## Midgets Need One For Perfect Season

The Bayview midget basketball team is one small win away from completing the season with a perfectly unscathed win-loss record.

In all fairness to the team I feel that I should mention that their final game of the season will not be all that easy, as they will be facing a very tough opponent in Woodbridge.

Although Bayview did win the last outing against this team rather handily, Woodbridge did give them a lot of trouble in the first half.

Bayview's record now stands at 13-0, as they quite easily rolled to two more wins in as many tries last week.

On Friday night they dominated Markham, as they did not have a tremendous amount of trouble beating this team.

Earlier in the week they downed last place Don Head by a score of 54-23.

Bayview's second stringers played approximately 60 percent of this game, as Coach Malcolm decided upon resting most of his first line players for a good portion of the game.

Bayview got off to a fast start. They outscored Don Head 11-3, before replacements were made near the end of the first quarter.

Closing in on half time Don Head was not all that far behind, as they trailed by only nine points, 20-11.

But, due to a big spurt by the Bayview first stringers right at the end, Don Head found themselves down by 15 points at the half by a score of 29-14.

The second half displayed pretty well the same type of play as was evident in the preceding half, with Bayview shuffling players in and out, and Don Head not mounting very much of an offense.

The Bayview scoring was well distributed among first and second stringers in this game, but Craig Davies emerged as the leader with 10 points.

## JUNIOR FINISH SEASON UNDEFEATED

While Bayview's midget team have a very good chance of finishing the season undefeated, the junior team has already accomplished such a feat. Last week they won their final game of the season over Markham, to complete a perfect record of 10 wins and no losses.

Several announcements that were aired during the week to the effect that Bayview students should show some school spirit by coming out and supporting their basketball teams seem to have definitely taken their toll. The single largest mass of Bayview supporters of the year were present at this game.

Of course, the fact that Bayview defeated Markham by a score of 63-40 should have some effect as to whether or not these fans will return in the future. One interesting note in this game, was that the score after the first quarter was an amazingly low 6-5 in favor of Bayview.

Earlier in the week though, the juniors played a rousing home game against Thornlea, with the result being 88-52 in Bayview's favor. Offense was most definitely at a premium in the first quarter, with both teams displaying fast breaks.

Thornlea's shooting percentage from the floor in this quarter was almost unimaginable, as they hit on almost all their shots. It was a lucky thing for them that they did, as Bayview controlled the play throughout. Bayview with their excellent passing were afforded the opportunity for many more shots. Bayview's Dave Robbins sank a foul shot with 18 seconds remaining in the quarter to give Bayview an 18-17 lead.

The second quarter proved that Thornlea was indeed human, as their shooting percentage fell right off. This, added to the fact that Bayview scored 10 straight points near the end of the quarter, dropped Thornlea behind 41-31 at the half.

The third quarter proved to be no contest, as Bayview really solidified their lead by outscoring Thornlea 24-8. Without wanting to knock Thornlea, I feel that, if Bayview's first string players had remained in the game for the final few minutes of the fourth quarter, they could have possibly reached the 100 point plateau.

All in all, it was a very interesting game, particularly the first quarter, which I personally believe to be the most exciting quarter of basketball I have witnessed this season.

## SENIORS SPLIT

The Bayview senior basketball team last week split games with Thornlea and Markham, which brings their season's record up to 4-7. On Friday night they won a very tight game over Markham by the score of 55-54.

On the previous Tuesday they were thoroughly trounced by Thornlea 95-61. The first quarter saw Bayview hold a large advantage in territorial play, but Thornlea's superior shooting gave them the lead 16-14 at the end of the quarter. At one point Bayview was down by nine points, but fought back to close the gap to two.

Bayview started off well in the second quarter, as they were all tied up at 18 points apiece. But, Thornlea then scored six points in a row. Bayview was never able to catch up throughout the remainder of the game. At the half Bayview trailed 38-28.

The third quarter saw Bayview's offense really come alive, as they scored 18 points. Unfortunately, Thornlea's offense was even better, as they managed to put 26 points on the scoreboard.

Heading into the fourth quarter, Bayview trailed 64-46. But even in this Thornlea refused to show any mercy, as they continued to pile up the points.

