Maple Softball Champions For Second Year

A three-run homer by Marko Pidhirsky of Netherford Road (right) in overtime decided the 1972 championship in the boys aged eight to 12 bracket of the Maple Minor Softball League. The Leafs beat the Buds 4-1 to take the championship for the second year in a row. After the windup of the season Maple Lions provided soft drinks and hotdogs to 175

boys and girls who participated in the league during the summer.

Dr. Walter Jurczak of the Lions is shown presenting the championship trophy to Leaf Co-captains Per Nielsen (centre left) and Colin Mummery (centre right) while Coach Tom Mummery of 54 Netherford Road looks on.

Teston Tidings

Church News

After Choir Practice on Wednesday evening October 4th all the choir members congregated and presented Hazel and Roy Cooper with a beautiful swag lamp. The Coopers just recently sold their property in Teston. Sunday was a scene to behold as it was beautifully decorated to the theme of Thanksgiving.

Neighborhood Notes

Welcome back to Herb and Shirley Scott who have just finished a two week visit in Spain.

Also welcome back to Jim and Mildred Auld from their four week tour of the British Isles. Good weather prevailed although it rained a few times. One of the points that sadly stood out was the beggars in the South of Ireland. It was

amazing the number of parents that push their children out in the streets to beg. They were escorted around Dublin, to places they would not normally have gone on the tour, by a young couple, they had corresponded with from a recent trip last year to Germany. It was on that trip that they had met this young couple and corresponded with and were truly grateful to them for all their time they gave them and certainly made the trip even more enjoyable.

Carol Saywell and friends enjoyed a lovely weekend on the 30th September with a trip to Muskoka and Burks Falls.

WE THANK YOU

Maple
And The
Town of Vaughan
For Making
Your OKTOBERFEST
an overwhelming success
Our sincere apologies to those supporters who where unable to gain admittance.

"MAPLE LIONS CLUB"

Lions Auction Sale On October 21 At Maple

The annual Maple Lions Club auction sale will be held October 21 from 12 noon at the Maple Community Hall.

Success of the sale will depend on contributions from the neighbors of the community who are asked to participate. Any saleable article will be gratefully accepted.

The members of the Lions club will be making door to door canvass of the village this Saturday morning. If this is not convenient or if you are in a rural area, please call on Ron Rout at 832-8821, Doug Chalmers, 832-1551, Dominic Azolin 832-1086 or John Kuchera at 832-8863.

