

## Minor Soccer Results

### House League

**SQUIRT DIVISION**  
**TIGHT RACE**  
Three teams are tied for top spot after two rounds of play-off games. As a result of a win and a tie, BAIFs, Ratcliffs and Dans Esso have three points while the other three teams have collected one point each. Ratcliffs 1, Dynes Jewellers 1. Only two goals were scored as all teams tightened their defences. Mario Maccararo broke away to score Dynes' marker while Ratcliffs, although applying constant pressure had to be content with a tie. The Dynes were unlucky to deflect the ball into their own net.

**BAIFs 0, Lazebny's Leaders 0**  
The leaders came up with their most spirited effort to date. Only strong work by Todd Farragher and Neil Randall-Smith prevented a Lazebny tally. Led by a strong performance of hard-working Roy Hayward, the leaders gave evidence that they will be tough to beat in future games.

**Travelways 0, Dan's Esso 0**  
Strong goaltending by David Vass of Travelways and consistent attacking by Reggie Golab of Dan's were the highlights of a superbly played game between two good teams.

**MOSQUITO DIVISION**  
**Decianis Const. 2**  
**GoGo Contracting 1**  
Decianis surprised GoGo on goals by Doug Chrepyk and Rick Clendenning. Scott Taylor replied for GoGo.

**Flyers 5, Falcons 0**  
Alan Clark led the way with two goals for the Flyers' second playoff triumph. Single goals were counted by John Vorich, Allen Lynden and Andrew Campbell.

**Belgian Art Studio 6**  
**Avenues 1**  
Two goals in the first five minutes by Belgian Art Forward John Pennyfather set the stage for this big upset. Centre Half Jimmy Sauee netted a single while fleet Jim

Marks counted a hat trick Wayne Matarelli, lone scorer for Avenues, ran miles in a losing cause.

**Pirris Fruit Market 8**  
**Tournaments Inc. 0**  
Pirris won their second game of the playoffs in convincing fashion as they blanked Tournaments. Pirris face their stiffest competition as they tangle with Decianis next.

**North York League**  
**MOSQUITO DIVISION**  
**CFGM LOSES SEMI-FINALS**  
Coach Sam Johnson had his charges up for this quarter-final game against the eastern division league champions. York Mills jumped into a 1-0 lead but the radiomen fought back strongly. Mark Kernohan tied the score on a breakaway goal and set the stage for an exciting finish. With five minutes left in the game CFGM was awarded a penalty shot and the pressure mounted. However Ace "Penalty Taker" Mark Kernohan confidently placed the shot into the back of the net.

**Yorkview 5, CFGM 2**  
The local lads started strongly in this semi-final game and quickly jumped into a 2-0 lead. Top Scorer Tom Peden counted the first goal and Mark Kernohan added another penalty shot goal to his total. However, Yorkview came on to dominate the game and bring the season to an abrupt end for the radiomen.

Much credit goes to Coach Sam Johnson for his excellent coaching efforts with this team. Sam demonstrated sound soccer knowledge and combined this with enthusiasm and a deep respect for the young boys under his care.

In return every player on the team gave an all-out effort in each practice and game and gave the coach their complete co-operation and respect. It was an excellent and enjoyable soccer season for the CFGM team.

Recent publicity explaining the details of the 1972-73 increase in registration fees and the deferred payment scheme has also helped by clearing up the misunderstanding which could well have discouraged many prospective hockey players.

With three weeks to go the house league division player lists in most age groups are building up to desired levels at a steady rate. House league play begins October 10.

In the town representative team division (TRT) September 16 and 17 saw the start of the tryout sessions, which are programmed to run through to October 8 with play in the York Simcoe League of the OMHA scheduled shortly thereafter.

