## Thornhill Area Sports

Feeling a bit far removed from the softball scene, this reporting will be tackled before our morning swim. Even as far north as Sundridge, softball jerseys abound, and a "Fastball" game is advertised for tonight. The following reports are for games the week of August 9. The next week will be up-to-date and include two weeks' games.

**JUNIOR GIRLS**  
As far as the information received here, the junior girls are all two games behind because of being rained out July 5, and July 26.

**Thornhill Music School 27**  
**Thornhill Paint 23**  
Bonnie Spierans' Thornhill Music School has sewed up first place in the junior girls' division, by edging Bob Nykors' Thornhill Paint 27-23.

The Painters were ahead 10-9 at the bottom of the second inning. Cathy Webb homered in the first, Ellen Syabo in the second. The third and fourth innings went to the Musicians, with a pair of home runs by Claire Bodaert, Kathy Rae's second homer, and a double. Mary Warren followed Bev Bennett around the bases.

The blue Painters made a come-back in the final fifth inning. Carole Wilshire starting and ending the inning with a home run each time at bat. Linda Ewing sparked the final inning play with a home run, too.

The Musicians in green and yellow had other good hitters. Wendy Rae tripled, doubled and singled, as did Susie Branstair, and Susan Carter. Virginia Paul doubled, and singled twice. Jocelyne Beauvais got five hits for the Painters. Carol Jennings, Mandy Beale and Joanne Davis got three hits each.

**Thornhill Alley Cats 19**  
**Keffer Real Estate 8**

Sharon Hemstock homered for the losing yellow and blue. Kim Quigley tripled and doubled. Joanne Adams doubled and singled.

**INTERMEDIATE GIRLS**  
**Thornlea Community 6**  
**Thornhill Pet Shop 5**  
Judy McLeans' Thornlea Community edged Pat Tuck's Thornhill Pet Shop 6-5, and cannot be displaced from first place this season. At the bottom of the second inning, the game was tied 4-4, as Vicki Cole hit a home run. Three more innings saw only three girls reach home plate. Gretchen Kemsies and Susan Daniell for the white and green. Karen Skinner in yellow and red.

**Dotties Copies 10**  
**Shoppers Drug Mart 9**  
Ivor Harts' Dotties Copies went ahead 5-1 in the first two innings, for an unreachable lead, winning the game against Paul Sackfield's Shoppers Drug Mart 10-9. A last inning rally by the white and black, with a double by Cathy Keffer almost tied the game.

Sandra Harriott doubled twice for the winners. Gay Shirley doubled for the Drugists.

**SENIOR GIRLS**  
**Vanguard Pharmacy 10**  
**Ardea Floral Shop 5**  
Doug Keffer's Vanguard Pharmacy played a nice steady game to defeat Ross Lomans' Ardea Floral Shop 10-5. Pat Keffer doubled for the winning girls in green. Shirley Godsoe led off for the navy blue with a home run.

**PSA 35, Saynor Electronics 6**  
Under the steady barrage of Kathy Rikely's pitching, Al Sone's PSA trounced Julie Bookers' Saynor Electronics 35-6.

Wendy Riden, Diane Diggins, and Susan Kidwell each hit four home runs. Pitcher Rikley homered. Neila Poscutte hit a grand slam.

Marion Ritchie scored 5 times. Suzanne Suley scored four runs. Beth Reid, Cheryl Sone and Andrea Levy scored three times each.

Karen McMahon homered and singled for Saynor. Jean Cameron tripled and singled.

**BEGINNER BOYS**  
**Japan Car Sales 28, Evertune 27**

Rob Waterson tripled and doubled for York Printing. Chris Barrett, Ron Greig and Gordon Cole played well on base.

**Plaza Pontiac vs Jay-C Office Outfitters**  
This game has to be rescheduled.

To date no score sheet or information have been received on the senior boys games of August 5.

**Copper Kettle 10**  
Score sheets for this tie game are perhaps in our front door mail slot. Cameron Faulds pitched for House of Chiu. Chris McRae tripled. David Addison, Bob Alberico and Warren Butt made good hits.

Telfer Hansen was a valuable fielder and hit two home runs for Copper Kettle. Brad Kates played well at first base.

**Heritage Carpet 20**  
**Ehrlich Transport 3**  
First place Heritage Carpet easily downed Ehrlich Transport 20-3. Ross Henry doubled, singled and walked twice. Andrew Kampen hit two singles.

**Rogel Electric 14**  
**Stephenson Construction 4**  
**Thornhill Lions**  
**O.B.A. Tykes**

The following are the final standings in the York Simcoe League:

Team	W	L	T	P
Creemore	9	5	2	20
Newmarket	8	7	1	17
Thornhill	7	7	2	16
Midland	6	6	4	16
Alliston	5	10	1	11

The Thornhill Lions played the first place Creemore Tykes and defeated them for a final position, winning two straight in a best 2 out of 3 semi-finals. Thornhill trounced Creemore 9-5 in Thornhill July 31, and edged them 6-5 in Creemore August 7. The opposing team for the finals is as yet undecided.

Holidays make it difficult to field a regular team, as all ball clubs realize. Harvie Wirth has been a strong pitcher. Pete Vanhossen, Wirth, Jodi Hurlbut, Ronnie Miabe, Paul Moffat and Jamie Davidson have been Rick Bookers, Gary Geoffrey, Dan Tuckey, Bill Buckler and Al Moffat. Rich Buchan, Willie Osler and Taylor will be welcomed back from vacation.

### LANGSTAFF NEWS

**CORRESPONDENT**  
Mrs. Geoffrey Cook  
84 Garden Ave.  
Phone: 889-4553

Many thanks are due the Richmond Hill Parks and Recreation Board for the splendid playtime equipment in the park on Pearson Avenue. Children who were running out of ideas for things to do are now out there on the slide or the rocket ship, blasting off for the moon.

