

Miss Mary Lenton, daughter of Mr. and Mrs. Norman Lenton of Weldrick Road has been feted at many parties prior to her marriage to George Borthwick on August 28 at St. Mary's Anglican Church.

Entertaining at showers were Mrs. Clarence Greenfield and Mrs. James Craigie who held a kitchen and bathroom presentation shower; Mrs. J. Litterer and Mrs. H. Richardson hosted a tea and presentation shower; Mrs. Brian Melville held a miscellaneous shower, and Mrs. Richard James and Mrs. John James co-hosted a linen shower.

Fellow members of St. Mary's Anglican Church choir presented Mary with a set of silver spoons handcrafted by local silversmith, Doug Boyd, and her office associates at Robert Simpsons made a presentation of Royal Doulton dishes and a figurine.

Mary and her fiancé were the guests of honor at a cocktail and dinner party held by the groom's parents, Mr. and Mrs. Hugh Borthwick of Mississauga and at a cocktail party given by his brother and his wife, Mr. and Mrs. Donald Borthwick of Islington.

Mary, who attended Richmond Hill High School, has been employed for the past seven years in the internal audit department of Robert Simpsons and George is employed by Munro Fastenings in Toronto.

Richmond Hill Busy Bees (NCHA) pancake breakfast campout at Council Park, Carlisle, held July 30 to August 2.

On the Saturday evening, NCHA Field Directors Bob and Marion Houghton presented the club with its charter recognizing them as a registered chapter of the NCHA.

During the weekend several campers visited Dundurn Castle in Hamilton and the African Lion Safari at Rockton, both trips being enjoyed by all.

The highlight of the campout was the delicious pancake breakfast served by the York Pioneers on Sunday morning.

The Busy Bees are planning another campout at Innisfil Township Park from September 3 to 6 to celebrate the presentation of their charter.

Plans have been made for a corn and wiener roast, a trip to Wasaga Zoological Park and the caves and Blue Mountain Pottery at Collingwood.

Anyone interested in joining the Busy Bees on the next trip is asked to call Pat Taylor at 884-8353.

A former Richmond Hill man, Daniel Cillis of Ottawa, is national chairman of a coast-to-coast committee set up to arrange the travels of Canada's National Pilgrim Virgin.

This is a statue of the Virgin Mary called Our Lady of the Rosary of Fatima, one of 70 identical statues blessed by Pope Paul and sent by the Bishop of Fatima to 70 countries.

Hand-carved in Portugal, with features delicately painted and brown crystal eyes, wearing a crown of gold and jewels, the statue depicts Our Lady of the Rosary of Fatima as she appeared to three shepherd children in 1917 in Fatima, Portugal.

She promised peace to the world and conversion of Russia on condition that the world return to prayer and worship of God. The alternative offered was war, revolutions, anarchy.

The image travels from diocese to diocese at the invitation of bishops. It then moves from church to church in the diocese.

According to Mr. Cillis, "miraculous happenings have often accompanied the travels of the Pilgrim Virgins in other countries."

Mr. Cillis is president of his own Ottawa firm of management consultants. His wife, is the former Anne McGinn of Toronto and they have four daughters.

R. H. Senior Citizens Bowling will commence for senior citizens at 2 pm on September 3.

New members wishing to join are asked to call Jack Sheahan at 884-7375.

Congratulations to the grand old man of Richmond Hill — Wesley Middleton of Markham Road — who celebrated a birthday last Friday, August 6.

A resident of Richmond Hill for half a century, Mr. Middleton served over 25 years on Richmond Hill Town Council, retiring in 1955.

He enjoys excellent health and is an active member of the Richmond Hill Presbyterian Church, singing regularly in the church choir.

Mr. and Mrs. Jack Vandermaas and children, Peter, Betty and Lorraine, of Trayborn Drive, accompanied by a nephew, Herman Jacobs of Amsterdam, Holland, have returned from a camping holiday to the west coast.

