Minor House, Barn, Car Blazes In Vaughan Blamed On Children

Children were blamed for minor house, barn and car fires recently in Vaughan town. A 5,000 gallon ammonia tank truck hit the ditch and sprang a leak giving some cause for serious alarm for a time. Vaughan firefighters rushed a rescuserator to Peckovers Limited, Langstaff Road and Keele Street June 29 at 10:16 am when a man was overcome by severe pains and fainted. Dennis Smith of 100 Graydon Hill Drive, Apartment 1204, Don Mills was taken to York Central Hospital by ambulance. CHILDREN SET FIRES Damage was considered negligible when children were blamed for setting an abandoned barn on fire at Lot 2, Jane Street at 4:40 pm July 30. This same barn was full of tires when it was again set on fire, apparently by children, at 8:27 pm July 6. Again there was little or no damage. A chlorine gas leak due to a broken valve brought firefighters to the Thornhill Swimming Pool at 10:10 am July 2. The leaking cylinder was removed. A wiring short circuit was blamed for a truck fire on Highway 400, 1/4-mile north of Highway 7, on July 2 at 4:56 pm. There was about \$100 damage to the vehicle belonging to Arrow Lines Limited of Mississauga and driven by Wayne Nash of 2468 Cliff Road, Cooksville. A water pressure surge was blamed for a false alarm from the automatic system at Cadillac Lumber Limited, 10160 Keele Street July 3 at 1:15 am. AMMONIA TRUCK LEAK Owner driver Harry McArthur of RR 1, Bradford, arrested with his ammonia tank truck in the ditch on Langstaff Road about 1/2 mile west of

LOOKING AROUND

It seems to us that the summer is going by even faster than usual, and we are sure that many Maple and area residents have enjoyed holiday trips and unusual holidays. We would be most happy to hear from anyone who would be willing to have a few words about their summer activities appear in our column. As we said before, a news column with no news can be pretty boring to all concerned. It is a depressing thought that most of our news this week is of those in hospital, or having been ill, are now at home convalescing. We were sorry to hear that Gordon Espey of Keele Street is ill and in Branson Hospital. Since Mrs. Espey has also been ill for the last week, and not able even to visit him, cards and visits would be a cheering thought. Branson Hospital, Room 570. Word came to us this week of Helen McBratney, now of Smiths Falls, recently of Maple, who has been very ill this spring and in hospital. Although she is now at home after surgery, she is still limited to sitting up for short periods. Mailing address 208 Frost Street, Smiths Falls. Mrs. Eva Line is now at home, convalescing after her bout with cracked ribs and a lengthy stay in hospital. Sincere get well wishes to each of these, and to those of whom we've had no word, from all their friends, and residents of Maple.

IN THE VILLAGE OF MAPLE

Congratulations to Mr. and Mrs. Bill Dodds on the birth of their son Brent Michael, a new brother for David and Scott, in York Central Hospital last week. Both mom and son are doing fine.

From our vantage point last Sunday evening, the band concert in Maple Grove Park was well attended, with bright clear weather favouring Maple after the downpour of rain in the afternoon.

It was most enjoyable to hear a band of this calibre as well as the smooth voice of Wally Coster singing numbers from the swing era as well as more modern music. With this type of treat, we feel sure that the next concert here in Maple with Bob Livingston's Band, August 20 will be at least as well attended.

Senior Citizens We suppose by now that all the Maple Seniors are completely confused by the several dates and changes of dates in the Maple news recently.

We have finally obtained some reservations and definite dates for several outings. Saturday morning, July 29, a bus will leave Maple United Church at 8 am for the Mystery Trip.

Each person will take his or her own lunch, hopefully to be enjoyed at a park. Cost will be \$5.50, covering bus and other features, and arrival home will be before supper.

The second trip for the summer will be August 10 to Niagara Falls with a possible stop at the farmer's market in Hamilton. Lunch, again a picnic lunch brought from home by the individual, and the scenic drive from Niagara-on-the-Lake to the Falls, with stops along the way. Dinner at 5 pm at Drummond Hill Presbyterian Church — roast beef — cost of which is included in the total.

