Retiring Principal Roy McWhirter Taught 44 Years

Retiring Principal Roy McWhirter, (right) shares his appreciation of his pupils' sketches of him with President William Munroe of the Ross Doan Home and School, Richvale, at a farewell reception held June 17 in Ross Doan School. Artists were Jennifer Marko, Bonnie Dawson and Carolyn Egan.

Expressing appreciation of Mr. McWhirter's services as teacher and principal in this area at the two-hour reception, were Superintendent of Schools John Kippen, York County Area 3 Superintendent Douglas Adams, Trustee Warren Bailie, Special Education Consultant Mrs. Marjorie Boggs, Superintendent of Schools Russell MacDonald of Area 4, Superintendent of York County Separate School Board Joseph Hodge, President William Moore of the Ross Doan Home and School Association, the host group, and Principal Roy Robson of the George Bailey School in Maple, a former pupil. Each reminisced about his association with Mr. McWhirter to the enjoyment of the guest of honor and all in attendance.

Mr. McWhirter, who lives on Pemberton Avenue in Willowdale, graduated from North Bay Normal School in 1927. He came to York County in 1951 as the principal of the then two-room school at Concord. When he left there in 1964 to take over the principalship of the Ross Doan School, it had grown to six rooms.

Before that he had taught for a year in North York and in Oshawa and Pickering and for two years in Markham Township. One of his grade 5 pupils at the Hagerman's School in that township was Mr. Robson.

Mrs. McWhirter taught in Richmond Hill for several years and retired a year ago.

Please, drivers, remember to watch out for children on the roads all summer and drive with caution.

A large number of young swimmers are taking advantage of the Kleinburg Park. However, I would like to warn all parents they are still liable to run into trouble like cut feet, so I advise parents to be on hand every time the children go to the park.

Congratulations to Miss Nancy Whetstone, who received honors in grade 4 piano exam at the Toronto Conservatory of Music recently.

Would you believe I had 268 iris blooms out on Tuesday?

Many thanks to all who provided baking for the Guide and Brownie LA booth at the Kleinburg Rotary Auction. It looked to be a very successful day in every way. Results to follow later.

NOTICE TO THE PUBLIC Re: Transportation Area TOWN OF VAUGHAN

The Corporation of the Town of Vaughan has entered into agreements with the Toronto Transit Commission dated June 23rd, 1969, April 6th, 1971 and January 6th, 1971, whereby the T.T.C. will operate motor bus services from Steeles Avenue northerly on Islington Avenue, Keele Street and Yonge Street respectively. Under The Municipality of Metropolitan Toronto Act the Town may, with the approval of the Ontario Municipal Board, create an area and charge any deficit or credit any surplus against the rateable property in the area. Since these will be purely local services, Council does not feel the deficit, if any, should be charged to the Municipality as a whole.

It is anticipated that the Islington Avenue service will operate at a deficit which would require a levy in that area of 1/2 of a mill, the Keele Street service would require a levy in that area of 1/2 of a mill and the Yonge Street service would require a levy in that area of 1/25 of a mill. The Department of Municipal Affairs has requested municipalities to have as few area charges as possible and in view of the small amounts involved and the resultant savings in administration costs, the Council has decided to create one transportation area. The proposed area is described as follows:

- The lands situate in the Town of Vaughan being Lots 26 to 35 inclusive in Concession 1 of the Township of Vaughan or more particularly all the lands within an area bounded on the south by the northerly limit of Steeles Avenue, on the west by the easterly limit of Bathurst Street, on the north by the southerly boundary of King's Highway No. 7 and on the east by the westerly limit of Yonge Street.
- Firstly:**
The lands situate in the Fourth Concession of the Township of Vaughan being the easterly halves of Lots 6 to 9 inclusive.
- Secondly:**
The lands situate in the Fourth Concession of the Township of Vaughan being those parts of Lots 10 and 11 bounded on the east by Keele Street and on the west by the westerly limit of the Canadian National Railway lands.
- Thirdly:**
The lands situate in the Fourth Concession of the Township of Vaughan being those parts of Lots 12 and 13 and the south half of Lot 14, bounded on the east by a line parallel to the westerly limit of Keele Street and 800' westerly therefrom and on the west by the westerly limit of the Canadian National Railway lands.
- Fourthly:**
The lands situate in the Third Concession of the Township of Vaughan being those parts of Lots 7 to 10 inclusive bounded on the west by Keele Street, on the north by the northerly limit of Lot 10, on the east by the westerly limit of the Canadian National Railway right-of-way and on the south by the south limit of Lot 7.
- Fifthly:**
The lands situate in the Third Concession of the Township of Vaughan being that part of Lot 6 lying to the west of the Canadian National Railway right-of-way and to the north of Provincial Highway No. 7.
- Sixthly:**
The easterly 2400' of Lots 2, 3, 4, 5 and 6 in the Fourth Concession of the Township of Vaughan bounded on the south by the Canadian National Railway right-of-way and on the north by Provincial Highway No. 7.
- Seventhly:**
The westerly 950' of Lots 2 and 3 in the Third Concession of the Township of Vaughan bounded on the south by the Canadian National Railway right-of-way and on the north by the north limit of said Lot 3.

