Markham Reviews First Six Months

Expenditures in the Town of Markham for the first six months of the year are relatively satisfactory. Councillor Roy Muldrew, chairman of the finance committee, told the August 21 meeting of council.

However, Mr. Muldrew expressed concern over the town's inability to obtain further approval from the Department of Transportation and Communications on a requested supplementary bylaw for more funds, despite the fact the approved road budget for 1972 is within the recommended limits shown in the Road Needs Study.

The budget, which is slightly under last year's, calls for \$2,786,058, compared with \$2,870,729.50 for 1971, exclusive of educational and regional levies.

Main expenditures thus far, along with the over-all budget and the figures for last year:

Executive and legislative, \$28,685, (\$50,000) \$40,594.67; general administration, \$134,580, (\$229,100) \$207,788.62; general government expense, \$70,979, (\$137,200) \$104,914.00; engineering services, \$89,374, (\$143,616) \$121,472.96; planning, \$43,069, (\$64,000) \$61,437.78; insurance and workmen's compensation, \$9,298, (\$10,500) \$7,024.26; fire protection, \$132,692, (\$247,500) \$287,239.79; parks and recreation, \$140,617, (\$244,900) \$184,189.29; library board, \$66,472, (\$120,915) \$111,054.75; museum, \$4,955, (\$15,600) \$7,310.84.

WE'RE FLATTERED, INDEED, BUT...

There's only one Welcome Wagon.

Imitation, 'tis said, is the finest of compliments. And as a much-imitated organization, we're certainly flattered.

But many have learned, the "reasonable facsimile" too often falls short of "the real thing."

