

Maple, Kleinburg Concord & Edgeley News

"The Liberal" is always willing to publish items regarding people and events contributed by its readers in Maple, Concord, Edgeley and Kleinburg. Maple, please phone Mrs. Louise Cooper, 832-2408; in Edgeley and Concord, Mrs. Carol Cole, 889-4379; in Kleinburg, Mary Dawson, 884-1105; in Teston Mrs. Connie Brown, 832-8817.

LOOKING AROUND

We specially urge all our readers to have their material in to us this Friday or Saturday morning at the latest for next week's "Liberal". For anything else call 884-1105 direct. The same will also apply to the Thanksgiving week end when our copy will have to be ready by Friday morning.

Rev. and Mrs. Stanley Snowden and family attended the Centennial celebrations at Maple Grove United Church near Bowmanville. This is Rev. Snowden's home area and home church and he was the guest speaker for the services.

A point that seemed unquest to us is that Mr. Snowden began his ministry at the Maple Grove Church, moved to Shawville, Quebec, where the cemetery was Maple Grove Cemetery, and now has become, with his family, a welcome member of the community of Maple!

NO WALKATHON

Our regular readers will recall that in last week's column we pointed out that the Maple Area Recreation Committee has cancelled its walkathon for September 30. On the same page an item appeared indicating that the same walkathon had been taken over by the Vaughan Recreation Committee.

This was the result of a combination of misunderstanding, over-enthusiasm and poor communication. A "Liberal" reporter, in an effort to give all support to the local fund raising campaign, noticed a sign in the Town of Vaughan offices, understood that the Vaughan Recreation Department intended to plan a walkathon, and gave special space to support the effort. THERE WILL BE NO WALKATHON!

Also in the same article, the figure of \$1,600 was mentioned in connection with the new arena.

The money raised at the skatathon was delegated to various recipients, including the new arena, but no figures are as yet available, since a great deal of the money has not been collected from the sponsors.

We know that our fellow reporter will join us in our apologies for the confusion and hurt feelings that may have been caused.

Maple Lions' Oktoberfest

With only a week and a half to go, excitement is building, and final arrangements for the big party are now being completed. The new Maple Arena is about to become a reality. Sincere admiration and gratitude is expressed to everyone who has participated in anyway in this awesome project, from the men of the Lions Clubs who fostered the idea and have carried it through, the township officials who attended to the care of the financial, legal and engineering aspect, and to all the people of the community who helped to raise funds, the celebration of the big event will be held September 30. From all reports around town, the ticket sales are going very well, and we do hope that everyone will come and join in the fun.

IN THE VILLAGE OF MAPLE

Registration night for the Estonian Gymnastics will take place on the first night of the 10 week session, October 4, at the Joseph Gibson School.

The girls' classes will run from 7:30 till 8:30 and will cost \$5 and will include girls from nine up. The ladies' and teens' will begin at 8:30 and run till 9:30 pm at a cost of \$10 for the 10 week period.

For any further information or questions call Carol Flynn at 832-2666 or Cynthia Albin at 832-2367.

The recreation committee is also organizing basic karate lessons also at the Gibson School for both boys and girls.

This will be an eight week course each Monday evening, from 7 till 9 pm, beginning October 2 and running till November 27. Registration will be taken, again, the first night of lessons, for this limited class of 30 at a cost of \$5 per person. T-shirts and shorts with running shoes will be the required dress for this program.

As for the above, Mrs. Flynn and Mrs. Albin can give further information.

Home and School Just a reminder not to forget the first meeting of the new home and school executive in the staff room of the Gibson School at 8:15 pm September 27.

Tickets are still available from Lions members at \$2 per person.

Senior Citizens

Maple Seniors got the fall meetings underway, September 11 with an afternoon of euchre, preceded by a visit from Vaughan Recreational Director, Barry Young. Mr. Young had been good enough to try to explain to the members the details of the New Horizons Program as laid down by the Federal Government.

The members were also most appreciative of his efforts in the recent skatathon at Woodbridge when his 19 hours on roller skates netted the Vaughan Senior Citizens a substantial sum, although the figures are not available as yet.

At this week's meetings plans were finalized for their color tours, and the members were informed that the trip to Stratford is sold out for October 16. The one-day color tour October 5 still requires names, which can be given to Edna Bryan at 832-2583 or to Mrs. Louise Cooper at 832-2408.

October 2 Harry Elkins plans to show the members a film on Bermuda, and it is hoped that invitations will be accepted from neighboring groups to join with Maple for this.

MRA

In spite of all the confusing publicity received by the Maple Recreation Committee, they are still holding their own, and are well into their plans for fall activities.

To all parents and teachers, keep in mind the date for the Home and School Dance, October 20.

Church News

The congregation of St. Andrew's Presbyterian Church is busy preparing for their 143rd anniversary October 15. The ladies of St. Andrew's are also deep in their preparations and their housecleaning efforts for their rummage sale September 30 from 10 am till 12 noon.

Cubs, Scouts, Guides, Brownies We are most fortunate in Maple in having another leader to help with the Brownies this year, and as a result, the first Maple Pack will be re-opened.

Both packs, however, will begin together September 26 from 4:30 to 6 pm and will remain together until the younger ones have been enrolled. Special thanks goes to Mrs. Karen Vincent for volunteering her help.

Canadian Arthritis Society

The Canadian Arthritis and Rheumatism Society would like to extend their thanks to John Perry for loaning his drugstore window so that the society could display their shadow box giving the community a much clearer picture of just what the society is all about and the object of the campaign. Many thanks also to the merchants in the plaza who have given up window space for the poster contest. The children have worked hard on their posters so do make a point of taking a good look at them when you are in the plaza this week.

Bowling The Pioneers begin their bowling October 5 at the community centre bowling lanes at 7 pm.

The ladies got under way last week with their first night of bowling. The Rogues took all 7 points from the Scamps, the Beggars took all 7 from the Tramps, the Rovers took all 7 points from the Scoundrels and the Hobos split with the Rascals 4 to 3.

Barb Gauthier had high average with 212 and high triple with 636 and high single was taken by Sydel Cook with 289.

You're miles ahead with Firestone Riding System Service

MAKE YOUR FRONT END HAPPY

WHEEL ALIGNMENT WHEEL BALANCE OUTER WHEEL BEARING REPACK

FOR ONLY \$9.95

For less than ten bucks you can do a lot for your car. At Firestone. Of course, you'll find it rides a lot better. But that's only the beginning. When you invest \$9.95 you can actually save a good deal more. Because if your wheels are out of alignment and balance, your tires will notice it a lot sooner than you will. Maybe you won't even know you've got a problem until your tires tell you about it. By wearing out too soon. By wearing out in uneven patches. Or by wearing out on just one side of the tread. That's a sad waste.

And, of course there can easily be damage to other mechanical components too. So we'll put your front wheels in perfect alignment. The way the car engineers designed it. And we'll make sure your wheels are perfectly balanced. And now, about that outer wheel bearing repack. Most people don't think about this important little part of their cars. Until the grease dries up and cracks. Until bearings crack or score. Until the bearings need to be replaced. Spend a little. Save a lot. That's what Firestone Riding System Service is all about.
