Millionaires Night Saturday Evening To Aid Midget Hockey

Gosh we just came out from the wireless (more ways than one) hut and found the seasons had been changed. Now it is autumn and the time to see nature in all her supreme glory. One doesn't have to move very far away to see the glorious colors; a few minutes walking will give you an idea of what it must be like in the north country. Thanksgiving time is with us and gives us the opportunity to give our sincere thanks for each and every blessing.

Do you all remember Branch 375 Fuddle Duddles? The other day we were all met in one spot at the same time and this is the result of that meeting. It seems that our Fuddlers are going to have a dance on November 17. This is in one sense a victory dance. These boys didn't win any trophies, but they sure won a lot of friends. So far there are three branches in the tournaments next year. When definite plans are completed we will pass the information on.

How are all our sick comrades and neighbors these days? We say welcome home to Comrades Jim Davidson and George Diezman. Also to our Chief Steward Gord Mills. We sincerely hope that Comrades Bob Jones (Wellesley Hospital) and Fred Smith (Sunnybrook Hospital) are on the road to recovery. If any of our friends and readers have been out of sorts, may you all get well in a hurry. Why not drop a card to anyone that you know may be on the sick list!

The air cadets of 778 Squadron are really to be congratulated. Five members of this squadron recently took part in the rifle competitions held at CFB Borden and came up with an amazing 85% win in over all competition. Those members doing such a fine outstanding job were: Sgt. Walter Schmidt, WO2 Gerry Topham, Sgt. Mike Tracey, Cpl. Mike Kazab and Officer Cadet Frank Jedlicsek. Very special congrats to this last named young man on his promotion to the rank of officer cadet. To each and every member of this team we extend our heartiest congratulations.

The weekly social nights just keep rolling along and with continued success. Friday night Comrade Tom Hughes was the mystery winner. He then had the pleasure of drawing the winning ticket for the monthly (September) 50/50 Draw. The winner was a Mr. Back of Downsview. Sam Wiscombe was the winning seller. Congrats to one and all. Friday we really had a treat. Comrade Colin Wyatt played for the entire evening and made the set of ivories perform their best.

The month of October 1972 has proved to be a busy one so far. Saturday finds us attending the Millionaires Night in support of midget hockey. Proprietor George Sullivan extends a hearty welcome to any who wish to join in the festivities. He is serving a hot buffet to start the evening. Then try your luck at various games of chance or dance the night away. Admission to this evening of fun is \$2 per person.

Saturday October 21 finds the lady veterans sponsoring a Harvest Hop. When these gals throw a bash they always get the best and they didn't miss this time either for they have George Cowie and Ken Birch providing the dance music. For the very low price of a \$1 won't you come along and join in the fun and frolic. Any funds raised by this hoedown will assist the annual Children's Christmas Party.

Then of course we hold our annual Halloween Night on October 28. Come and join in this annual treat in the costume of your choice. We haven't forgotten the general meeting next Monday at 2000 hours, Legion Hall. We haven't forgotten so don't you.

Though we never forget the aims of the Poppy Campaign, this time of year brings it much to the fore. November 6 to the 11th is Poppy Week. Climaxing this year's campaign is our annual Veterans' Night. This year Armistice Day is Saturday November 11. It has been twenty-two years since the last time this was held on a Saturday; the more reason to honor it.

Branch 375 honors veterans of World War I. They will be our guests of honor at a special dinner and dance. Again George and Ken will supply the music for dancing. Our old friends the Newmarket Pipe Band will also be in attendance.