Registration will remain open only until all team rosters are completed. Those wishing to participate are urged to contact one of the following age-group convenors as soon as possible:

**MINOR MITE** (age 5, 6, 7 before December 31, 1972)—Don Halliday at 884-2667.  
**MAJOR MITE** (age 8)—Tom Veitch at 884-8980.  
**TYKES** (age 9)—Jim Francey

At all girls who played—even though all cannot be named—the executive of the RHMSA thanks you for the great performance you put up. Two boys' squirt teams from Richmond Hill have been invited to put on an exhibition game on September 25 at Stanley Park. The invitation has already been accepted.

Special thanks to Mayor William Lazebny of Richmond Hill and to Alderman Leo Piccinini and to Counsellor Boychuk, both of Toronto, who have taken a great interest in the encouragement of sport in the Toronto and suburban areas.

**GIRLS VERSUS BOYS**  
(September 18)  
On a rain-soaked field at Bayview the scoreless tie reflects the general mood of the game. While there was plenty of enthusiasm there was little to record in highlights. The only star in this one was the girls' goalie Helen Pennyfather who saved a penalty shot by falling on a slippery ball on the goal line.

Later in the game the boys shot wide from another penalty awarded by Referee John Pennyfather Jr. Regular league play continues next Monday at 7 pm sharp at Bayview Field.

## Hill Power Squadron Annual Rendezvous At Bolsover

Members of the Richmond Hill Power Squadron held their annual rendezvous at the Ports of Call Marina at Bolsover, Labor Day Weekend.

There were 75 members attending in company with 20 cruisers. The boats ranged in size from 15 to 50 feet in length. The 50 foot cruiser was one of the highlights of the event. It is the largest craft handled by the Trent Severn Waterway.

Festivities got underway Saturday afternoon with the Commanders Cocktail Party hosted by Commander Sid Hunt of Richmond Hill. This was followed by dinner and a dance. Sunday morning found members dressing their boats for the "sail past" scheduled for later in the day.

A Predicted Log Contest was held after lunch where members had to put their piloting skills to use with their boats over a laid out course on Canal Lake.

The Sail Past was next on the agenda and was the premier event of the gathering. The salute was taken by Commander Hunt, in full dress uniform, as the boats sailed past line astern, each decked out in multi-colored flags.

The events of the day were climaxed by a corn and wiener roast with the winners of the "Predicted Log" contest held earlier being declared.

They were Eric Lane, Richmond Hill; Sean Powers, Toronto and Bob Shepard, Richmond Hill. Throughout the day the guests were entertained by accordion and banjo with impromptu sing songs and dancing taking place among the moored cruisers.

The final day of the event was Monday and saw breakfast served and then farewells taken as the boats headed for their home marinas.

It was generally agreed the rendezvous was thoroughly enjoyed by all present. This was due in no small part to the efforts of the organizers as well as the willing assistance and co-operation of the staff of the Ports of Call Marina.

Reservations have been made at Bolsover to hold the event there in 1973.

## Paul Philip Pitches, Bats Lions Loop Finals; Beat Gwillimbury

Richmond Hill Peeewe Lions downed East Gwillimbury 12-9 and 7-5 to reach the finals of the York Simcoe Softball League.

They now meet Stouffville in a best three out of five series. Thursday night of last week they upended East Gwillimbury 7-5 in a game played at Queensville.

**Pitchers Glen Moreland and Paul Philip combined for the win. Philip replaced Moreland in the fifth inning with one out after Gwillimbury scored twice in a walk, a hit, and an error.**

He had only given up four hits but errors by his teammates hurt him. Philip retired the next two batters to preserve a 7-5 lead and the win. Philip gave up only one hit the rest of the way while striking out five batters.

Pitcher Moreland opened the scoring in the first inning as he singled, stole second, and scored on Chris DeGeer's single.

East Gwillimbury retaliated with three runs on three hits. Dale Strang singled in the fourth and scored to shave the lead to one run.

The Lions put it all together in the fifth as Peter Beatty, Greg MacMillan and Moreland all reached first base on errors. Strang then walked followed by DeGeer's double. The Lions tallied five times to lead 7-5.

