Maple Lions Tee Ball Trophy Is Presented

Happiness, in this case, is being a winner at tee ball, as can readily be observed. Six-year-old Kevin Coward receives the winning trophy from Maple Lion Al Taylor. Kevin's Yankees won the sudden death finals against the

fourth place Giants by 31 to 26. He received the Maple Lions Tee Ball Trophy. Tee ball is a game without pitchers. The ball is placed on a "tee" and everyone swings away.

LOOKING AROUND

IN THE VILLAGE OF MAPLE

family Susan, Nancy, Barry, Jeff, Wayne and Cathy who spent their visit with Mom and Dad camping in the yard.

We strongly urge all ladies interested in bowling with the Maple Ladies League to call president Mrs. Pat Allen at 832-1540 to sign up for this season's bowling on Monday evenings.

Since all the young people will be back in school by the time our next paper is read, we take this opportunity to welcome back all the teachers, principals, secretaries, caretakers and all the children. We hope everyone had a happy and safe holiday and all will be ready to pitch in and make that New Year's resolutions to do better this year than ever. Good luck to all.

Arena Opening
Morley Cadigan of the Lions was talking last week about the plans for the grand opening of the new Maple ice arena. A complete day's festivities is planned, with a genuine German Oktoberfest with buffet and all the trimmings.

This promises to be the biggest party Maple has ever seen and being the last day in September, should be the first Oktoberfest in the country. Tickets for this special affair are to be limited to 15,000 and although that may sound like a lot of tickets, some of the Lions have sold a great many of their's already at only \$2 each.

The suggestion is that rather than go as individual couples, a group of four, six or more could have a real bang up evening. Word has reached cities as far away as Niagara Falls, Simcoe, Port Perry, and Guelph that we know of, so that we need not remind Maple folk to get their plans made as soon as possible.

Keep in touch with your Maple Liberal Column for further details of the big walkathon, the tennis tournament and baseball games scheduled for the day as well.

Senior Citizens
The first item of interest to Maple Senior Citizens will be the Mystery Trip scheduled for September 7 in foul or fair weather. Everyone will be asked to provide his or her own lunch as recently has been done, with tea and coffee provided.

The cost of this trip should work out to \$5, including admission to two attractions that some may or may not be interested in. In such case a refund will be given.

The bus will leave Maple United at 8:30 am and will return shortly after supper, probably by 8 pm.

The first meeting of the new season is September 11 at Maple United Hall at 1:30 pm. This meeting is open to all senior citizens in the area, not just those who are considered members.

At this meeting a brief should be ready from the executive of the new Vaughan Senior Citizens Cabinet concerning the New Horizon's Program promoted by the federal government. Also at this meeting, all those who have indicated an interest in attending the Festival Theatre at Stratford to see "As You Like It" should have their names in, and all those who already have pink receipts

please check with this writer.

Also those interested in a three or four-day northern tour at the end of September will hear more details by then.

The color tour, October 5, is well on the way too, and members are urged to have their names down soon so as not to be disappointed.

Church News
All churches will be back on their regular schedules beginning Sunday.

St. Paul's Presbyterian, Congregation 7, Vaughan, September 10, will observe their 128th anniversary at 11 am. Guest minister for this special occasion will be from Albion Gardens, Thistletown.

Sunday school will begin at the Maple United September 10. With St. Andrew's closed September 10 for St. Paul's anniversary and rally September 17, Sunday school will begin September 24.

Tee Ball Closes
Once again the Lions sponsored the Maple Tee Ball League for boys six to eight years of age, and closed another exciting season August 22 as third place Yankees fought their way up through sudden death finals to a decisive 31 to 26 win over fourth place Giants.

Following the game, Coaches Mitch Krawczyk and Fred Cook handed out miniature player

trophies to their winning team members, and Lion Al Taylor was on hand to make the official presentation of the Maple Lions Tee Ball Trophy. Kevin Coward of Ryder Road accepted the trophy for his team mates with thanks and a grin from ear to ear.

Special thanks and a lot of credit is due to the coaching and supervisory staff who have worked very hard to make the league the success that it has become in only three years.

Welcome to all boys born in the years 1958 and 1959 from 9:15 to 10:15 pm at the Rink, Doublerink, on the following dates: September 7, 12, 14, 19, 21, 26 and 28.

The cost for this is \$1.50 per hour with \$9 for all seven hours.

Complain Hockey, Skating Costs High

The high cost of recreation, specifically in the areas of hockey and figure skating, was hammered home to a meeting of Vaughan Town Council August 21.

Council was visited by three deputations, all with the same gripe: give us some relief either financially or in ice time, or we'll go under.

First to present its case was the Maple Minor Hockey Association, whose president, William Lawson, said the association was in disagreement with the hours allotted to it by council.

The schedule listed ice times of 4:30 to 7:30 and 4:30 to 6:30 on Monday and Tuesday, but there wasn't any way coaches for the teams could get to the rink before six o'clock, Lawson said.

He suggested Wednesday

nights from 7 to 10:30 instead. The league relied heavily on gate receipts and Saturday afternoon, which had been given to them, was a poor time to draw people.

Lawson said the association broke even last year, although it received \$6 an hour subsidy less than Woodbridge.

"I know it's difficult to draw up an agenda, but as we're paying \$30 an hour ice time, our money's as good as any," Lawson said.

He suggested a meeting with arena officials to see if some compromise could be made.

Council agreed to have him meet with Recreation Co-ordinator Barry Young later.

John McLean, represent-

ing the Woodbridge and District Minor Hockey Association, told council that, despite increasing registration fees from \$10 to \$20, and using such fund-raising programs as dances and bake sales, the association was still going to be in financial difficulties unless help was forthcoming soon.

He said that ice-time rental for 1971-72 was \$6,558, but reduced hourly grants this year upped ante rate to \$10,445.

"We appreciate the grant, but it is considerably less than before," McLean said, and will leave us in financial difficulty.

He said the previous grant amounted to approximately \$27 per boy, while this year's was \$15 per registered participant.

To meet expenses, McLean

suggested the association be charged \$15 an hour, instead of \$30 during prime time.

Otherwise the league could go out of business, he said. Council agreed to give the appeal every consideration.

The final representation was made by Mrs. Donna Dobson, on behalf of the Woodbridge Figure Skating Club, who also pleaded for some sort of subsidy to keep the club afloat.

Mrs. Dobson asked for a charge for \$18 an hour ice time, or subsidy of \$30 per child; of the present subsidy of \$15 per child, plus reduced ice charges in the non-prime hours from 4 to 7:30 to \$15 an hour.

Mrs. Dobson's request will also go to committee for consideration.