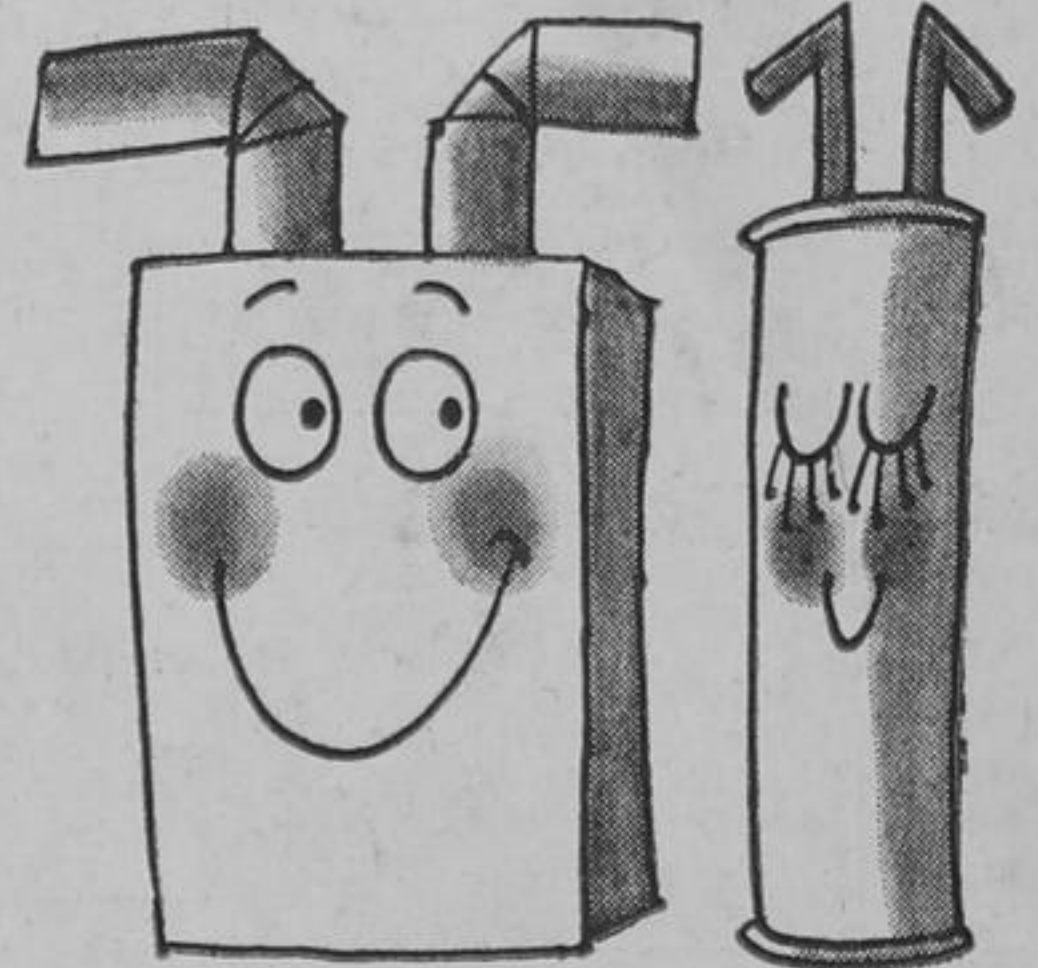

The Lions have been very busy this fall with their Octoberfest.

They deserve all the support the community can give them in this, their annual fund raising project. Keep an eye out for all saleable objects around the house, excluding clothes.

AURORA: A \$90 charge to a property owner for cutting two acres of weeds "is unbelievable". Councillor Bill Trent maintains. Explanation for the high charge was that the weeds had to be hand cut.

AURORA: A recent fire destroyed half the Maple Leaf Mills Hatchery, Concession 5, King, about a mile north of the Aurora Sideroad. At least 5,000 chickens died in the fire.

We bring oil furnaces and water heaters together.

The ideal companion for your furnace is one of our Texaco oil powered water heaters.

She heats water fast - 27 imperial gallons in 20 minutes flat. This may be some kind of record for any kind of water heater. Of course, that's the edge you've got with oil. It's much faster than gas, and considerably faster than electricity. And very dependable.

How much will your Texaco oil powered water heater cost? You can rent the average installation for pennies a day, secure in the knowledge

that parts and service will be provided free for the life of the unit.

The Texaco oil powered water heater. You can't beat her. Why not call us and see? We're

ELIAS ROGERS

LOOKING AROUND

IN THE VILLAGE OF MAPLE

We would appreciate the cooperation of our contributors this coming weekend, once more, in getting the news to us on or before Saturday evening so that your column can be prepared before Monday morning.

Sincere get well wishes to Mrs. Ethel Kerswill who is in York Central Hospital and has been missed by her friends at the senior citizens and in the community.

Congratulations to Mrs. Dorothy Malins of Weller Crescent, the winner of the first Friday evening draw at the Maple Plaza. Each Friday evening the merchants of the Plaza are sponsoring a draw with the prize \$50 in coupons redeemable at any and all of the stores. The draw last week was made by Mrs. Marg Crook.

We received a telephone call earlier this week that left us with a warm feeling about our community. From Mrs. Charmaine Burt. Mrs. Burt and her husband Bill, have lived in this area for five years, and had not known anyone in the community, and had been warned that Maple was an unfriendly place, so made no effort to find or cultivate friends.

Charmaine became the victim of cancer, and found out that there were indeed some wonderful people living here. She wrote us a note, saying "happiness is having met these people", and heads her list with Dr. Ramsay Armitage, then Mrs. Muriel Rose, Mrs. Lorna Clendenan, Mrs. Doreen Schaeck, Mrs. Alice Mashinter, Mrs. Dorothy Moore, Mrs. Rank, Mrs. Claire Brock, Mrs. Marie Dane, Mrs. Dorothy Kantalk, Mrs. Jean Onyet, Mrs. Mary Onyet and of course she lists the wonderful nurses and doctors of York Central Hospital. It is a moving tribute to those in our community who are so deeply concerned with the problems of others that Mrs. Burt adds to her letter that "This is truly a year of Thanksgiving." We know that everyone will join us in sending Mrs. Burt sincerest wishes and prayers for improvement in her condition.

Tuesday Morning Group
The Tuesday Morning Group successfully got under way with their first meeting on October 3. After a preliminary get acquainted period the children were guided by Sylvia Pickles with the help of three other mothers. Then the ladies met separately, under the direction of Program Chairman Eva Hawkins. Mrs. Hawkins took a poll on topics which most interested the ladies. This helped to shape their ideas into a tentative program. Then Pat Little offered

to direct an exercise program beginning with our next meeting. The group of ladies numbered about 25 and there was approximately the same number of children.

Since the meeting Mrs. Hawkins has been very busy working to form a program schedule. With the help of a few other ladies, she has already engaged some people to talk to the group on such subjects as mental health, pollution, and financial planning and will, to name a few.

It should be pointed out that it is not necessary to have preschool children to belong to the group. And to repeat the requirements—the membership is \$2, and every Tuesday a slight fee of 35c. Those who are still interested in joining are asked to phone Mary Norcliffe at 832-1324.