3. The lands situate in the Town of Vaughan being Lots 1 to 10 inclusive, Concession 7 of the Township of Vaughan and including all of the former Village of Woodbridge or more particularly, all the lands within an area bounded on the south by the southerly limit of Lot 1, Concession 7, on the west by the easterly limit of the road allowance between Concessions 7 and 8 lying to the north and south of the former Village of Woodbridge and the westerly limit of the former Village of Woodbridge, on the north by the northerly limit of Lot 10, Concession 7, and on the east by the westerly limit of the road allowance between Concessions 6 and 7.

The total assessment of the rateable property in the proposed area is \$135,194,201.00 and it has been estimated that the system will, under present conditions, operate at a deficit and that the portion charged to the Town will be approximately \$31,750.00 per year. This will mean that the owner of a property in the area assessed at \$20,000.00 would be charged \$4.70 per annum. In view of anticipated development in these areas, the revenue should be increased substantially within the next few years which would reduce or eliminate the levy.

Take notice that in the event you wish to object to the approval by the Ontario Municipal Board of the proposed area, you should mail or deliver a notice in writing to the Clerk at the Municipal Offices in Maple prior to July 23rd, 1971.

Dated at the Town of Vaughan this 28th day of June, 1971.

F. G. Jackman,
Clerk,
Town of Vaughan,
Maple, Ontario.

LOOKING AROUND

IN THE VILLAGE OF MAPLE

In the last two years that we have been writing this column we have greatly enjoyed the contact with all members of our community, but there have been times of deep sadness too, when we have extended the condolences of our residents to those who have lost a loved one.

This week we wish to express deep and sincere sympathy to the friends and family of Mrs. Kenneth Kerrigan, recently of 5110 Bay Street, Maple, who has been living in Willowdale for the past two years. Margaret Anne passed away last Thursday after a lengthy illness. She leaves her husband, Ken, son Bill of Toronto and daughter Nancy, Mrs. Chris Button, also living in Toronto.

Mrs. Kerrigan rested at the Jerrett Funeral Parlor in Willowdale, with the service at 12 pm June 26, interment in the Maple Cemetery.

We must apologize for the brevity of the Maple column this week, but with the telephone out of order when this was written as a result of Friday's electrical storm, your correspondent is like a wagon without a wheel.

Heartily get well wishes to all those in Maple who are ill, including the many children who have been very sick with good old-fashioned measles. We understand that there have been as many as 15 children in some school grades away with this illness. We would also like to extend get well wishes to Ross Robson of Richmond Street, who has been confined with pneumonia.

There has been a type of flu making the rounds as well, catching up with many, including Mrs. Bruce Thurston and the family of your correspondent. We do hope that all the illnesses will be cleared away by now, and that all our readers will enjoy a happy, healthy and safe holiday.

We, somehow, got credit for the name attached to the junior girls baseball team, the Maple Mighty Mites, in last week's column. Although the name suits and will likely stick, we must confess that it came from the pen of Al Taylor. The girls, last Thursday evening, went to Oak Ridges for a return game with the team they had beaten the week before. The score was reversed, however, with Oak Ridges coming out on top for various reasons. Bruce Thurston was particularly proud of his girls, though as they took a thorough trouncing, but came away smiling. Bruce is working

hard with these girls, and is trying to organize a small league with other teams from surrounding areas.

Senior Citizens

Monday, June 28, was the last regular meeting of the current season for the Maple Seniors.

Meetings will begin again in September, the first Monday following the Labor Day holiday, September 13.

During the summer, however, two outings, by bus, are being planned. The first, July 20, will be a day at Ontario Place. In spite of all the criticism levelled at the new project, we feel that there is a great deal to be enjoyed there, and that they will enjoy their visit. Watch this column for further details.

The second trip of the summer is planned for August and will likely be Niagara Falls.

The Golden Age Group of Alliston has invited the members of the local club who entertain, to visit them on September 20 and provide entertainment for that day, and our group has accepted. Further plans for this visit will appear in this column as well.

On June 21 and 22 of this month 46 seniors, Mrs. Leila Hynd RN, and your correspondent, thoroughly enjoyed an overnight trip to Gananoque and the Thousand Islands.