Travelling via the Trans-Canada Highway, they saw the last day of the Calgary Stampede, took in the sights of Banff and enjoyed a swim in the hot springs then continued westwards to Vancouver, where they spent two days with Mr. and Mrs. John Vanderwel at their home in Richmond.

They returned through the States, the highlights being Yellowstone National Park, Mount Rushmore, the Coulee Dam and the Badlands, and spent the last two days of their holiday camping at Killbear, north of Parry Sound.

Mr. and Mrs. Fred Palmer of Herne Bay, England, leave for home this Thursday with their first trip to Canada, starting with the courtesy extended to them on the plane by Air Canada crew, the hospitality of their hosts, Mr. and Mrs. Arthur Duncan (Mr. Palmer's niece) of Trayborn Drive and the many kindnesses they have received from everyone they have met during their six week stay in Richmond Hill.

They have visited many places of interest including Black Creek Pioneer Village, the McLaughlin Planetarium and Casa Loma in Toronto, Yorkdale Shopping Centre, Ontario Place, Niagara Falls and Stouffville Market and have picnicked at Woodbridge, Swiss Chalet Park, Greenwood and Sibbalds Point and spent two wonderful days sightseeing in Toronto, which, according to Mr. Palmer "is the greatest."

Also included in their itinerary was a most interesting visit to Mr. Duncan's place of business — Garrett Manufacturing Limited in Rexdale. Jim Bain, also a member of the firm, is a former player for the Chelsea Football Club and a friend of Mr. Palmer for many years. He and his wife, who live in Rexdale, visited the Palmers in Richmond Hill during their stay and spent a very pleasant evening reminiscing over old times.

Others who have contributed to the enjoyment of their holiday are Mrs. Palmer's sister-in-law, Mrs. Temple Dickens of Toronto and Mrs. Violet Hollowell, originally from London, England, who has entertained them on many occasions at her home on Hunt Avenue. She also presented Mrs. Palmer with a farewell gift and a note including the instructions "to be opened on your arrival home" which will be among the many treasured mementoes of Canada in the Palmer's luggage.

Mr. and Mrs. Palmer have endeared themselves to many people in the Hill and they, along with Mr. and Mrs. Arthur Duncan and family, wish them bon voyage and happy landings and look forward to their next trip to Canada.

Mr. and Mrs. John Harold and their daughter, Susanna, of Lillian Street, returned home on Saturday evening from a delightful week holiday at a cottage near Coburne.

Many happy hours were spent on the beach, swimming and sunbathing, and visiting Presqu'ile Park.

This week, Susanna, accompanied by a friend, Christine Budden, are spending several days with her grandparents, Mr. and Mrs. John A. Harold at their home in Paris, Ontario.

John H. Passmore of Jefferson, professor of outdoor education, a newly created position at the Ontario College of Education, was in charge of the four-week Outdoor and Conservation Education Course held at the Clarendon Centre in Pickering Township.

Over 20 teachers in elementary and high schools in the province and beyond attended the course, which is in its third year of operation.

The first week they learned about the place, and the kind of studies they could pursue out in the wooded areas and rolling meadows of this 400-acre area. The last two weeks were spent at the Albion Hills northwest of Toronto, to enable them to see more than one area.

This is the only residential course OCE offers in outdoor education and Mr. Passmore paid tribute to the Metropolitan Toronto and Region Conservation Authority for its co-operation and the tremendous resources that have been made available.

Mrs. Keith Hodge of Woodlane entertained at a miscellaneous shower in honor of Miss Claudia Mueller of Waterloo, whose marriage to David Rintoul of Richmond Hill takes place on September 4.

The bride-elect was presented with a corsage of roses and escorted to a decorated chair, over which was hanging a pink and lilac umbrella. Corsages of pansies were also pinned on the two mothers.

Dainty little Miss Crystal Hodge, in pink, wheeled in a decorated bundle buggy, which was also a gift, and filled with gaily-wrapped packages. These contained many lovely and useful gifts for which the bride-elect expressed sincere thanks and appreciation.

