa, Janice Fifield, Sharon Lostchuk, Joanne Johnston, Francine Williams, Rick White, John Gillespie, Dan Connors, Stewart Adamson, Mark Ehrlich, Greg Herman, David Nicholl.

Others participating were Keith Mattson, Gordon Whitney, Barb Copithorn, Kathy Barnes, Ingrid Bauer, Lori Smithers, Cathy Neufeld, Heather McClure, Karol Visagie, Laura Wilson and Lorna McMillin.