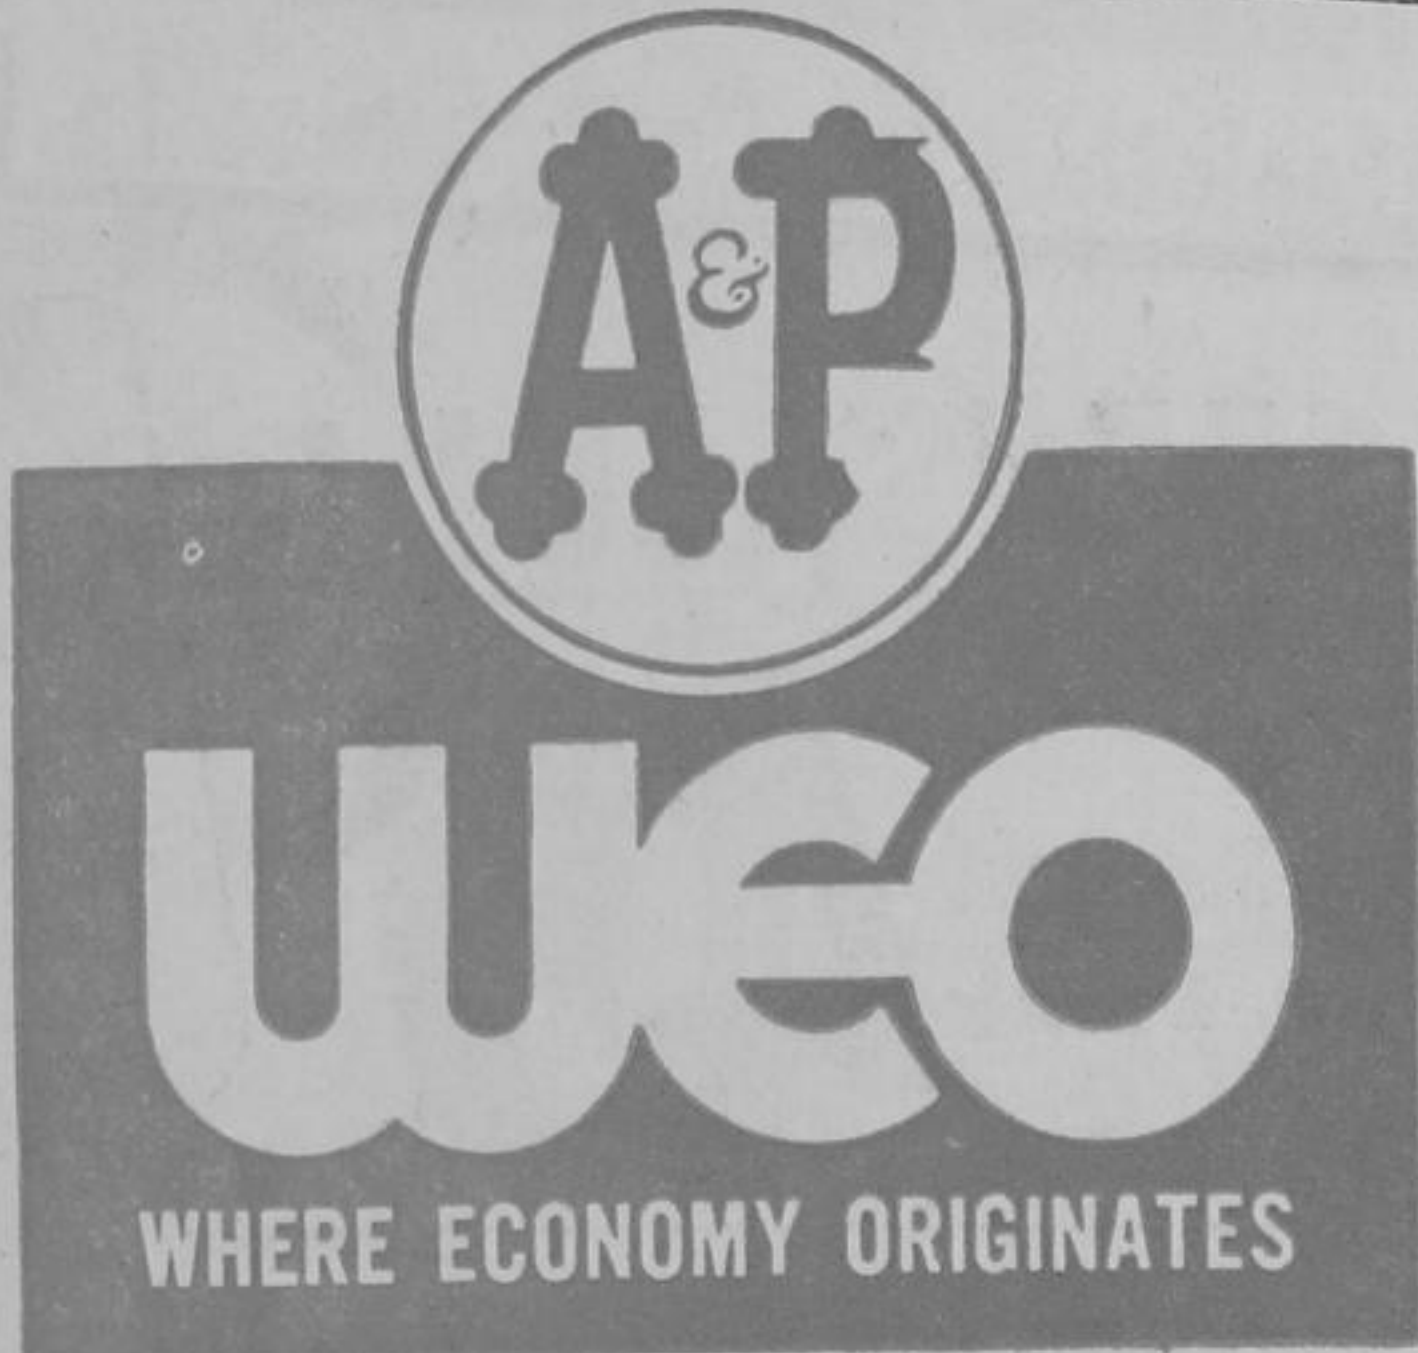

So beware of substitutes, for there is no real substitute for the services of and the benefits provided through Welcome Wagon.