Those names already on the list for Niagara will be given first consideration.

According to Agricultural Representative Al Wall there is a lot going on for farmers in York right now. The sheep producers will have their annual field day at the Shur-Gain Farm, Maple Friday. Next week, it's the "Sunrise Tour" on Tuesday and the pasture field day at the ARDA Pasture Farm in Victoria County on Thursday.

Mr. Wall also announces that market information is now available on grains. A phone call to 924-4466 at any time of the day will get the current cash price and futures on corn, soybeans, wheat, oats and barley. Mr. Wall also says that the price will get even more hectic as the year goes on. The surplus moisture is still holding back late corn because it takes so much longer for wet soil to warm up that nutrients are not releasing fast enough to get the crop really going. But the same wet weather has been very kind to oats, barley and wheat. These have come on very fast lately with prospects for very good yields all over York.

During September a trip to Stratford is being arranged to see a matinee of "As You Like It". For further information call Percy Putterbaugh at 832-1114 early in October a one-day color tour, and some consideration Louise Cooper at 832-2408.

LAND IN THE TOWN OF VAUGHAN IN THE REGIONAL MUNICIPALITY OF YORK, FORMERLY IN THE TOWNSHIP OF VAUGHAN IN THE COUNTY OF YORK, DESCRIBED AS FOLLOWS:

Part of Lot 20, Concession 3 in the said Town, designated as Parts 3 and 4 on a plan deposited in the Registry Office for the Registry Division of Toronto Boroughs and York South as Plan RS-1220.

This Is Busy Season On The Farm Rain Bad For Hay, Good For Grain

Humidity and rain are no help to those trying to get hay off and this year's experience puts pressure on to develop better alternatives to the baling system, Mr. Wall states. He suggests that haylage is the best method of storing the winter's feed right now. It too has its problems but they are mechanical.

REPORT

OAK RIDGES DETACHMENT 1972 Highway Toll Has Reached 18

Four deaths in traffic accidents in this area last week brought to 18 persons the number of people killed in 12 fatal motor vehicle collisions on provincial highways under the supervision of the Oak Ridges Detachment of the Ontario Provincial Police so far this year. In the same period last year 12 persons were killed in 11 fatal collisions.

A Concord woman, Mrs. Eftinia Raffel, 65, of Lot 5, Concession 4, Vaughan, was killed on Highway 7 at the CNR overpass just west of Keele Street at 8:38 pm July 14. Mrs. Raffel was walking on the sidewalk of the overpass that carries Highway 7 over the CNR Marshalling Yards when she appeared to fall into the path of a westbound tractor-trailer. Driver of the transport was later identified as David Orchard, 287 Division Street, Oshawa.

The investigating officer was Provincial Constable Jim Roy. Three persons were killed in a head-on collision on Highway 48 east of the Sutton Road at 1:10 am July 16. Involved were a truck and a car. Dead are Albert Morris, 27, East Gwillimbury, RR 1, Ravenshute and Joan Miller, 22, RR 1 Sutton West, driver and passenger in the truck; and Ross

Markham Firefighters Use Farm Pond Water, Stop \$28,000 Blaze

Fire killed five cows and about 100 pigs as it destroyed a barn in the northeast corner of Markham town in the 2:24 am early morning darkness Sunday. Markham Fire Chief Myrl Smith estimated the loss of building and contents at \$28,000 although some other unofficial estimates put the loss as high as \$83,000. Markham firefighters were able to save another nearby barn from the fire because sufficient water was available from a farm pond. Fire Chief Smith said.

The property owned by Lorne Schell on Concession 9 Lot 29 was insured and the cause of the fire was undetermined. About 200 pigs were saved and a quantity of cows in pasture nearby weren't injured. A crop of new hay was stored in the barn a short time before the fire. Firefighters were uncertain if any damage.
