

Hunter Safety Course
Cold Creek, Sept 13, 14

The first in a series of Hunter Safety Training Courses sponsored by Metro Conservation Authority will be held in the Field Centre at the Cold Creek Conservation Area September 13 and 14.

Applicants for hunting licences under the age of 19 must have successfully completed such a course before they can be granted a licence, and the course is also recommended for all new adult hunters.

The course starts at 7:30 pm, and will be conducted by Lou Romhanyi, a well known Rexdale sportsman, and Superintendent George Calver of Cold Creek.

The first evening will cover firearm components, and the care, handling and safety aspects. On the second evening, game regulations, sportsmanship, clothing and hunting techniques will be discussed.

To qualify for a certificate, participants in the course must attend both sessions and take an examination. A small fee is charged for the course, and for more information call 630-9780.

Family Day & Sports Fair At Cold Creek
Sunday, September 10

More than 100 acres of parkland in the Cold Creek Conservation Area will be used for the displays of sporting equipment and demonstrations of sporting activities at the Family Day and Sports Fair to be held Sunday.

Last year more than 5,000 visitors attended the event, and this number is expected to increase substantially this year.

Visitors will be able to try out the newest snowmobiles and all-terrain vehicles, examine the latest in tents, trailers, camping gear, and hunting and fishing equipment, watch sporting dog demonstrations, and try their hand at trap shooting.

The Ontario Bird-Dog Association will demonstrate how their animals hunt quail and chukkar partridge, and the Labrador Owners Club of Toronto will show how retrievers are trained from puppies to champions. There will also be a demonstration of tracking by dogs from the Ontario Provincial Police Tracking Team.

Members of the West Toronto Fish and Game Protection Association and the Hubertus Conservation Club will be manning a trap and small bore rifle range and for a small fee visitors will be able to use the range with guns, ammunition and targets supplied.

Other demonstrations will include fly-tying, decoy carving, wood carving, lapidary and archery. Groups taking part in Sports Fair include the Canadian Family Camping Federation, National Campers and Hikers Association, Ontario Forestry Association, Ontario Revolver Association, and the Ontario Federation of Anglers and Hunters as well as a number of sporting clubs.

Family Day and Sports Fair is sponsored by the West Toronto and Hubertus Conservation Clubs in co-operation with the Metro Conservation Authority.

Cold Creek is one of 15 conservation areas administered by the authority and is located between Bolton and Nobleton, about three miles north of the King Sideroad on Concession 11. Admission to Sports Fair is the usual conservation area parking fee of \$1.50 per car.
