being involved in two tournaments. If they think they can't win one they pull out and try to win another. It hurts both tournaments

as far as I can see. Then they say they don't stress winning. The fellows that are responsible for this should smarten

up or grow up. I don't know if this happens locally anymore, but it's the type of thing that should be halted immediately if it does happen.

Now to get off the weighty problems? 章 章 章 章

## SOFTBALL CHATTER

It seems inevitable (and why not?) that we have to get around to softball talk even though it is very early in January of a new 1972.

Naturally, it's about Dynes Jewellers who will start their training for the World's Softball Championships tonight (Thursday) indoors (of course) at Bayview Secondary School.

I would imagine some strenuous exercise will be the order of the day especially after the holiday season of wanton eating of turkey and other sundry misadventures. They'll be going at it every week until they embark for the Philippines February 27.

One lineup change for the Jewellers will see the addition of Catcher Pierre Boivin of the Hull Volants who will replace regular Catcher Bob Shelston who will be unable to make the jaunt due to business commitments.

Why all the way to Hull to get a catcher? That's the rules. You have to pick up any imports from teams who participated in the All-Canadian.

### BALL MEETING

One more softball note: The annual meeting of the Richmond Hill Ball Association for the election of the 1972 executive will be held January 13 at the town hall council chamber. Anyone who might be interested in participating at an executive level or just participating, period, is invited to attend. It gets underway at 7:30 pm.

## BASKETBALL

Now a basketball item: Any youngsters interested in playing Saturday morning basketball this winter should contact Ed Alan at 884-6340.

Short of that be at the Don Head Secondary Gropp, Madden from Byres, Richmond Hill's Travelways McDonald AA Midgets 1 School at 9 am this Saturday morning when Ed launches his 1972 edition of the hoop game.

Ed, who referees at high school games, has been contributing his services to basketball games Saturdays for the past three or four years free of

The games, formerly held at Richmond Hill High, will now be held at Don Head. Due to the fact that there will be charges this year for janitorial service at the games the fee for each player will be \$1 registration.

There will be two segments of basketball: From 9 am to 10:30 am will be for those 16 and under and from 10:30 to 12 for those above including adults if they wish to get some exercise.
