

**Staff Of 40 Planned For Vaughan Summer Recreation Program**

Vaughan Town Council has authorized hiring of 40 people at a cost of \$24,975 as managers, supervisors, guards, instructors, leaders and related staff for summer recreation programs in the municipality. At a meeting March 6 council was told that 21 part-time staff will be needed for operation of Thornhill Pool during the coming summer. This would include two assistant managers, 10 instructor-guards, three maintenance crews, four counter checkers, a truckshop operator and a part-time cashier. Cost was estimated at about \$16,000. For playground programs in six locations to operate for seven weeks 13 leaders will be required for seven weeks and one supervisor for 13 weeks. Salaries for this staff is estimated at \$5,590.

Also planned for the summer are youth involvement centres to operate for nine weeks in two locations. Staff proposed would consist of one supervisor and four leaders at a cost of \$3,385.

Asked if the municipality can expect to make any money from this project, Industrial Commissioner James McDonald said that if it is a hot summer they will make money on the pool. If it is a cold summer they can expect to lose money.

**Only 28% Voted W'dbridge Liquor**

Woodbridge will not have cocktail lounges and liquor with meals for at least another three years, as the result of a plebiscite held recently, when only 28.35% of the eligible voters cast their ballots.

Of the 1,651 eligible voters only 468 voted.

In favor of liquor with meals were 269, against 199, giving the wets a 57.48 percentage (60 percent of the votes on a liquor plebiscite is required for a change).

Liquor lounges did not do as well. Voting in favor were 240 residents and against 222, giving a percentage of 51.95%.

In May 1962 when the same two questions were put to the populace of the former village, 68% of the eligible voters turned out at the voting places. The result of the vote was soundly opposed to the serving of liquor publicly.

**Vaughan To Buy New Trucks And Grader**

Vaughan Council March 20 agreed to accept the tender of Woodbridge Motors Limited for two trucks (a half-ton pick-up and crew cab) with two trailers. At \$7,376.95, this was the lowest of three bids received, the highest being \$8,357.95.

Council also agreed to purchase a third truck from Woodbridge Motors at \$2,820. This will replace the standard pick-up with eight foot box, which was completely destroyed March 18 in a fatal accident on Carrville Road.

A motor grader (with trade-in) also brought three bids and council agreed to accept the lowest at \$23,520 from Wabco Equipment Canada Limited, Martin Grove, Toronto. Highest tender of the three was \$27,836.50.
