Town of Vaughan

NOTICE TO OWNERS AND OCCUPANTS OF LAND

WEEDS

Under the provisions of the Weed Control Act, Province of Ontario, Public Notice is hereby given to all Owners and Occupants of lands within the Town of Vaughan that, unless the noxious weeds or weed seeds on any such lands of the Municipality are destroyed by

TUESDAY, JUNE 1st, 1971

the council of the Town of Vaughan has directed J. MADILL, Weed Inspector for the said Town, to cause said noxious weeds or weed seeds to be destroyed in such manner as they may deem proper, and that the expenses incurred by the said Weed Inspector in the discharge of his duties shall be placed on the Collector's Roll of the Municipality against the respective parcels concerned and that such amounts shall be collected in the same manner as taxes under the Assessment Act.

IT IS THE PROPERTY OWNER'S RESPONSIBILITY TO KEEP THEIR LANDS FREE OF NOXIOUS WEEDS. IT IS LESS EXPENSIVE FOR YOU TO TAKE CARE OF YOUR OWN PROPERTY THAN HAVING THE TOWN DO IT.

Dated at MAPLE this 13th day of MAY,

1971. G. A. WILLIAMS

May Sale In Maple Saturday

Pictured above (left to right) Mary Lamont, Florence Evans, Pearl Forrest, Louise Cooper and Gail Cooper of Maple seem pleased with the quality of merchandise that is being donated for the "Good As New" Sale that will take place at St. Andrew's Presbyterian Church, Maple

from 10 am to noon Saturday. There is also to be a preview sale from 7:30 to 9 pm Friday, admission 25c, and offerings will include antiques, small electrical appliances, good clothing and household items of every description.

Single 15c Fare Keele Buses

Two readings were given a bylaw to provide bus transportation on Keele Street between Steeles Avenue and the north limit of the CNR property on Keele Street, by Vaughan Town Council May 3. The TTC will be operating the ser-

vice for the town. A single fare of 15¢ (adults and scholars 15¢, children 10¢ or one ticket valued at 6 for 50¢) will be charged and the service will be used by CNR employees, it was reported.

Expected deficit will be \$24,000 resulting in an area assessment of .398 mills. It was pointed out that the advantage of this would

be that no change or further application to the OMB will be necessary with future development on Keele Street north of the Langstaff Road. This proposal would result in the overall area charge increasing from .124 to .235 mills and the annual cost on an assessment of \$20,000 from \$2.48 to \$4.70.

The bylaw providing for this expected deficit will now go to the OMB for its approval before it is given third and final reading.

Vaughan Council Takes Care Woodbridge People

Village of Woodbridge will see some of the advantages of belonging to a larger municipality under regional government this year from measures approved by the Town of Vaughan Council at its May 3 meet-

Capital expenditure of \$10,000 was approved for the former village library, thus benefitting the reading public.

The village tennis players will also benefit. For a number of years the Woodcated on lands owned by the CPR. Until 1966 the land was leased directly to the tennis club but in that year the railroad insisted the lease be with the municipality. A five year lease, which expired April 30 this vear, was executed at an annual rental of \$25 plus all realty taxes and assessments. The tennis club paid the cost to the muni- lights, proper placement of cipality and looked after

Residents of the former charges. The new lease will carry an annual rental of \$100 and will be on an annual basis with a 60-day

termination clause. Considering the fact that the tennis courts in Maple and Thornhill are located on municipally owned lands with no charge to the clubs using them, with the municipality paying for the water and hydro, and the clubs for maintenance, council believed the same policy should apply to

Woodbridge. Lighting for the baseball diamonds located in Woodbridge and Thornhill parks will also be considered. It is estimated by the applicants that adequate lighting at Woodbridge will cost \$12,000 and at Thornhill \$6,500.

Vaughan Hydro will be asked to prepare a report and recommendation on the availability of a power supply, type and wattage of poles and an estimate of all maintenance and hydro cost in each case.
