

Richmond Hill Well

Drilling operations are now underway for a new source of water at the corner of Dufferin Street and Maple Road in Richmond Hill to augment the town's present supply. When completed the well will join the existing water main at Trench Street and Maple Road. Drilling is being conducted by International Water Supply of Barrie for York Region.

Dennis Bosworth, regional engineer, said that it was hoped to get a good supply of water from the hole, but it would not be known exactly how much until the well itself was installed and then pumping could take place under actual conditions. Installation of the well is expected to take a couple of weeks.

Mr. Bosworth said the hole was discovered in 1966 when the Town of Richmond Hill undertook test drills in the area. He said sites are based on known aquifers, or by checking geological characteristics which indicate ground water.

Award Dead Teen's Mother \$902 October Strangling Still Unsolved

The mysterious strangling murder of two teenage girls believed hitch-hiking to Metro from southern Richmond Hill in October remains unsolved and the mother of one of the girls has been awarded \$902 under the Compensation for Victims of Crime Act.

A reward of \$5,000 is still offered for information leading to conviction of the killer.

Kathy Potter, 13, and Lee Kirk, 15, were found strangled in an abandoned gravel pit off Valley Farm Road in Pickering Township. Nobody has been charged so far in a long extensive Provincial Police investigation.

Mrs. Audrey Potter claimed recompense for the expenses resulting from her daughter's death and for mental shock to herself. The girls were wards of the Metro Children's Aid Society and lived at a Rochelle Crescent home in North York. Kathy Potter was a ward nearly 10 months.

The Crime Compensation Board noted Mrs. Potter wasn't a victim of a crime and wasn't responsible for her daughter's maintenance, but it paid Mrs. Potter \$804 toward the funeral expenses paid by the grandfather George Black and \$98 for other minor expenses.

The girls died while on their way home from visiting one of their fathers in Richmond Hill. Police say they may have been murdered in an auto repair