To open the quarter Thornlea outscored Bayview 20-2, before their coach finally got southearted and decided the lead was safe enough to put in most of his second liners. With the second stringers on, Bayview played even ball with Thornlea for the remainder of the quarter.

If Thornlea had left their first stringers on for the remainder of the game, I am sure that they would, without a doubt, have reached at least 100 points plus. Just how far over they would have gone, I would not hazard a guess, but they most definitely would have reached the 100 plateau. In the 4th quarter Thornlea scored a miraculous 31 points. Top scorers for Bayview were Henry Kattenberg with 27 and Bob Crowther with 10.

## PLAYOFFS SOON

With the regular season schedule for all of the boys' basketball leagues ending this week, the playoffs will be getting underway very shortly. The large crowd that was present at last Friday's junior game is hopefully a sign of better things to come. So come on out and physically, as well as as vocally, support your teams in the playoffs.

# Bond Steel Takes First Game In Ont. Semi Finals

## ATOMS

Wilson-Niblett 3, Barrie 1  
Another big win was recorded by Wilson-Nibletts as they sent the scampers home on the short end of a 3-1 score.

The game was an exceptionally well played affair and was highlighted by some tremendous goalkeeping by both the Barrie goalie and the Hill's little "Luther" Price, whose glove was really hot.

Scoring points were: Phil Woods unassisted, Frank Nigro unassisted and Phil Woods from Tom Peden.

Frank Nigro's goal was his 100th point for this season, a truly fantastic effort for an OMHA player. His 100 points

are made up of 68 goals and 32 assists in 48 games.  
**Coming Up:** North York League Playoffs are scheduled to start next week.

## ATOM "B"

Pinecrest Speedway 4  
Rexdale 3

With but 31 seconds remaining on the clock, Dean Capotosto fired his second goal of the game to give Pinecrest Speed- way a hard earned 4-3 victory over Nolan Construction of Rexdale, as the Hillers scored their 5th consecutive victory.

Capotosto proved to be the triggerman, as he opened and closed the scoring. But the goals were really due to the hard work of his linemates, Chris Bedford and Peter Tipold, who

both show true hockey sense by consistently passing the puck. Both goals scored by this line were identical. Tipold dug the puck from behind the net and centred to Bedford, who flipped the puck with one motion to Capotosto, and Dean fired home the puck.

This was a game for the hustling-type hockey player, Jimmy Wood, a buzzsaw, knows only one way to play — give 100%. He potted a goal from the stick of hard-working Stan Norman, and Danny Petroff, Mr. Perpetual Motion himself, set up Steve Bowers, a lad that doesn't know how to quit.

Not to be overlooked were sterling efforts by the Burnett boys John and Jim, Ross Quenger, Gary Crenn, Reiner Pleshburger, Dan Girard, Neil Putnam, John Tuck, Mark Gossman, Mark Porter and Steve Shadoff.

Rexdale's goals were scored by Dan Willox, Dan Price, and Tom Freer.

Coaches Bill Bedford and Bud Wood have entered Pinecrest in the Toronto King Clancy Tournament, which starts with an exhibition game next week.

## PEEWEEES

Aurora 6, Lions 2  
Thursday in Aurora Richmond Hill Lion Peewees took a 6-2 beating at the hands of their hosts.

Scoring for the Hill were Butch Baker and Chris DeGeer, with assists from Dave Matchett, Roy Russell and Dave Foster.

## Lions 4, Thornhill 2

In the local arena Friday the Lions gave their visitors from Thornhill a 4-2 lesson in hockey.

Goalgetters for the local pee-

wees were Gary Langfield from Dale Strang and Roy Russell, Russell from Langfield and DeGeer from Langfield. The 4th counter was dumped into the empty Thornhill net by Bradley Lloyd as the visitors stove to tie the score.

## LOSE TO DETROIT

On the weekend the Richmond Hill Lions hosted the Detroit Wings and went down to defeat to their guests in two matches — 2-1 and 4-1.

Marksmen for the Hillers were Baker from Ron Dysart and DeGeer and Strang who was set up by Russell and Langfield.

The Lions will take on Barrie tomorrow night (Friday) in a league game for the North York League Trophy.