A buffet lunch was served from a table covered with a hand-crocheted table cover, pink tapers, and in the centre, the piece de resistance, was a beautiful shower cake made by the hostess, in the shape of interlocking wedding rings, iced in pink and decorated with tiny rosettes and silver drags.

A "flower" game was played and won by Mrs. A. Hester, and the winner of the lucky cup was Miss Jo-Anne Racette of Montreal.

Mrs. D. G. Brundage.

As one of their many fund raising projects, members of the Pleasantville Branch of the YCHA are selling tickets for the Yorkdale Merchants Association's Fashion Show being held next month.

Exciting fall fashions will be featured, along with other attractions, and tickets are available from the branch for two showings — the afternoon of September 16 and the evening of the 17th.

These may be obtained by calling Dorothy Turner at 884-3869.

Mr. and Mrs. Cam Smith and sons, Brian and Michael, of Mill Street returned last week from a three-week vacation in Nova Scotia.

Staying with Mr. Smith's brother and family, Mr. and Mrs. Erwin Smith and children, Ann Patricia, Jennifer, Billy and Roberta, in Glace Bay, they visited his mother, Mrs. Philip Smith in Sydney and spent two days at Prince Edward Island.

Mr. Smith is the general manager of the local branch of the Bank of Nova Scotia on Yonge Street South.

Weekend visitors at the home of Mr. and Mrs. George Suffidy of Allencourt were their son and his wife, Captain and Mrs. George Suffidy and daughter, Linda, from Norfolk, Virginia.

Other visitors were their daughters, Miss Sandra Suffidy of Toronto, Mrs. Bob Janessen of Georgetown and Mr. Janessen.

Captain Suffidy, who has spent the past three years in Norfolk, has been transferred to Ottawa, giving his parents the opportunity of a family get-together — the first in four years.

The Summer Flower Show and Ice Cream Social, under the auspices of the Richmond Hill Horticultural Society, to be held August 17 at 8:45 pm (note change of time due to judging), promises to be an outstanding show — with a profusion of midsummer flowers in brilliant colors making a glorious spectacle.

An added attraction will be harmonious "old time" music on piano and fiddle — with artists, Mrs. Elsie Patton and Stan Leno.

Mr. and Mrs. Mack Clement have returned to their home on Mill Street following a delightful vacation in Jamaica.

Travelling by Air Canada they stayed at the Half Moon Hotel in Montego Bay and enjoyed a relaxing two weeks in ideal weather, with temperatures in the middle 80's, ideal for swimming, sunbathing and rafting.

Side trips were taken to Ocho Rios and the famous Dunn's River Falls, which cascades down from high in the mountains and splashes into the sea.

The recent shortage of blood in Metro which caused postponement of some major surgery, should be of grave concern to residents of this area, since Toronto is the source of supply for all the local hospitals.

You will be able to ensure that there is sufficient blood for operations or treatment of accident victims by making your donation at the Red Cross Blood Donors Clinic scheduled for August 26 from 2 to 4 pm and 6 to 9 pm at the Lions Hall, Centre Street East.

The person needing blood could be you or a member of your family. Make certain that blood is available by going along, with your family and friends, to the August 26 clinic.

Estelle Markham, ARCT, RMT, will be attending a piano teachers' workshop next week in New Jersey, to explore a new approach to the teaching of beginners.

This method has been developed in the United States with amazing results, one of which being the ability of three and four-year-olds to play with great ease and facility and to read music before they even go to school. Beginners of all ages are able to read quickly and easily and play satisfying music from the very first lesson. This works equally well with classes and individual lessons and the two are combined usually so that the students have the stimulation of class work as well as the individual attention of a private lesson.

Mrs. Markham, who is setting up classes now, will have more information after the course next week.

An interesting and exciting year is in store for all students, both old and new, who embark on this new program.

What's Cooking?

Almost everyone has a special dish which family or friends enjoy — why not share the recipe with our readers, be it main course, dessert or snack? Each week one will be published in this column — how about yours?

