SQUITS
Trinity Apollos 3
St. Luke's Tigers 2
 The Trinity Apollos took an early lead in this encounter, with an unassisted goal by Michael Sherwood. Michael Bingham turned on the red light, assisted by Robbie Leuschner.
 Before the period ended, Scott Daly of the St. Luke's Tigers netted the first of his pair.
 Leuschner drew an assist from Robert Humphries to make it three for the Apollos. Fighting for each marker, Daly scored, unassisted again, to end the game, 3-2 for Trinity.

St. Edward's Cubs 1
Presbyterian Tomahawks 0
 A tight, low-scoring game went to St. Edward's as the Cubs outlasted the Presbyterian Tomahawks 1-0. Greg Smeek netted the crucial marker and Mark Greenhill marked the Cub nets.
TYKES
Presbyterian Chargers 5
St. Luke's Kings 4
 Two determined teams battled in and out for a tie position in the standings. Four times the game was tied up and then Todd McKnight, for the Chargers, netted that crucial goal.
 Rick Seely opened the St. Luke's scoring well into the first period. Eric Stephenson, on assists from Stephen Herbert and Geoff Church then set the pattern for the game.
 Seely netted his second unassisted goal, only to see Church from Herbert tie it up in less than a minute. The game remained tied most of the second period until Tim Maxwell from Joey Magnacca put the Kings ahead for a minute. That goal spurred Stephenson on for his second goal. The Chargers then went ahead on Scott Gray's tally from Ted Frost.
 Not content with an uneven count, Maxwell potted his second for St. Luke's. It looked like a tie game most of that third period until McKnight won the game for the Chargers.

Trinity Rovers 1
United Cougars 0
 Mark Wiltshire netted the single tally in the second period that won the game for the Rovers. Goalie Robert Peters gets credit for the shutout.
MINOR ATOM
Presbyterian Royals 3
Trinity Vikings 2
 With the outcome undecided until the final minute, when the Royals managed two goals, this was an impossible game to predict.

 At the annual vestry meeting the outreach target is accepted and the congregation has the privilege of designating 50% (approximately \$4,000) to specific projects.
 The advisory board has gone through the 1972 outreach project book and selected a number of projects in the diocese, in Canada and overseas. December 5 the rector will speak on "What In The World Is The Church Doing?" and the congregation will be asked to vote for two projects under each heading.
