Lots Of Honey For Maple Bees This Year

Maple Honey Pot Bees Novice Hockey players are a proud and happy lot these days as they celebrate winning the OMHA Novice Provincial Zone Championship. They are now in the running for the North York League Championship also. Last Wednesday night the team was entertained by Mrs. Belle Madsen, owner of the Honey Pot, who has sponsored the team for several years.

A few of the boys are seen in the above picture as they chatted with their sponsor (left to right) Captain Blair Sutherland, Coach Rainer Weidenfelder, Mrs. Madsen, Assistant Captains Greg Munshaw and Ray Mondolo.

Announce New Healing Substance: Shrinks Piles

Exclusive healing substance proven to shrink hemorrhoids and repair damaged tissue

A renowned research institute has found a unique healing substance with the ability to shrink hemorrhoids painlessly. It relieves itching and discomfort in minutes and speeds up healing of the injured, inflamed tissue In case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most important of all - results were so thorough that this improvement was maintained over a period of many This was accomplished with a new healing substance

(Bio-Dyne) which quickly helps heal injured cells and stimulates growth of new tissue. Now Bio-Dyne is offered in ointment and suppository form called Preparation H. Ask for it at all drug stores. Satisfaction or your money refunded.