## MINOR MIDGETS

Bond Steel 3, Whitby 1

Bond Steel won the first game of the best of seven semi-final series for the OMHA Minor Midgets Championship Sunday.

The local lads opened this one determined to win. No one player can be mentioned as a standout. Everyone played up to and beyond his potential and did not allow any scoring until the middle of the third period. The outshot the opposition 19-16.

Goals were by Tom Lamb (who connected for two and one assist) and Jim Clement with the other counter and two assists. Jim Graham earned three assists and Kevin Bringer one.

The second game was played Tuesday night at the Brooklin Arena with the third game scheduled for 2:10 pm Sunday at the local arena. Come out and support the Steelers.

## Novices Beat Maple, Bolton

## John Lenneville Scores 14 Goals Oak Ridges Bantams Oust Stayner

Oak Ridges Bantams downed Stayner 7-3 Sunday night behind the four goals of John Lenneville in their best-of-five playoff series by three games to one.

Oak Ridges won the first game 6-4, the second one 8-2 before Stayner came back to 6-2 in Stayner.

Sunday's game was a close one most of the way with Stayner leading 2-1 at the end of the first period. There was no score in the second period.

The third saw Oak Ridges tie the game at 2-2 on a goal by Lenneville only to see Stayner go ahead minutes later. Lenneville came right back to tie it up at 3-3 and then Oak Ridges popped in four more to win going away.

The final Oak Ridges goals were scored by Dale Roffey with two, while Jim Gerber got the other goal. Assists went to Billy Metcalfe, two; singles to Roffey, Gerber, Peter McConachie, Al Heintzman and Gary Gee.

Oak Ridges' 8-2 win in the second game saw Lenneville again leading the charge with another four goal effort. He also drew two assists. Dale Roffey checked in with two along with Peter McConachie.

Assists went to Heintzman, two; Billy Metcalfe, two; John Grech, two; and singles to Peter McConachie and Dale Roffey.

The 6-2 loss in Stayner February 25 saw Lenneville knocking home the only two goals of the game. Both were assisted by Dale Roffey.

Lenneville was by far the big star in all games scoring 14 of the 27 goals scored by Oak Ridges in the series. Frank Woods played a brilliant game in net for Oak Ridges as his team was outshot 42-17. Stayner had 16 penalties to Oak Ridges' 4.

League action saw the Bantams shutout Unionville 7-0 with Lenneville scoring four goals. The others went to John Grech, two, and Dale Roffey. Assists went to Al Heintzman, three; Robert Penley, Tom three; Roffey two; Lenneville, two; and one to Billy Metcalfe.

The Bray's game saw Bernie Engle scoring two goals with Robert Penley scoring the other one. Steve Collison drew an assist.

In the Richmond Hill game it was Bernie Engle scoring twice with singles going to Tony Hallett, Tom Dukelow, Robert Penley, and Glen Martin. Assists went to Vernon Gionet, three; Robert Penley, Tom three; Roffey two; Lenneville, two; and one to Billy Metcalfe.

The Business Girls hosted their annual Invitational Bonspiel on Saturday. They had two full draws. Good hostesses that they were

## ... Sport Spots ...

(Continued from Page 11)

series. You've got to be able to withstand the affects of penalties or it's game over.

## RAMS SHOULD WIN

I feel the Rams have the ability to go right to the finals but then you never can tell anything for sure in a short series. You get off to a bad start and you're zaps-ville before you get untangled.

Coach Brimblecombe's major worry has to be on defence where he's hurting physically. Mid-season acquisition Kevin Healey will be back in the line-up after being hurt but only time will tell how effective he'll be. Also nursing injuries of various sorts are Paul Terry and Neil Patterson.

One big thing he has had going for him all season is the all-out desire exhibited by all of his players. It's been a happy combination of experience in the persons of Rice, Craig Terry, Stokes, and Barnett; and rookies like Alex Pirus, Colp, Paul Terry and Bill Stephenson.

So barring injuries I've got to go along with the Rams. They've got the horses to do it. I'll just count three and pray. But no matter: It should be a whale of a playoff series.

Don't miss any of the games.

