**Neighborhood Notes**  
A nip in the air this Monday morning, heralding cooler things to come.  
The last holiday of the summer was less attractive than hoped for, and as a result traffic on Don Mills Road and elsewhere in the area was a mere trickle compared to other weekends.

Industry is taking over more and more south of Highway 7 on Don Mills. A building is being constructed immediately south of the Stots property for industrial purposes, and at the former Leaf property a sign states the land is for lease and the owner will build to specification.

Mrs. Alf Miller and Mrs. John Buchanan, who spent the past week in York Central Hospital for surgery, expected to be home again this week.

John Donaldson, who spent some time in Scarborough Hospital for surgery, is home again and doing well, according to report. Elmore Hill is still confined to Scarborough General. Mrs. Hill said Sunday his condition is improved. While her father is ill, Mrs. Florence Bowers of British Columbia is here with her mother.

The Bill Hoods visited the west coast this summer, and now they have a visitor from Mercer Island, Washington State, at their home. She is Miss Robin Hood, daughter of Bill's cousin Gordon Hood, who will remain with them for a time. On Sunday evening family members were invited to the Hood home to greet her.

The Arthur Hewitt Family spent an enjoyable holiday touring the Maritimes this summer. Not the best weather, but adequate.

One of Sharon Buchanan's extra curricular activities this autumn will be teaching crafts to 7-12 year old boys and girls at a Tuesday evening class at Parkview School, Unionville.

**Church News**  
Rev. Allen and Mrs. Hallett and Jane returned from their August vacation on Saturday of last week. They spent most of their time with relatives in New Brunswick, Nova Scotia and Montreal. Unfortunately Jane was ill with pneumonia for part of the time.

Sunday morning at Brown's Corners United Church the congregation welcomed back Rev. Allen Hallett. Mrs. Don Reesor played the organ, and there was a service of baptism for Mr. and Mrs. Bill Best's new baby girl, Catherine Anne, who arrived at their home early in July — a sister for Dannie and Ronnie. Church activities take on momentum next week.

Monday evening there will be meetings of the board of session and the stewards.

**Garnet Francey**

Friends were sorry to learn last week of the death of Garnet Hastings Francey of RR 2, Gormley, who died August 30, at the Country Place Nursing Home, Richmond Hill.

Mr. Francey suffered a stroke almost a year ago and had been in poor health since that time. A widely attended service was held Saturday afternoon at the Melville United Church where Mr. Francey had served for many years.

Honorary pallbearers included old friends Dr. George Kelly Senior of Newmarket, Herbert Morton and Adam Brown.

Surviving are Mrs. Francey, the former Jessie Thomson; a niece, Mrs. Marjorie Harrison of Anacortes, Washington, and Dr. Robert Hastings Dreichbach of Palo Alto, California.
