**Larry Keffer, Manager King Arena, August 1**

By NORMAN MATTHEWS  
A special press conference meeting, chaired by Bill Curran, was held on the evening of July 3 to announce the hiring of a manager for the new King City Community Centre. Joe Callen's office on the King Side road with 13 people in attendance, including Mayor Ken MacTaggart, Councillor Donald Findlay, Nip Armstrong, Burt Lutes, Joe Gellens, Ray Love, Len Osin and Mrs. Paul and reporters.  
Guest of honor, so to speak, was Larry Keffer who has been retained as the manager for the new King Arena. An energetic young man, Mr. Keffer is well known in the Aurora area for his involvement in sports events. Mr. Curran referred to him as an "Aurora person with a lot of experience in the sports field with good recommendations." He went on to say that Mr. Keffer is "a person who will cause a lot of excitement" and called his appointment in King as "Aurora's joy."  
With Bill Curran seated at his left, Mr. Keffer signed a draft of agreement for the position of arena manager, preparatory to the issuance of a formal contract. Mr. Curran said that "as of the first of August, he (Larry Keffer) goes on payroll on a year round basis." "He will have a free hand in the hiring and firing of staff."

**MANY IDEAS**  
In accepting the position, Mr. Keffer said "There are a lot of programs I want to introduce." He said "the area is bubbling over with people who want to get skating clubs going" and he suggested the possibility of using the new centre for a trade fair. He went on to say that he is "looking forward to the challenge." Referring to bookings for ice time, Mr. Keffer said "if you can fill the mornings, prime time is easily filled."

**MAKING GOOD PROGRESS**  
Regarding the construction of the new arena, Mr. Curran said that as of June 30, 80% of the labor was completed and that only this portion will be subject to the 75% government subsidy. He also referred to the lottery which they'll be running, selling 1,000 books of tickets worth 60 dollars each book which will net a profit of \$30,000. (Each book will contain 12 \$5 tickets; one for each month of the year.) The amount raised will be short of the total amount required and therefore any donations (tax deductible) will be most welcome apparently. A Jim Ball recently donated \$500 through Bert Lutes towards the amount owing.  
The committee in charge of the arena will consist of Gellens, Lutes, Love, Adams, Curran, Findlay and Osin. Nip Armstrong has been on the committee since the first and it appeared as if he would still be involved.  
Other comments at the meeting included the fact that the arena has "trap rock" flooring which can be used for roller skating, lacrosse, automotive shows, and such. The building will have storage rooms for park equipment and future
