## Bayview's Girls Make It To Basketball Finals Over Woodbridge, Thornlea

It is not every year that a high school can boast a championship team in either boys or girls basketball. In fact, most schools would be overly proud if they could do so.

But, this seems to be the year for Bayview teams. They have a very good possibility of winning league championships in four — count 'em — four entirely different divisions of play.

It is rather early to say very much about the boys' teams chances to complete such a feat, as they presently have three or four games left in their regular schedule of play.

But, the school did take a big step forward to winning half of those aforementioned championships last week as the playoffs began in both the junior and senior girls' leagues.

The junior girls who finished the regular season off at 4-2 on Tuesday of last week eliminated a highly favored Woodbridge team from any further play. Bayview squeaked by them in the semi-finals by a score of 32-31.

This vaulted the girls into the league finals against Thornlea, which consisted of a two-game home and home total points series.

The first game, played Thursday at Bayview, saw Thornlea jump into an early lead, and hold onto it until halftime.

Down 15-10 heading into the third quarter, several second line players were inserted into the lineup. The move proved to be beneficial, as Bayview fought back to tie the score 19-19 by the end of the third quarter.

The fourth quarter was all Bayview, as they outscored their opponents 18-6 and won the game 37-25. Taking a 12-point lead into the second game should greatly decrease the pressure which otherwise might have been on them.

Top scorers for Bayview were Linda Verner with 14, Debbie Knox 10, and Ingrid McLeod with 5.

**SENIORS WIN AS WELL**

The senior girls Tuesday faced Langstaff in the semi-finals, with the result being 55-29 in favor of Bayview.

The seniors, who posted a 6-0 season's record, were paced in this game by Muriel Morton's 23 points. Other top scorers for Bayview included Lynn Olssen with 14, Vicki Babin eight and Danielle Pilotte with five.

The team then entered into the finals against Woodbridge, which is also a two-game total point series.

The game was all Bayview's, as they swept to a 13 point lead, by defeating Woodbridge 47-34.

Both of these teams have excellent chances of winning the championship in their respective leagues, and we want to wish them the best of luck.

**MIDGETS WIN TENTH**

While both the junior and senior boys' basketball teams had last week off, the midgets were busy winning their 9th and 10th games of the season without a loss.

They travelled to Richmond Hill High Tuesday where they downed the home team to the tune of 51-23. Top scorers were Steve Dengate with 14, and Rick Carton with 8 points.

Bayview hosted Thornlea Friday with the outcome again being in Bayview's favor, this time by the score of 47-26.

Poor ball control by Bayview, particularly in Thornlea's zone, resulted in numerous turnovers and virtually no offense for Bayview in the first quarter. Thornlea held an 8-4 lead at the end of it.

In the second quarter Bayview really turned the game around, as they completely dominated their opponents and outscored them 19-3.

At the end of the third quarter Bayview had pretty well put the game on ice, as they held a commanding 36-23 lead.

The fourth quarter finally saw some substitutions for Bayview, as they again outpointed Thornlea 11-3.

Top Bayview point getters were Craig Davies with 16, ten of which came in the third quarter alone, Trent McCabe with 11, and Steve Dengate with eight.

All in all it was probably the most uneventful game I have seen the midgets play this year, as nothing really drastic or unusual happened. The entire game followed a rather conservative pattern.

**FUTURE SCHEDULE**

This week, none! There are absolutely no home games for any of the boys' teams this week at all.

Next week: Tuesday, February 22 — Thornlea versus Bayview Junior and Senior boys; Wednesday, February 23 — Don Head versus Bayview Midgets; Friday, February 25 — Markham versus Bayview Juniors.

All of these teams need support. So do your part by coming out and backing them up.

# NHL, Flying Fathers At Hill Arena Monday

A packed house is practically guaranteed for the Richmond Hill Arena next Monday night at 8 p.m.

That's the night when the famed "Flying Fathers" renew their rivalry with the NHL Old Timers.

This annual event, sponsored jointly by the El Shamaly Shrine Club and the Knights of Columbus Council 5957 of Richmond Hill, has raised close to \$3,000 each time out. The money realized goes to aid several charities.

Tickets are \$2 per person.

The Flying Fathers are priests from Ontario parishes who love to play hockey to raise money for charity.

This team was formed by Father Les Costello. Many will remember him as one of the great junior players at St. Michael's College and with the Toronto Maple Leafs before entering the priesthood.

The NHL Oldtimers lineup includes Ivan Walmsley, Bob Goldham, Ivan Irwin, Bob Robertson, Murray Henderson, Wally Stanowski, Pete Conacher, Sid Smith, Ike Hildebrand, Hugh Bolton, Aggie Kukulowicz, Ron Hurst, Jackie Hamilton, Harry Pihirny, Cal Gardner, Harry Watson, John McCormack, Danny Lewicki, Brian McFarlane.

Two of the Old Timers are especially familiar to Richmond Hill hockey fans. Goalie Walmsley is a resident at 426 Lynett Crescent and Smith was a former coach of the Richmond Hill Rams.

Special guests will include "The Flying Nun."

There will be special entertainment between periods headed by the Shrine Drum Corps and Rickshaw Unit.

Door prizes as well as other prizes will be offered.
