Where players numbers have been changed weekly, some errors may have been made.

Table with columns: Name, Team, Squirts, Goals, Assists, Total. Lists players from various teams like Trinity, St. Luke's, and United.

OMHA BANTAM
Oshawa 7, Thornhill 3
The Commercial Plumbing and Heating team visited Oshawa's home grounds December 1 to face this strong Triple "A" team for an exhibition game. Although losing 7-3, the score was not indicative of the play. The final score would have been closer except for a spectacular performance by the Oshawa goalie.

Line changes made before the game and a developing strong team spirit resulted in the best team effort in weeks. Goals were scored by David Brown, Dan Fogarty and Mike Johns, with two assists for Rocky Pantelone and singles to John and Jim McLaughlin. The boys are looking forward to the return match with this team.

Thornhill 2, Richmond Hill 0
This was the boys' best game of the year and the December 4 win was due to strong fore-checking and skating. Although each boy played exceptionally well, the standouts in the game were Rocky Pantelone with two goals, one a great individual effort at the end of the game. Dino Pantelone in the net, and the entire defense combination.

With this game Thornhill has claimed three points out of a possible four against Richmond Hill in league play this year. The line of Dan Fogarty, Pantelone and Mike Johns, since being united, has been the most productive combination in recent games.

Thornhill 3, Orillia 0
The Thornhill team December 5 continued their winning ways in Orillia with a 3-0 victory in a hard-hitting scrappy game. Both teams started slowly in the first two periods and Thornhill took the lead by one goal on a tally by Rocky Pantelone.

In the third period it was all Thornhill, with goals scored by Mike Johns and Bill Sim. Dave Brown had two assists with singles to Colin Hurd and Ross Gordon. Brian Mury played goal this game in spectacular fashion and came away with a shutout.

The boys owe much of their success to date to the goalie team of Dino Pantelone and Mury with a fine 1.7 goals against average.

With this game, the team has won five, tied two and lost three for 12 out of a possible 20 league points, which is a fine start in the North York League. Keep up the good work, boys.

OMHA PEEWEES
Jamie Davidson and Scott McCarthy provided H and S Reliance with sharp goal tending, defeating Martingrove Atoms 5-0.

Carl Clutchev scored in his first game, when he banged in a pass from Rickie Booker and Scott Burkhardt. Rickie Buchanan scored when he picked the bottom right corner on a perfect pass from Rickie Booker. Hard skating Tim Coughlin capitalized on a tip-in on a perfectly executed play by David Johns. Captain Scott Burkhardt picked a hole over the goalie's top left shoulder, when he let a shot go from the blue line. The final tally came from Greg Warga, set up by Burkhardt and Howson.

Shutout goal - keeping by Scott McCarthy and Jamie Davidson November 27 led H and S Reliance to an 8-0 win over Aurora.

In the last three games, the shutout twins have allowed only one goal. They now boast a 1.9 goal per game average.

Rickie Buchanan continues his hot streak, scoring a hat trick, the first goal unassisted. Howson and Burkhardt assisting the second, and Mark Haggerty the third. Scott Howson scored two, the first goal assisted by Johns and the second by Wayne Grant. Eric Coyne scored, assisted by Ward Williamson and Robert Greiner. Scott Burkhardt rounded out the scoring, assisted by Booker and Buchanan.

An all out team effort December 3 provided H and S Reliance with its 14th straight win, as they beat Woodbridge Major Peeewe's 2-1.

The never-say-die H & S R scored the first goal as Rickie Buchanan passed to Rickie Booker, who put Scott Howson in the clear. Woodbridge tied it up moments later. The see-

saw battle continued until Rickie Buchanan slapped a pass in from Eric Coyne and Scott Howson. What a team!

Alliston 3, Thornhill 1
The bubble finally "busted" for H and S Reliance December 4 as they lost their first hockey game after winning 14 straight. Two games back-to-back, with hard-hitting major Peeewe teams slowed H and S R down as they ran out of steam in the third period, allowing Alliston to score two unanswered goals. The goal scorer for Thornhill was Greg Warga, unassisted.
