**Helicopter Service**  
According to a recent article in the Globe and Mail, Buttonville Airport will have a new charter helicopter service in the near future.

The Air Transport Committee of the Federal Transport Commission in Ottawa has given Toronto Helicopters Ltd. permission to operate the charter service at Buttonville in spite of objections of other helicopter companies. Helicopter services have also been allowed for Peterboro, Bonfield and Dryden.

**Neighborhood Notes**  
There was a great celebration at the William Baker home on Sunday, when relatives and friends gathered to surprise Mr. Baker on his 80th birthday. Mrs. Baker's birthday was on Saturday, but she preferred to bow to the octogenarian in the family.

The party was planned by Jim and Frances (Baker) Powell of Markham, and Ross and Lois Baker of Cachet Country Club and their families.

Among the guests were Mr. Baker's sisters Mrs. Phyllis Clark and Mrs. Jim Tooley of Buttonville; Mrs. Baker's sister of Guelph, and Nieces and nephews.

Among neighbors and old friends attending were the Aubrey Stephensons, the Walter Craigs, the Jim Rodicks, Jack and Mary Rodick, Mrs. Douglas Hood, Mrs. Tim Paterson, Mrs. Shenfield and Alf, the Russel Boyingtons and Mrs. Sidney English. Congratulations and many happy returns.

Another birthday celebrant last Saturday was Mrs. George Clarke, who has chafed up 77 summers. Our best wishes.

Margret Champion is home from New York on vacation this month.

Sorry to learn that Mrs. Lloyd Baker, Rose to her friends, has not been well. Mrs. Baker fell down the stairs a couple of weeks ago and is nursing bruises to prove it.

Darlene Stevenson entered the school for nurses' aids at Scarborough General Hospital on Monday morning of this week.

Special congratulations to Lorna Cox, younger daughter of Detective Clifford Cox and Mrs. Cox, who topped grade 8 students at Woodland Senior Public School, coming first in a class of 233.

At graduation ceremonies late in June, Lorna received the Academic Award, a trophy, and was presented with a book on Canada by the York County Board of Education. Our congratulations!

Several local families are taking advantage of swimming lessons offered at pools in Thornhill, Unionville and Markham. Among them are the Craigs, the Travisses, the Cunninghams, and the Donaldsons. Let me know when award time comes around!

Speaking of recreation, have you visited the area's latest conservation park, Milne Conservation Area at Markham. The entrance is from the east side of the Concession about 1/4 mile south of Highway 7.

There are more than two hundred acres of parkland with provision for picnics, a small lake and other attractions. A good place to go on a hot day, and not so crowded as Bruce's Mill.