We feel quite justified in reporting that each and every one enjoyed the trip thanks to the ideal weather, the smooth way in which all our plans and organization worked out, to the Travelways bus driver, Frank Dale, whose help and advice was invaluable, and last but not least to the impromptu entertainment committee. Mrs. Pearl Brown and "Friends"!

Although only 24 of the group were actually Maple members, their friends from King City, Kleinburg, Lasky, Richmond Hill and Toronto joined in the fun and proved to be most congenial.

Presbyterian Church

On June 16, the ladies of St. Andrew's WA-WMS met at the home of Mrs. Jean Miller, Keele Street North. Unfortunately very few members were present, due mostly to sickness.

Sunday, June 20, members of the Sunday school joined the congregation for their annual award Sunday.

With Superintendent Mrs. Louise Cooper, the teachers of each class presented pins and awards to their children.

In the nursery and kindergarten class, Gail Cooper and Sandra Sutherland presented a gold pin and a 2nd year wreath to Melody Shears for two years perfect attendance.

Scott Elson and Arun Bajaj received gold pins for two years with no more than two Sundays missing.

Bruce Plunkett received his gold pin for first year perfect attendance. Leslie Grosse and Alison Creighton received second year silver pins and Kirk Ivens and Andrew Carter re-

ceived awards for faithful attendance.

In the grades 1 and 2 class, Gary Forrest presented suitable awards to Blair Ivens and Mark Fortin for good attendance. Rosemary Brice presented the awards to her grade 3 youngsters. Valerie Stephenson received a gold pin and wreath for two years perfect attendance and a 6 year bar for as many years at Sunday school. Kellie Hudson and Gordon Cooper received gold pins and wreaths for five years attendance. David Plunkett received the two year gold pin and wreath for two years perfect attendance.

Scott Wright received a second year gold pin for missing no more than 2 Sundays.

Jamie Carter, Lindsay Creighton and David Grosse received second year silver pins for missing no more than four Sundays. Michelle Fortin and Kim McCallum received awards for faithful attendance.

Mrs. Linda Hudson presented Neal Langeman of the grade four class with his gold pin and five year wreath. Brenda Grosse and Dougie Hay with awards for good attendance.

Mrs. Louise Cooper's grade five class was presented with their pins with Cheryl Cooper and Lisa Hudson receiving five year pins and wreaths. Billy Carter receiving a second year silver pin and Heather Lamont an award for good attendance.

David Langeman presented Larry Cooper with a gold pin and six year award, Robbie Hudson with a gold pin and five year award, Chris Plunkett with a gold pin and wreath for second year perfect attendance and David Sutherland received his second year silver pin.

Donald Stephenson, who was away with the Scouts, had earned his gold pin, wreath and seven year bar.

Brian Bromfield, Brian Hay, Karen Evens and Rick McCallum were given awards for good attendance.

Special Awards were given to three of the children in the nursery and kindergarten for memory work. Melody Shears, Arun Bajaj and Scott Elson each received Bibles.

Cheryl Cooper earned the merit pin for bringing guests to Sunday school.

Mrs. Cooper extended sincere thanks to all who had helped during the year in the Sunday school, including the teachers and those who had acted as supply teachers, and Rev. B. F. Andrew added his thanks on behalf of the parents and congregation to those who work with the young people and children in the church.

On June 24, the congregation and children of the Sunday school gathered at Boyd Park for the annual congregational picnic. With ideal weather and a good turnout as well as the usual delicious pot luck picnic,

the evening was enjoyed by all. Before the children and the young people began the program of races and games, a gift was presented to Linda Ingram and her fiancée Paul McGuire, from the congregation. Linda and Paul were happy with their new cuckoo clock for their new home.

Sunday, June 20, Mr. and Mrs. Ted Smart of Jackson Street were honored at a surprise 40th anniversary party at their cottage at Cedar Harbor on Lake Simcoe. Thirty friends gathered to help Lil and Ted celebrate their anniversary.

On Sunday their nephew, Bob Smart entertained them at a family party on McNicholl Avenue in Toronto. Congratulations to them both!

We have received the new GO bus schedules and would like to pass on to our readers the information we found there, as well as the fact that the new bus service here has been well received, and is being used by many commuters as well as a great many casual travellers.

Although most of our readers are aware that we have buses going in to Toronto at 7:12, 7:57 and 9:37 am and 2:37 pm weekdays, we wonder how many are aware that the daily 9:37 am bus stops at the door of Kresge's at Yorkdale Shopping Plaza at 9:55. It is not well known either, that a GO bus goes to Ontario Place on Saturdays.

Sundays and holidays, leaving Maple at 10:17 am and returning from Ontario Place at 7:30 pm and arriving home at 8:08 pm.

For further information on bus schedules and routes as well as charges, our readers should feel free to call 920-0020.
