### SQUIRT GIRLS

**Fry Basket 10**  
Thornhill Paint 5  
Sam Masson and Betty Bingham's Fry Basket led the game as Susan Henry walloped a homer with two on base for a great start.

Joan Daymont answered with a homer for Glen and Susan Rae's Thornhill Paint.  
Fry Basket's Heather Alley scored three times. Pat Billich scored twice. Jo-Anne Adams was a consistently good fielder for the Painters, Karen Hannigan and Heather McAttee doubled. Lisa Bate, and Wendy Rae singled.

**Armstrong Hodge 6**  
Thornhill Alley Cats 5  
Karen and Sue Luck's Armstrong Hodge edged Bonnie Spierian's and Shawna O'Neill's Alley Cats 6-5. Pitcher Michelle Anderson accounted for a double play, two pop flies, a no hitter first inning, and a triple. Virginia White homered and tripled. Jill Parkinson tripled.

A fantastic final inning by the Alley Cats, with Linda Bertram's home run was still short of the tying run. Susie Bronstein singled.

**Keffer Real Estate 7**  
North York TV 6  
General Manager Bob Adams and his wife Eileen with Keffer Real Estate moved into sole possession of first place, as they edged North York TV 7-6 in an exciting encounter.

NYTV was winning until the bottom of the final inning when Laura Lacy hit a home run with two on base.

Doug Smith and Marina Brown's NYTV opened the game with four hits, Suzanne McWatt, Suzanne Smith, Lynne Harrison hitting singles, Wendy Grant doubling, Virginia Paul answered with her first single for Keffer.

Kathy Bennett hit NYTV's only second inning run, followed by a homer by Brenda Bowen for the realtors. Carole Clark singled.

Wendy Grant got the only run for NYTV in the fateful final inning. Keffer then opened up; Donna Reynolds, Virginia Paul and Brenda Bowen all singled, Laura Lacy homered, and the game and first place were Keffer's.

**PEEWEE GIRLS**  
Dotties Copies 13, PSA 12  
A spurt in the final inning won the game for Fern Bennett's Dotties Copies' edging Ivor Harriott's PSA 13-12. The game was tied 7-7 after 3 innings. PSA took over the next two, but Dotties scored five runs in the final, to win the game.

With Carole Wilshire catching and Liz Seeley pitching, Dotties played a strong game. Marie Bagg fielded a nice fly at centre field. Bev Bennett hit the one homer of the game. Susan Clark tripled.

**Thornhill Pet Shop 16**  
Shoppers Drug Mart 8  
To quote one of the coaches, "an exciting game", as the Pet Shop, coached by Judy McLean and Mary Danis had to work hard to double Pat Tuck's Shopper's Drug Mart 16-8.

The teams were tied after a single inning of play, as Shopper's Janice Boss caught a pop fly and tagged the runner at first.

Jodi Sone stopped two really swift flies in the outfield. The third inning belonged to the Pet Shop, as Sone, Susan Strauss and Linda Ewing tripled. Jill Cuddas doubled. The final inning was capped with Pam Church's homerun. Mary Warren doubled and singled earlier in the game.

## Markham Pumps, Watermains Break Will Ban Lawn, Garden Sprinklers

Operation of lawn and garden sprinklers will be restricted in the Thornhill area of Markham Town under a bylaw given all but final approval by councillors on Tuesday afternoon of last week.

And if there is another emergency like the recent situation in which water pumps broke down and major watermains burst, citizens will be warned by sound truck and will also be subject to fines of up to \$300 for using sprinklers.

The third and final reading of the water restriction bylaw is expected to come at the next regular meeting of town council at 7:30 pm on Tuesday of next week.

Mayor Anthony Roman asked councillors last week to give careful consideration to the proposed bylaw before it becomes law. He said the sound truck warning provision and the \$300 fine maximum should be looked at carefully.

Markham agreed to consider a water restriction bylaw after the Regional Municipality of York and Metro negotiated the provision of

emergency water supplies from North York recently. Markham expects a continued water shortage this summer in dry periods until a new filtration plant can be completed. The new plant is scheduled to begin operation next month.

Under the water bylaw there will be restrictions in the area bounded by Yonge Street, Highway 7, Steeles Avenue and the hydro power line east of Woodbine Avenue (Don Mills Road). In this area hose sprinklers will be allowed in lawns and gardens for three hours on each of two days each week for each property.

Properties with odd numbers will be able to use sprinklers on Monday and Wednesday from 7 pm to 10 pm. Properties with even street numbers can water their gardens and lawns on Tuesday and Thursday from 7 pm to 10 pm.

Anyone at anytime will be allowed to water flowers or shrubs by means of a pail or watering can, under the bylaw as it now reads.