The opening game September 11 at Crosby Park saw the Lions, who had been idle for two weeks, off to an early 8-2

## O. Ridges Bantams Lose To Cobourg, Series Tied

Oak Ridges H. Brown Fencing Bantams missed a chance to eliminate Cobourg in two straight games Saturday night when they dropped a 6-5 thriller in Cobourg.

It was the second game of the OASA All-Ontario semi-finals which saw Oak Ridges win the first game by 7-3.

The final game in this series will be played this Saturday in Cobourg.

A three-run error in the second inning was the killer for Oak Ridges and Pitcher Al Heintzman who deserved a better fate. Heintzman struck out 19 batters.

The opposition could only manage five strikeouts. Scoring the runs for Oak Ridges were Rick Lusk with two, John Lenneville with two, and Chris Smith with one.

The first game on September 9 saw Lenneville picking up the win for Oak Ridges with 18 strikeouts.

Cobourg opened the scoring in the first inning and held onto the lead until the third when Dale Roffey put Oak Ridges on the scoreboard with a homerun.

Both teams scored in the fourth and then Frank Wood put Oak Ridges ahead by 3-2 with another four bagger.

The score remained that way until the eighth when Cobourg tied it with a homerun of their own.

Oak Ridges' run in the eighth came on singles by Dennis Griffith, Roffey, and Chris Smith to load the bases. Rick Lusk then singled to send in Griffith with the winning run with the bases still loaded.

Lenneville then doubled in Roffey and Smith. Another single by Larry Greenslade loaded the bases.

Wood then singled Lusk in for the final run.

Oak Ridges advanced to the semi-finals by defeating Stouffville and Parry Sound in two straight games to win the zone championship.

H. Brown Fencing were eliminated from the York Simcoe Softball League playoffs Friday night of last week when they dropped a 13-5 game to Richmond Hill Bantams.

This was the same team Oak Ridges had beaten in the OASA. It was the second straight loss to Richmond Hill.

**LIONS CHAMPS**  
Oak Ridges Lion Squirts won the York Simcoe Minor Softball championship by beating Richmond Hill Baker Squirts three games to one.

The Ridges boys won the first game 10-1, lost the second 8-3, and then came back to win the third and fourth ones by 4-2 and 1-0 scores.

That final 1-0 game saw both teams playing superb ball with the game remaining scoreless at the end of seven innings.

Then came the extra inning as Richmond Hill went down in order.

Then came Oak Ridges' turn with Mark Spensley singling with one man out. He went to second on a wild pitch, stole third, and finally home. The winning run came as Terry Lusk swung out and the catcher missed the ball. The throw was made to first and Spensley roared home.

## Girls Soccer

**DIVISION "A"**  
(September 11)  
**Lazebny's Lassies 2**  
**Roadrunners 0**  
A real turn-out about this one. There was only one team in it and although the Roadrunners were short-handed, they have dominated league play throughout the season. Eva Houston scored both goals for the winners. The Roadrunners defended stubbornly but they were not able to prevent the Lassies from counting twice.

**DIVISION "B"**  
**Otters 5, Cougars 2**  
Scorers were Valerie Houghton with three for a top-notch performance. Katherine Beck with and Lorie Carton also added singles.

Karen MacArthur scored two goals for the losers. Congratulations to Karen whose team has not been too successful this year but who has continued to score consistently.

**STANDINGS**  
**Division "A"**

	W	T	L	Pts.
Roadrunners	5	1	1	11
Lazebny's Lassies	1	1	5	3

**Division "B"**

	W	T	L	Pts.
Otters	6	0	1	12
Cougars	0	6	2	2

**5,000 SEE GIRLS AT STANLEY PARK**  
(September 12)  
In what may have been the largest crowd any girls' team has played before in Canada, a huge segment was on hand to see two of the senior teams of the girls' leagues play an exhibition game prior to the big league game between Toronto Italia and Toronto Croatia, a NSL sizzler.

**Lazebny's Lassies 1**  
**Belgian Art Studios 1**  
The girls gave it a 100 percent try in this tied game before 5,000 cheering fans. The fans obviously enjoyed watching their first girls' soccer at Stanley Park Stadium under floodlights.

