

**Apartments Ready Senior Citizens**

Senior Citizens from the Town of Vaughan have begun moving into the 32 units recently completed in the former Village of Woodbridge. All prospective residents have been notified the building is ready for occupation and will be moving in over a three month period. The suites in the two storey building consist of a living room, kitchen and bedroom, ample cupboard and closet space, stove and refrigerator and will rent for as low as \$37 for those single people or couples whose income is \$200 a month or less. Over \$200 the rental fee will be geared to income. Total cost of the building was \$283,680 with the cost of land bringing the figure to \$319,520.

OPP CONSTABLE ALLAN QUINN

**Exeter Posting**

After successful completion of the recruit orientation course, Ontario Provincial Police Constable Allan Quinn graduated recently from the OPP College in Toronto and has been posted to the Exeter Detachment in the Mount Forest District. Exeter is located in Huron County and is only about 10 miles from the popular Lake Huron resort of Grand Bend. It is also in close proximity to the industrial complex established in the buildings of the former Centralia RCAF Training Centre.

A native of Dunbarton, Constable Quinn is the son of James and Dorothy Quinn, and is a graduate of King City Secondary School. He and his wife Nancy have been living at RR 2, Gormley.

**Grade 13 Textbooks Bayview Secondary**

For the second season, a grade 13 book service will be operating in Bayview Secondary School beginning August 16. The student operators of the service have grade 13 book lists from eight regional secondary schools which will share in the profits from sale of new and used textbooks.

The students point out that there is no retail outlet for grade 13 books from Metro to Newmarket. Since they have purchased the initial stock of 4,298 books from publishers through the school, they will be able to sell them at a lower price than commercial book sellers they say.

They will also be buying second hand books in good condition from grade 13 graduates and expect a turnover of about 6,000 books before the schools open on September 7. Books are loaned up to grade 13, but these students must buy their own.

The service is being operated by two Bayview Graduates, Brian Gentles, who will be starting a mathematics course at the University of Waterloo in September, and Maarten Heilbron, a second year student in radio and television arts at Ryerson Polytechnical Institute in Metro. From August 16 to 20 the book centre will be open from noon to 4 pm. From August 23 to 31 (excluding Saturday and Sunday) it will be open from 9 am to 4 pm, and on September 1, 2 and 3 it will be open from noon to 4 pm and from 7 to 9 pm.