The Cook Family had a very enjoyable week on an island in the French River, south of Sudbury. The country there is very wild and beautiful. Many of the trees are bent toward the east, shaped by the wind and reminded us of paintings by the Group of Seven.

Janie Cook celebrated her 9th birthday on Monday with a party for a few friends.

If you are taking your children to the CNE, don't miss the free children's play in the Young Canada Building. In the morning they do "Aladdin" and in the afternoon, "Pigtails". The plays are done by the Studio Lab Players, who have done many unusual plays at their theatre downtown. The genie in "Aladdin" is a very hip character and all the children cheered him right away. When the villain appeared they told him to go the wrong way after Aladdin and helped the latter to find the princess.

We were very sorry to hear that Mrs. Joan Fitchett of Dunlop Road has entered the hospital for surgery. We sincerely hope that everything has gone well for you.

**Reminders**  
Today, August 26, is the day to give that vital gift of life, blood, at the Lions Hall, Centre Street East. The clinic is open from 2 to 4 in the afternoon and 6 to 9 in the evening. Please give!

All the newcomers to the Sixteenth Avenue Public School district are advised that the school will be opened from August 30 to September 3, 9 am to 4 pm. If you have any school age children you could register them during this week. Doing so you will help to eliminate some of the rush on the first day of school.

One of the young ladies who was helping with the trip to Centre Island from Roselawn playground was Miss Debbie Bolger, not Mrs. Debbie Bolger. Accept my apologies.

**Neighborhood Notes:**  
Birthday greetings to Jean and Joan Master, Weldrick Road, who will celebrate September 1.

Congratulations to Mr. and Mrs. Peter Falconi on the arrival of a baby daughter August 14, also to Mr. and Mrs. Jerry Stehouwer, Weldrick Road, who welcomed their new daughter August 8.

Mrs. Williamson Clark, Penton Road, accompanied by her niece Mrs. June Burman have returned home from a two week vacation to Victoria, B.C. On their way home they stopped in Sudbury and Mrs. Clark brought her granddaughter, Sharon Jensen back to Richmond Hill to spend part of her holidays here.

The wedding of Linda Nelson, daughter of Mr. Andrew Nelson, 112 Morgan Avenue, and Steve Simpkins, son of Mr. and Mrs. William Simpkins, 109 Morgan Avenue, took place on August 21 in Holy Trinity Anglican Church in Thornhill.

Officiating clergyman was Canon Reginald Howden. Sprays of gladioli stood at the front of the church.

Given in marriage by her father, the bride wore a pale blue peasant-style dress and carried a bouquet of white daisies. Maid of honor was Carol Silbenagei who wore a yellow peasant-style dress and carried a bouquet of daisies.

Groomsman was Douglas Hedges of Willowdale, a cousin of the groom.

An intimate reception at Le Gourmet Restaurant, North Toronto, followed the service, then the bride and groom left for a honeymoon in Kaladar. They will be living in Toronto.

## All Aboard! At Thornhill Library

Model railway buffs of all ages have been attracted by the display of models, railway stamps, photos of steam locomotives at Thornhill Library. The display has been loaned to the library by George Philpott of Thornhill who served as a fitter's apprentice in the dating back to 1829, Jean Bierma, 12, proudly wears an engineer's cap from the fictional Ontario Central Railway created by Mr. Philpott.

The display will be at the library until the end of the month.

## Socially Speaking In Thornhill

**Horticultural Society**  
The horticultural society are very proud of the flower show at the CNE. Not that they had anything to do with it, but Percy Bone is the director and chairman of the committee in charge. Mr. Bone belongs to our village society, is known and liked by everybody, and so there is a particular and special relationship between the flower show and our society. There are many innovations this year: a floral clock which required thirty thousand cacti in its composition. Ben Veldius of Dundas was responsible for that. There is a Japanese garden prepared by the Japanese-Canadians for this occasion. There is the gladioli show. All this week there will be baskets of seasonal flowers sent in by local horticultural societies.

Mr. Bone has a large bunch of the new delphiniums on display; delphiniums are his specialty. Of course the parks and nurseries will have their displays too. There is also a garden clinic under the auspices of the Ontario Society where all and any questions will be answered. We are proud of our Percy Bone.

**Senior Citizens**  
The senior citizens held an outing to Toronto last week. It was a great success. Weather-wise it was perfect, with a little breeze to make it more comfortable. The members travelled by chartered bus. They went for a ride through the island on the "little train". They took their own lunches and enjoyed it all immensely.

The senior citizens begin their regular fall program on the first Wednesday in September with a euchre. On the third Wednesday they will have an organized program.

**Travellers**  
The Rev. Arnold Weigle and Mrs. Weigle and family have returned from a month's vacation with a difference. They travelled with a tent trailer across to Vancouver Island and back. They took their own time, about three hundred miles driving per day. This gave plenty of opportunity for exploring the environs of their camp sites. The weather was extraordinarily good for their purpose, with no rain at all!

Mr. Weigle is very interested in geography and the natural terrain. So this trip was full of interest. The whole family are excellent campers, although the children are only five and three. It is good to have them home again safe and sound.

**Weddings**  
**Legge - Roper**  
On August 20 Marilyn Roper and Terry Legge were married in Christ the King Lutheran Church by the Rev. Alfred McAllister. The bride was attended by Mrs. Jaclyn Harrington, matron of honor, Miss Glenda Evans, Mrs. Elizabeth Berg, and Miss Sandra Dunklee. The flower girl was Jennifer Harrington.