PEACH MARSHMALLOW REFRIGERATOR DESSERT

1 tbsp. plain gelatine
1/4 cup cold water
3/4 cup butter, softened
1 cup powdered fruit sugar
2 eggs, separated
1/2 lb. marshmallows, small pieces

4 cups sliced peaches, fresh
2 cups cookie crumbs, Graham or vanilla wafers

Soften gelatine in cold water for five minutes. Mix butter, sugar and egg yolks together in a small saucepan. Cook over low heat, stirring constantly until thickened. Remove from heat, add gelatine and stir until dissolved. Cool slightly, add marshmallows, blend lightly and chill until mixture begins to thicken. Fold in sliced peaches and beaten egg whites. Arrange alternate layers of cookie crumbs and peach filling in a mold, beginning and ending with cookie crumbs. Chill until firm, unmold and serve with or without whipped cream.

Mrs. D. G. Brundage.

Mr. and Mrs. Otto Whalen of Lucas Street spent the month of July at their farm at Port Royal on the Annapolis River in Nova Scotia.

The Whalens, who have had the farm for four years, enjoyed complete relaxation, spending many happy hours touring, sightseeing and picnicking in perfect holiday weather.

They also visited former Richmond Hill residents, Mr. and Mrs. Stan Tinker, now living in the Annapolis Valley.

Dr. Harold Melsness, Mrs. Melsness and their two daughters, Gail and Susie, of Windhurst Gate have returned from a very enjoyable cottage holiday at South Lake, near Minden.

This is the second holiday for the family this year — Mrs. Melsness was a grand award winner of a trip to the Caribbean in a contest sponsored by CFTR Radio Station, and at Easter, with her husband and daughters spent two wonderful weeks at Sunset Crest Village in Barbados.

Mr. and Mrs. George Suffidy of Allencourt were their son and his wife, Captain and Mrs. George Suffidy and daughter, Linda, from Norfolk, Virginia.

Other visitors were their daughters, Miss Sandra Suffidy of Toronto, Mrs. Bob Janessen of Georgetown and Mr. Janessen.

Captain Suffidy, who has spent the past three years in Norfolk, has been transferred to Ottawa, giving his parents the opportunity of a family get-together — the first in four years.

The Summer Flower Show and Ice Cream Social, under the auspices of the Richmond Hill Horticultural Society, to be held August 17 at 8:45 pm (note change of time due to judging), promises to be an outstanding show — with a profusion of midsummer flowers in brilliant colors making a glorious spectacle.

Celebrates 60th Wedding Anniversary

A family party was held July 10 to honor Mr. and Mrs. Julius Ryce, Dufferin Street, on their 60th wedding anniversary. The 60 guests included all the Ryces' children, six daughters and five sons, with their husbands and wives and 30 grandchildren who came from British Columbia, Alberta, Saskatchewan and Ontario. Only five grandchildren were unable to attend the gala event in the Lions Hall, and other family gatherings.

Mr. and Mrs. Ryce, who have lived in Richmond Hill for the past three years, are former residents of North Battleford, Saskatchewan. Mrs. Ben Thompson and Mrs. Harold Ground are their daughters.

In the picture above, the happy couple are cutting the beautifully decorated anniversary cake.

If you have guests from out-of-town or abroad staying with you, or have recently visited relatives or friends in faraway places, why not let us know so we may include their names and news of your travels in "Life in the Hill" columns?

Our readers like to read of your activities and your guests or hosts may enjoy seeing a write-up in the paper as a keepsake.

The service is free — either call or write the Social Editor Margot Crack at 884-1105/6 or drop a line to 63 Yonge Street South — we'd be pleased to hear from you.

"A TEXT-BOOK FOR VICTORY"

"Social Dynamics", by Eric D. Butler, has recently been described as "a text-book for victory, a work which is clearly based upon a lifetime of experience, which gives the student of these notes a coherent picture covering philosophy, economics, finance, constitutionalism and realistic political action". For those who wish to equip themselves effectively as Social Engineers, this work is indeed most essential. Order from "Social Dynamics", Box 233, Willowdale, Ontario. Price \$1.00.