## ALL THE BEST, BUT

Oh yes, I wished Earl the best of luck with reservations. If you know what I mean. I kind of feel he may have mixed emotions, too. I don't want him to lose badly, just to lose.

## NEED BILLETS

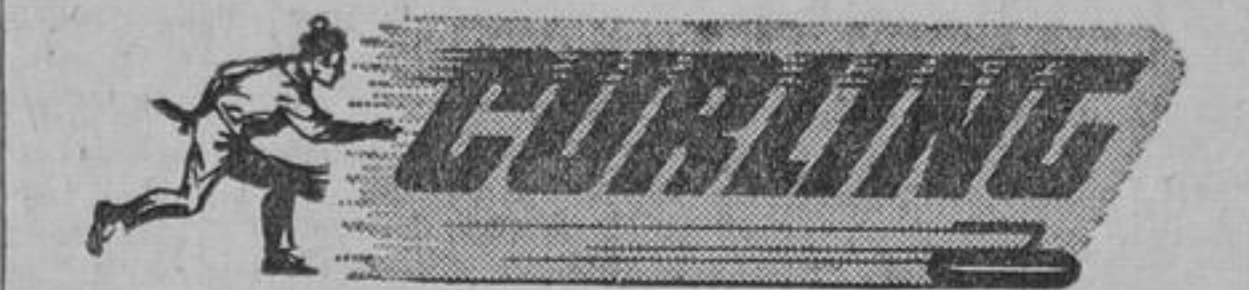

The executive of the Tournaments Incorporated International Midget Tournament are starting to get a little fidgety about the lack of response for requests for billets.

There has been little response and they need some in a hurry. They will have to billet 16 teams during the week-long tournament Easter holidays.

So c'mon. If you have the space give a call to Bob Oakley at 884-5510 or Mrs. Marg Brickles at 884-4688. They're looking for families who can supply billets for two or more players.

Softball note to end it for this week. Ross DeGeer of Oak Ridges announces that an umpire's school will be held March 8 at McConaghy Public, Yonge Street, Richmond Hill. It starts at 8 pm. It's being sponsored by the Central York Regional Umpires Association.

For further information call Ross at 773-5218.

## RICHMOND HILL CURLING CLUB

Ellison-Coneybear Rink Win Again

Frank and Ruth Ellison with Irwin and Jean Coneybear repeated last year's winning performance at the three day Burlington Mixed International Bonspiel.

They won the first event trophy. Another rink was runner up in the consolation of the main event at the 50th Anniversary of the Nettlefield Bonspiel at the Cricket Club. They were Ruth Mabbett, June Bush, Marj Sahr and Doreen Meeres.

A rink consisting of Peggy Welsh with Shirley Bate, Sue Bailey and Kay Schell, won both their games at Lambton on Friday and brought home second place honors. They missed the big trophy by one-half point.

The Business Girls hosted their annual Invitational Bonspiel on Saturday. They had two full draws. Good hostesses that they were

allowed all prizes to go to their guests. A rink from North Halton won first place. Mildred Rois won the third event at Downsview on Wednesday. With Mildred were Molly Waite, Laura Watson and Win Simpson.

