## Only Three Finish In Roller Skating Marathon

By JIM IRVING  
Raquel Welch and the rest of the Kansas City Bombers had better look to their roller skates. The Town of Vaughan may be grooming its own stars of the roller skating lanes.

At least if endurance is a necessary qualification for the world that Miss Welch and her cronies inhabit in her latest picture and is any indication, then Vaughan has some likely candidates on the way.

Raquel Welch is currently appearing in a picture about the rough-and-tumble dare-devils of the roller derby, where skating is almost secondary to being able to send your opponent crashing into the nearest seats.

Not that the Vaughan skaters consider mayhem part of the picture. But they do know how to take some agonizing punishment, as witnessed by their participation in the 36-hour roller skating Marathon at Woodbridge Arena from 9 am August 26 to 9 pm August 27.

A total of 16 skaters showed up and half of them went the distance, even if some had to do it in relays with friends or other members of the family while they cat-napped in between.

All told they raised \$1,600 for recreational purposes in Vaughan, with Councillor John and Lillian Gilbert and their three children raising \$707 by themselves.

Two hardy young men from Rexdale, Allan Miller, 16, and Craig Babcock, 19, and Gordon Dodgson, 20, of Woodbridge, were the only ones to actually complete the full 36 hours on their own. They did it on pledges of 75 cents an hour, 55 cents and \$1.30, showing an Olympian dedication all the way.

All the skaters had one or more sponsors pledging various amounts, based on the hours they stayed in. A 10-minute intermission and refreshments were provided every hour.

Another big money earner was Barry Young of Aurora, Vaughan Recreational Director, who went 19 hours and managed a total of \$353.

Mr. Young solicited pledges from members of the staff and went into the marathon worth \$18.60 an hour.

However, it wasn't all clear skating. Mr. Young said that after 19 hours, he took off one of his skates and his ankle "just popped right up." As a result he was unable to get his skates back on.

When he drove home, he found he was pressing on the gas pedal with a foot that was entirely without feeling.

But it was worth it, says Mr. Young, who hopes to stage the marathon again next year, only around May 24.

He said that, although the number of participants was small, the crowds reached 200 and more. He said also he was disappointed that the figure skating and hockey clubs in the area hadn't been represented.

Two weeks ago, representatives from the Maple and Woodbridge Minor Hockey Associations and the Woodbridge Figure Skating Club appeared before council to ask for a reduction in ice rates at the new Maple arena in the coming year, so that they could meet their budgets.

All three groups said that unless they received some financial relief, they would not be able to survive.

Two young skaters who performed Amazon-like feats at the marathon were Judy Cogle and Wendy Chapman, both 12, of Woodbridge. The two spelled each other off and completed the circuit, getting \$3.90 an hour, or a total of \$140.00 for their efforts.

## The Voice of Concord

Happy anniversary to your correspondent Carol and husband John who celebrated their 10th Wedding Anniversary Friday.

Congratulations to the Concord youngsters who are going to attend school for the first time: Sharry Camp, Billy Hope, Robin Donald and Michael Tansh. They will be attending Thornhill Public for kindergarten this year and will go to grade 1 at Concord Public.

Mrs. Chris Cogle, mother of Judy, who Mr. Young said hadn't planned to enter, but who was talked into it, completed 21 hours for \$89.25.

Keeping the young girls awake was the toughest part, said Mr. Young, but once roused from their 10-minute siestas, they took off again with a vengeance.

The girls also received a trophy for their efforts, as did the Gilbert family and Louise Reid and Wanda Arnot of Woodbridge, who amassed 30 hours between them.

Bob Martin, editor of the Woodbridge News, managed to stay upright for 5 1/2 hours.

Bob Bagg, Woodbridge, managed 14 1/2 hours, while two other Woodbridge entries, Penny Fairborn and Debbie Shannon spelled each other off for 9 hours and \$17.

He said that, although the number of participants was small, the crowds reached 200 and more. He said also he was disappointed that the figure skating and hockey clubs in the area hadn't been represented.

