Witchcraft somehow never made it to Thornlea, King Lutheran met on January guest speaker. All parents are Farmer's Market, Thornhill. but Africa did.

Well, not quite, but there is a book drive on for Nikolaus. African kids. The purple barrels lining the halls are just waiting for contributions of old "Nancy Drew's" and the "Hardy Boys".

Before Christmas there was a collection of toys and food for Indian children living on the Six Nations now making regular visits to Past president Mrs. Joyce Wal- regardless of where they live. Reserve near Brantford. Then the students took the home. part in selling tickets for a lottery which was to finance a special camp for diabetic children.

In spite of all this activity there are some students who feel that "school spirit" (remember, "rah-rah"), isn't all what it should be. At one grade 13 meeting earlier this year the

possibility of a senior lounge was discussed. "It will give the grade nines something to look up to". "It'll only alienate them and make them think

we're trying to be big shots". Such were the comments tossed around by what appeared to be two separate factions. In the end it all came to nothing and Thornlea stuck to its policy of ungraded equality.

Yet this feeling that the majority of students were apathetic sparked Steve Harrison, president of the student finance committee, into ararnging a panel discussion held Monday during activity period (1:30 - 2:15). Teachers and students made up the

"The main purpose of the meeting" Steve feels "is to make more students aware of the problems." By changing the social structure Steve thinks that Thornlea will revive and then the number of student clubs and activities will increase. Right now he doesn't feel that there are enough activities.

But it's all in the way that you look at it. A good football team doesn't necessarily equal great school spirit. It doesn't mean that the students are giving and getting the most they can out of high

Maybe the panel might even raise the question, "is school spirit really necessary?"

In my opinion, if a school like Thornlea is going to work, a common bond between students is necessary. And no matter what happens it will still be an experience in co-operation and working together. And isn't that what it's all about?

Thornhill Minor Peewees Consolation Champs At Don Mills

Thornhill OMHA Minor Peewees won the Consolation Championship of the annual Don Mills Atom Tournament held during the Christmas Holidays. Playing six games, they won the last four to take the championship. They lost the first two to the powerful Don Valley Leafs, which put them into the consolation series, where they downed Richmond Hill's "B's", York Mills of the MTHL, and Kitchener. Then they were paired with Scarboro Sabres of the MTHL and managed to eke out a 1-0 victory to take the championship.

The team is sponsored by H&S Reliance Limited. To recognize their big win each player received a crest and a miniature trophy along with the major trophy which is theirs to keep for one year. Goalie Jamie Davidson also had a personal triumph as he was awarded the trophy for the best goaltender in the whole

Members of the championship team are seen in the above picture with their coaching staff and both trophies. Front row (left to right): Greg Warga, Eric Coyne, Carl Clutchey, Scott Howson, Ward Williamson, Robert Greiner

and Ricky Booker. Second row: (same order) David Johns, Wayne Grant, Mark Haggerty, Scott McCarthy, Jamie Davidson (the champion goalie), Ricky Buchan, Tim Coughlin, and Captain Scott Burkart. Rear row: (same order) Assistant Coach Jim Davidson, Trainer Gary Williamson, Coach Jim Grant and Manager Jack