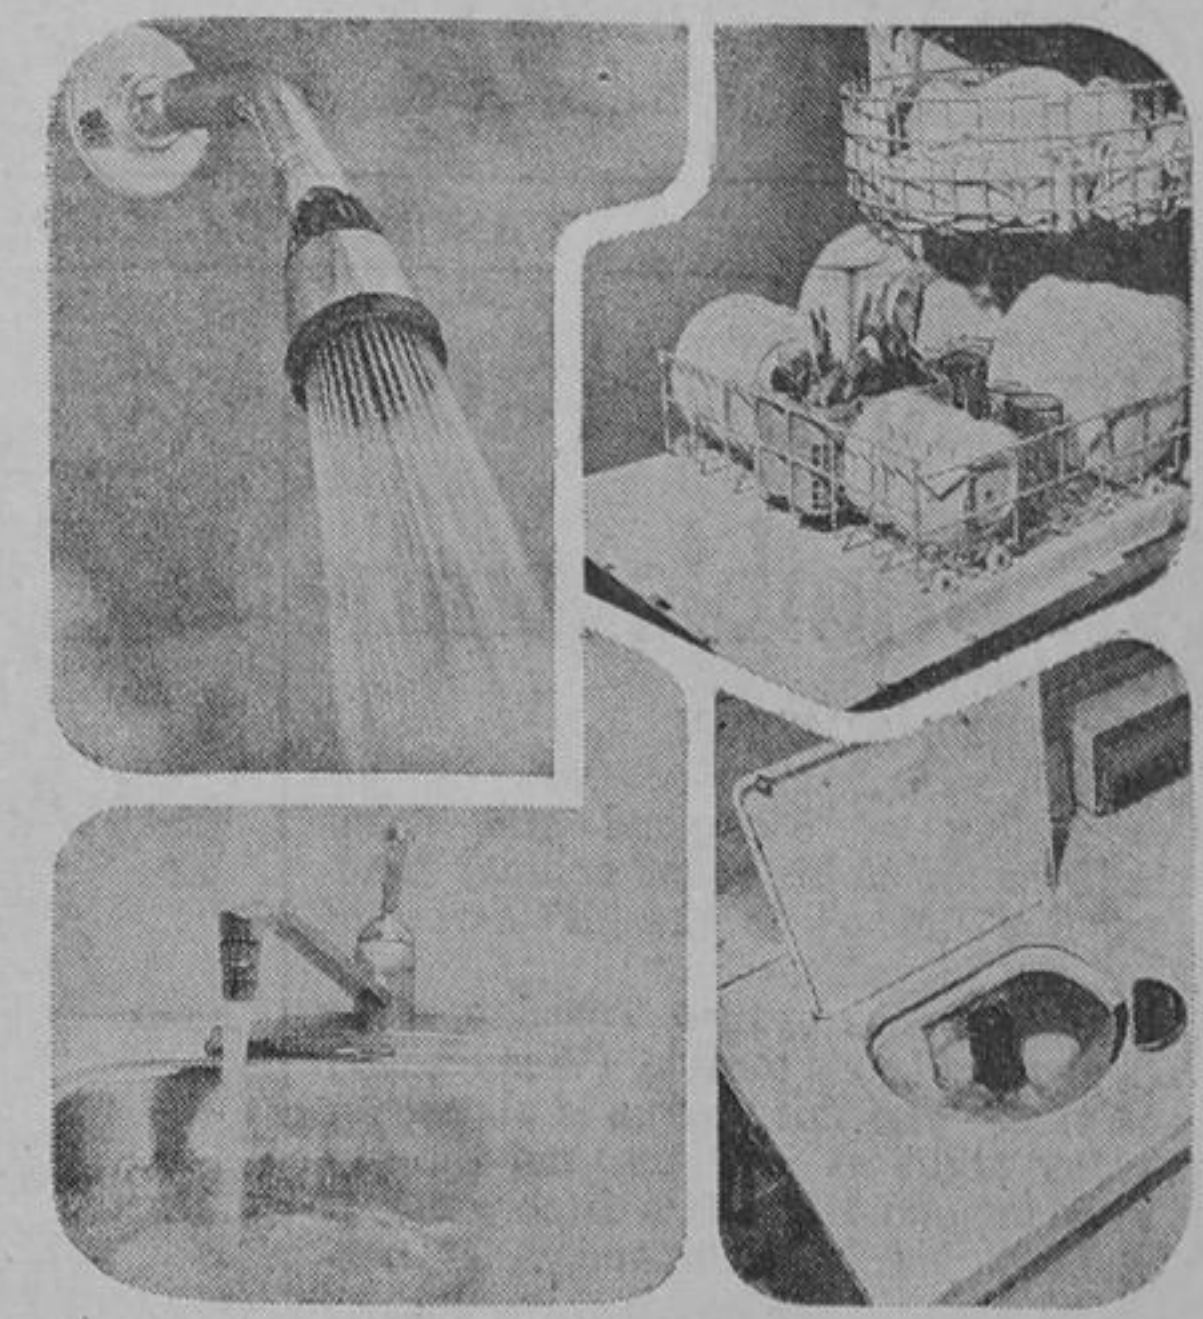

Mildred Rois, Molly Waite, Laura Watson and Helena Sutherland were two games high winners at Uxbridge Saturday.
