Bayview Midgets Still Undefeated

Although Bayview still boasts an undefeated junior basketball team, most of the attention had to be focused on the midget team last week. They played four games in five nights and came out on top of them all.

Their current season production as of this writing stands at a very formidable 6-0 won-loss record. On Tuesday of last week the Bayview team was host here to Markham's entry in the midget division, with the result being entirely one sided in favor of Bayview.

This was my first opportunity to see the midget team in action, and I must say that I was quite impressed with what I saw.

From the very start you could tell that it was going to be Bayview's game. They completely out-classed their opponents right up until the end, with the final result being 46-16 in Bayview's favor.

The tight, hustling defence impressed me throughout the game, but it was the most evident in the first quarter.

Bayview would simply not let Markham penetrate and forced them to shoot from the outside, as they held their opponents to only 10 shots from the floor in the entire first quarter.

SUPERB BAYVIEW DEFENSE

Bayview's defense was so superb that Markham could only manage one point in the first quarter, that coming with only 55 seconds left.

Although it was mainly Bayview's strong defence which held Markham off the scoreboard, they did have some good breaks. Two or three easy layups were missed by the Markham players.

Bayview's hustle and drive also paid off in the offensive department, as they forced Markham into making a lot of errant passes and turning the ball

over quite frequently. All of this combined for a 12-1 Bayview lead at the end of the first quarter. The second quarter provided Markham with more points than the first, although they were held to even less shots from the floor in the amount of eight. Their first field goal came with only 3 1/2 minutes left in the first half.

CONCLUSIVE BY HALF

By now the Bayview squad had opened up the game to the point where it was quite obvious who was going to win. The third quarter was not all that eventful, with the exception being that again Bayview's defense held Markham to only nine shots from the floor.

With the scoreboard reading 40-10 in favor of Bayview at the conclusion of the third quarter, Coach Tim Malcolm felt confident enough of a win that he sent most of his second stringers into the lineup. Even at this, Bayview kept pace with Markham, as both teams put six points on the scoreboard.

Top scorers in the game for Bayview were Chris Montgomery with 11, Albert Munroe with nine, and Trent McCabe with eight points in the third quarter alone.

All in all it was a very entertaining game, and I highly recommend that everyone come and watch this team in action.

OTHER MIDGET GAMES

The Bayview midgets did not have all that much trouble in disposing of Don Head on Thursday of last week as they soundly defeated them 41-13.

Top scorers in this game for Bayview were Craig Davies with 10, and Chris Montgomery with eight. Also during the past week the midgets defeated their opponents from Woodbridge and Thornlea.

The Woodbridge game was particularly interesting as Bayview scored a remarkable total of over 70 points.

JUNIORS KEEP ROLLING ALONG

As I mentioned earlier, the midgets are not the only Bayview team doing very well to date. The junior team had a 4-0 record at the conclusion of last week's play.

They defeated Markham on Tuesday at Markham by the score of 51-46.

Although John Olson did not play quite as spectacularly as he had the Friday before, he did manage to score 19 points and come up with 14 rebounds. Dave Robbins also added 10 points in Bayview's winning cause.

According to Coach Mortson — Paul Jarvie played one of his better games. He hit five of eight from the line, with three of them coming in the last minute of the game. Up until that point it had been very close. But Bayview scored five points to pull away and secure the win.

Although he cannot really complain about his team's record to date, Coach Mortson did express some minor concern about the fact his team had not really been playing up to their full potential. I am sure that they will eventually come around.

The juniors toppled Thornlea on Friday night of last week to keep their unbeaten string intact.

SENIORS WIN FIRST

Bayview's senior basketball team members won their first game of the season last week. But they also lost two, which now brings their record up to 1-4 for the season.

On Tuesday the team obtained its first victory of the year by staging a dramatic comeback in the fourth quarter. It eventually downed Markham by the score of 57-49.

Bayview got off to a flying start in the first quarter. They were very productive and managed to come up with 23 points. Unfortunately their defence suffered from high scoring, as Markham also pumped in 19 big points.

Personally, I cannot really see how either team could have acquired so many points. Both teams were in foul trouble throughout the quarter and no sustained offense could really be generated by either side. The persistent fouling declined noticeably in the second quarter, as did the scoring, with Bayview ending the first half with a 30-27 lead.

The third quarter saw a completely rejuvenated Markham team take the court. They completely outthrust Bayview from start to finish. This, plus the fact that Bayview's attack was very unorganized, resulted in many turnovers in Markham's favor.

All of this, combined with Markham's vastly improved outside shooting and Bayview's almost non-existent rebounding — with the exception of Paul Ranieri — resulted in a 14-4 scoring edge for Markham.

Bayview came back in the fourth quarter, with the key being a three-point play with only three minutes left in the game. Bayview then sank the next basket to move into a four point lead.

With time running out, the pressure was put squarely on Markham's shoulders. This caused them to make several silly mistakes they could not afford to make. Bayview really opened up the game in the final 40 seconds and went on to earn a very sound victory.

Top scorers on the Bayview team were Henry Kattenberg with 17 and Bob Browther with 16.

The seniors did lose two games last week though, as they went down to defeat at the hands of Woodbridge and Thornlea.

JUNIOR GIRLS LOSE TO WOODBRIDGE

Bayview's junior girls' basketball team members saw their winning streak ended at three. A very tough Woodbridge team downed them by the score of 36-24.

Donna Walker was the best Bayview player on the floor, as well as being the top scorer with 10 points. Nancy Stoness had eight points and Ingrid McLeod recorded four points.

SENIOR GIRLS WIN AGAIN

While the juniors were being defeated, the senior girls improved their season record to 4-0. They toppled Woodbridge 33-21.

Bayview held a rather slim 22-17 lead at the end of the third quarter, but they really put the game away in the fourth as they outscored their opponents 11-4.

Top scorers were Muriel Mortson and Lynn Olsen with 13 points each.

SUPPORT YOUR TEAMS

To date the basketball season has been very interesting and I am sure that the thrills and excitement have really just begun. I urge everyone, both students and parents, to come on out and support the basketball teams whenever it is possible.

If you will make yourself come out to one or two games, I feel that you will not regret it. You will find yourself caught up in the action to such an extent you will wish to attend these games more and more frequently.

So you can plan ahead to attend the various games, Bayview's home schedule for the near future is as follows: Thursday, January 27 at 3:30 pm — Langstaff versus Bayview's junior and senior boys.