## LOOKING AROUND

**Neighborhood Notes**  
We would like to send sincere get well wishes to all those in hospital or confined to bed at home, including Miss Laura Embury injured last week when hit by an auto on the Major Mackenzie Drive.

Also to Mrs. Miriam Lepper, sincere get well wishes from all her many friends and fellow members of the Maple Senior Citizens.

We were surprised and very pleased when Sandi King, secretary to Vaughan Recreational Director Barry Young, told us of the wonderful results of the Woodbridge Arena Roller Skating Marathon. It seems that the sponsor had his choice of recipient for the money to be raised. Along with substantial sums going to many worthwhile organizations including the Salvation Army, the Retarded Children, Woodbridge Minor Hockey, Maple Minor Hockey, there is money for several senior citizens groups, including our group in Maple.

When the final figures are in, we hope to be able to quote them in this column and to express most sincere thanks to those who spent all day Saturday and Sunday roller skating as well as to those who were so generous in sponsoring the skaters.

We do hope that with the long weekend over now that our Maple readers will let us know of their holidays and special events, and we do welcome back all the teachers and principals of each school, and wish all the students the best in their new school year.

**Maple WI**  
The first meeting of the fall season will be held at the home of Mrs. Doris Payne in Richmond Hill on the evening of September 13 at 8 pm.

Mrs. Jean Robson and Mrs. Ethel Hardwick are to be in charge of the program and Mrs. Velma Jennings and Mrs. Florence Warson are in charge of the lunch for the evening.

**Church News**  
At St. Paul's Presbyterian on Concession 7 the congregation on Sunday will have, as their special guest minister on the occasion of their 128th anniversary, the Rev. John Crabe of Albion Gardens, Thistleton. The congregation of St. Andrew's, as well as members of all other congregations, are cordially invited to join with St. Paul's for this 11 am service.

The Dorcas Unit of the Maple United Ladies has postponed its September meeting from the 12th to the 19th because of a fall rally to which surrounding UCLW groups as well as the Ladies' groups of the other local churches have been invited.

A special event in the form of a social evening to celebrate the paving of the United Church Parking Lot will be held Friday from 8 am till 11 pm.

An invitation is extended to all to come and join in the fun of round and square dancing to recorded music with no admission to be charged. A corn roast and possibly hot dogs and hamburgers will be sold at a nominal charge to cover costs.

Guests are urged to park their cars on the Jackson Street parking lot, to leave the newly paved lot free for the festivities. In case of inclement weather, the event will be postponed until the following evening.

**OMHA Bantam Trials**

## IN THE VILLAGE OF MAPLE

9:15 to 10:15 pm at the Red Rink, Doublinck, on the following dates: September 7, 12, 14, 19, 21, 26 and 28.

The cost for this is \$1.50 per hour with \$9 for all seven hours.

**Senior Citizens**  
The first meeting of the Maple Seniors for the fall season will be as usual in the Maple United Church Hall with several items of business to be discussed. Among these will be the generous sum received from the donors of the Woodbridge Marathon.

Several more outings are in the planning stages, including a color tour October 5, when probably more than one bus will leave Maple with the new Vaughan Citizens included in the plans. Senior citizens from Woodbridge, Kleinburg, Nashville, Thornhill and Maple are urged to keep a close eye on "The Liberal" to follow the progress of the application being made on behalf of all retired people in Vaughan for funds under the New Horizons Program of the federal government.

On September 12, a meeting of the elected area senior citizen cabinet, consisting of representatives from Kleinburg, Nashville, Thornhill, Maple and Woodbridge will take place. This is planned to get final approval before sending their area application on to the appropriate government department.

A bit of bad news for those who were looking forward to a three-day tour to North Bay -

Sudbury area. There has been a cancellation of this particular trip since the six-hour boat cruise which was to be the highlight of the trip will not be operating in late September. An alternative trip, possibly five

days long, is being considered. More on this next week. For those who drive their cars to Maple to leave on the bus trips, it has been suggested that the bus load in front of the church, and that the cars

be parked on the new lot where they will be quite safe and will not be blocking traffic on Church Street.