During half time the teams were photographed for press release and were introduced along with Richmond Hill Minor Soccer Association President Rob Kernohan; Vice-president John Pennyfather; Secretary-Treasurer Les Trotman; and Referee-in-Chief Don Eckersley. Also on hand were the president of the National Soccer League and the president of the Ontario Soccer Association.

The girls took a little time to settle down on the Olympic size field but they soon got the feel of their surroundings. Betty Cubbit scored first for the Lassies taking a great through pass down the middle, raced past one defender, pushed the ball ahead, drew Goalie Gillian Cornwall out of position and slammed home a great shot.

Belgian's Alvina McKenna persevered in the second half to get one past the tight Lazebny defence and tie the game. Alvina, playing inside left, blasted one in off the post, leaving goalie Helen Pennyfather lying on the ground helpless.

The local association thanks the National Soccer League for

## Registrations Are Still Being Accepted In Minor Hockey Play

By HAROLD REDDING  
Vice-President Local League Division  
Richmond Hill Hockey Association

All indications are that another big year of minor hockey lies ahead. Richmond Hill Hockey Association officials report that player registration so far is quite encouraging despite the summerlike weather and continuance of activity in the summer sports of baseball and soccer.

Recent publicity explaining the details of the 1972-73 increase in registration fees and the deferred payment scheme has also helped by clearing up the misunderstanding which could well have discouraged many prospective hockey players.

With three weeks to go the house league division player lists in most age groups are building up to desired levels at a steady rate. House league play begins October 10.

In the town representative team division (TRT) September 16 and 17 saw the start of the tryout sessions, which are programmed to run through to October 8 with play in the York Simcoe League of the OMHA scheduled shortly thereafter.

## New \$400,000 Newmarket Arena Underway In Official Ceremony

Newmarket Mayor Bob Forhan took shovel in hand and dug up the first dirt on the site of the new \$400,000 arena in a special ceremony September 8.

The arena, to be located on the west side of Huron Heights Secondary School, is the result of a somewhat unique package deal between Newmarket and Del Zotto Homes.

Del Zotto is footing the entire bill for the new arena in return for approval from the town on a proposed subdivision in the municipality.

The digging-up ceremony culminated a long series of negotiations between Del Zotto and such municipal figures as Mayor Forhan and Regional Councillor Ray Twinney.

Both Forhan and Twinney had pointed out strongly to the developers that they should be concerned enough to consider the overall town planning situation in addition to their specific project.

Presto. They got what they wanted. Del Zotto will also supply all the equipment for the arena, a hockey timer, hockey nets, and Zamboni ice cleaner.

The building is located on three acres of ground which will also contain parking space for 60 cars plus landscaping sodding.

It will be of mainly concrete block construction with the front of the arena dimensions (including the surface module) measuring 27,370 square feet.

The interior comprises an ice surface of Olympic size at 185 feet by 85 feet or 15,725 square feet. It will also contain dressing rooms, showers, toilet facilities, concession bar and ice making plant.

Ice is expected to be ready for usage by Christmas. Newmarket's existing arena, built about 1930, has reached the point of not being large enough to deal with public demand.

Newmarket officials felt the demand was created by new subdivisions bringing people but not contributing to the area's recreation facilities.

That's when negotiations started with Del Zotto who were applying for a new subdivision.

The arena is one of two major recreational facilities the town has required subdividers to build for it as a condition of approval of their subdivisions.

The other is a heated and enclosed municipal swimming pool. Construction on the pool is scheduled to start next spring, and it should be ready for use when the hot weather arrives.

The pool is being provided by Schickendanz Developments Ltd. in its Quaker Hill Subdivision. The arena and the pool are the largest contributions ever extracted by a Newmarket Town Council from a builder, and they may be the last for some time to come.

According to present Ontario Government policy, no more large subdivisions (like the Bayview Hills project of Del Zotto where the arena will be located) will be approved for Newmarket during the next 30 years.