Senior Citizens

With their usual incredible good fortune with weather and all conditions "go", a bus load of senior citizens left Maple October 5 at 8 am with Travelways Drivers Frank Dale and Fred Morning, met a busload from Woodbridge and Kleinburg, and headed north for a beautiful day and 312 miles among the gorgeous autumn colors of the countryside between Georgian Bay and the Huntsville-Dorset Area.

After leaving Highway 400, they followed 103 north to 660 where they turned east onto a winding narrow drive with breathtaking scenery and colour. After dinner at the Talisman in Gravenhurst, they headed north to Huntsville and down to Dorset, where the view from the hill and the look-out tower was enjoyed by everyone.

Driving west on 118 the background of Lake of Bays made the color even more outstanding, although the sun had disappeared around noon, and only occasionally peeked through the clouds for the rest of the day. After stopping at Barrie for supper, the group enjoying their dinner at the Lakeview Dairy Restaurant and the Woodbridge-Kleinburg Coach at the River Gardens, they arrived home just in time for the men to head for the bowling alleys for the first night of the Pioneers bowling.

On Monday, October 2, the seniors enjoyed the fellowship of visitors from Thornhill, King City, Kleinburg, to watch a film on Bermuda shown by Mr. Harry Elkins of Maple.

Although the film was short, the large group of over a hundred seniors enjoyed the afternoon together. After refreshments were served by the ladies of the Presbyterian church assisted by a host of Maple members and even some of the visitors, Rev. Stanley Snowden of the Maple United, organized and conducted an enthusiastic game of bingo which was enjoyed by everyone participating.

Since this last weekend was Thanksgiving, the seniors decided to dispense with their usual Monday meeting, and

since nearly all the members are planning to go to Stratford on October 16, it was decided that no meeting would be held on that day either.

The bus will leave Maple at 8:30 am for Stratford, with a short tour of the famous town before dinner which has been arranged for at the Lighthouse. After the matinee, the group will return to the same restaurant for supper before heading home.

Anyone interested in going to Stratford, please phone Mrs. Louise Cooper at 832-2408.

Church News

St. Andrew's Presbyterian will observe their 143rd anniversary Sunday with Rev. John Mills BD, LLD, of Woodbridge the speaker for the 11 am morning service. Sunday school will be suspended for the occasion, but children who are on hand will receive bonus credit for their attendance awards. The congregation of the sister church, St. Paul's Vaughan is invited to join with St. Andrew's for the occasion, and several past members of the choir will return to swell the ranks for the musical presentation.

Maple United will observe their anniversary October 22 with Rev. Douglas Davis, of Stouffville, speaking at the 11:15 service and Rev. Lora Carlson of Richmond Hill at 7:30 pm. For the evening service the Scarborough AOTS choir will present a musical program.

Cubs and Scouts

The boys of the Maple Scouts are starting out on a new venture with a dual purpose. With an eye to useful activity, the boys are planning a newspaper recycling project, which will also help them to raise money for the return visit of the Scouts from England with whom they visited this year, and will host during summer 1973. Watch for pamphlets that the boys will deliver this weekend in the area, giving complete details, including the central deposit point, where outlying folk are requested to drop their accumulated newspapers.

The barn, behind the old Laurie Hardware store, 100 feet west of the stop lights in the village on the Major Mackenzie Drive, will be open on Saturdays from 8 am till 1 pm, and the boys will also pick up in the village area.

The boys, their leaders and fathers invite everyone to save all old newspaper, and we know that everyone will agree that this is a most worthy cause as well as a useful project for the Scouts to help in their community.

Ladies Bowling

Most of the ladies in the bowling league have settled down now, to a fairly even keel. We have a few outstanding new and inexperienced bowlers who are doing extremely well. Our new bowlers are becoming better acquainted and, we hope, feeling more at home, now. The team contests for October 2 showed the Scamps taking all seven points away

from the Hobos, the Rogues and Rascals each taking five points leaving the Beggars and Scoundrels with two each. Then the Tramps took four points leaving the Rovers with three. The team standings are as follows: Rovers—20, Rascals—18, Rogues—16, Scoundrels—14, Beggars—14, Tramps—13, of 214.

KLEINBURG CORRESPONDENT

"The Liberal" requires a Correspondent for the Kleinburg area.

If you are interested in serving your home community and earning some extra money then please phone

Announce New Healing Substance: Shrinks Piles

Exclusive healing substance proven to shrink hemorrhoids and repair damaged tissue

A renowned research institute has found a unique healing substance with the ability to shrink hemorrhoids painlessly. It relieves itching and discomfort in minutes and speeds up healing of the injured, inflamed tissue. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most important of all—results were so thorough that this improvement was maintained over a period of many months. This was accomplished with a new healing substance (Bio-Dyne) which quickly helps heal injured cells and stimulates growth of new tissue. Now Bio-Dyne is offered in ointment and suppository form called Preparation H. Ask for it at all drug stores. Satisfaction or your money refunded.

The Easy Choice.

The smooth taste of quality that is unmistakably Seagram's.

Seagram's FIVE STAR

Canada's largest-selling rye whisky.
