A special pollution unit study has been set up by Woodland Senior School teachers Mrs. Shirley Metropolitan, Mrs. Judy Speirs and Mrs. Janet Jordan with the grade seven students.

Harvey Cohen, 20 Thorny Brae Drive, Thornhill, is seeking election to one of the five Markham seats for trustee on York County Board of Education.

The 35-year-old pharmacist and father of three has been a resident of Thornhill for five years. He is president of Banner Pharmacies and feels strongly that the system of education in the Town of Markham is in dire need of improvement.

In announcing his intention to put his words into action, Cohen says, "The schools should be more concerned with the co-ordination of all stages of education from kindergarten to grade 13 so that the transition from one stage to another is beneficial to the child and not detrimental".

Another area of concern to him is the problem of drug abuse in the schools. Because of his concern, he has run drug information programs for the Girl Guide Movement in conjunction with the Council on Drug Abuse, and an adult education program at Royal Orchard Senior School in conjunction with the Addiction Research Foundation.

"I have no political ambitions," says Cohen. "My motive in seeking election as a trustee is not to use it as a stepping stone to higher political office. I just want to serve my community to the utmost of my capabilities."

When asked by Trustee Robert Houghton of Richmond Hill how the group knew when the children were "really ready" for the program, Mrs. Zech said that was the responsibility of the parents.

Trustee John Honsberger of Markham, who moved the resolution approving the program in principle, pending the obtaining of proper financing, said however, that the board wished to hold the option of assuming the program if necessary.

The motion, which was seconded by Trustee Arthur Starr of Whitechurch-Stouffville, was carried unanimously.

### Private Day Care Centre Is Approved

In what is probably the most unique program of its kind, York County Board of Education last week gave its approval to a private day care centre, which will operate from a room in the Henderson Avenue Public School in South Thornhill.

The pre-school program, which was launched by a group of parents in the Thornhill area, was outlined by Mrs. Karen Zech, spokeswoman for the group, who said that it would be free of charge and open to children of 3, 4 and 5.

Tentative starting date of the program is January 1, and will run to May 31, with two half-day classes of 15 children each, Mrs. Zech said.

The group, which goes by the name of the Parkview Village Association, is still awaiting word on its application for a Local Initiative Program grant, which will be the sole means of financing its venture.

There will be three adults in charge, and their salaries will total approximately \$300. There will also be part-time salaries for clerical help and a co-ordinator.

Mrs. Zech said that one of the main concerns of the organizers was that the centre would not disrupt regular classes in the school.

She suggested that the group pay a total rental fee of \$105, which would include caretaking services and supplies.

Mrs. Zech who was accompanied by Mrs. Leona FeDuke, said that the children would be placed in groups according to their ability and solely on their ages.

**THANK YOU VAUGHAN**

Because of the obligations of my business, but more importantly, because my 8 and 12 year old son and daughter need a full time father, I have decided to retire from politics and Vaughan Council.

This communication is a very small attempt to say thank you for your confidence and help over the past eight years.

Although some of the decisions made by council during my term were not popular with everyone, I retire with a certain amount of pride in the accomplishments and advances made over the past eight years by council.

Such items as our library programme; parks programme; the purchase of our own hydro system; the new arena in Maple; the expansion of our industrial lands and assessment and the planned, orderly development of residential areas have made Vaughan a good place to live.

However, none of this would have been possible for me without your support.

It has been my privilege and honour to represent you on Council and work with you for our Town.

Thank you Vaughan Dalton McArthur

### Thornhill OMHA Major Peeewe's Trounce Newmarket, Tie Hill

By MARGARET HOUGHTON  
 Thornhill Sports Correspondent

The Thornhill Major Peeewe OMHA team picked up three points out of a possible four in league play over the weekend in games against Richmond Hill and Newmarket.

**Thornhill 2, Richmond Hill 2**  
 Thornhill's H&S Reliance Major Peeewe team tied Richmond Hill in a hard-fought game Friday night. It was the reunited line of Rick Buchan, Scott Martin, and Paul Moffatt that led the way.

In the first period, Martin tied the score after Richmond Hill opened the scoring early in the game. It was a hard-earned goal with Martin coming from behind the net and neatly tucking the puck under the goalie, Buchan assisted.

In the second period Thornhill went ahead as a result of Mark Haggerty's slap shot from the point. The puck hit a stick, blooped up, landed on top of the net then fell to the ice where Buchan was "Johnny on the spot", to poke it in. Richmond Hill then tied the score while Thornhill had a penalty.

During the third period, Thornhill held the territorial play. But in spite of this Thornhill did not get many good scoring chances. On two or three occasions Thornhill's goalie Geoff Webber was called on to make some great breakaway saves to keep his team mates in the game.

Thornhill used only three defencemen as David Johns reported in sick. This left Haggerty, David Eason and Jim Coughlin to hold down the blue line. All played extremely well.

**Thornhill 8, Newmarket 2**  
 In an attempt to get more

scoring punch, coaches Jim Grant and Jim Davidson shuffled the line combinations. This resulted in one of the best team efforts of the season. The scoring was spread evenly among the three lines. Daryl, Marchant and Martin led the way with two goals each. The other goal scorers were Buchan, Danny Tuckey, Rick Booker and Scott Burkart. Assists went to Wayne Grant with three, Burkart, Moffatt, Scott Howson and Haggerty with two each and singles to Martin, Eason, Johns and Buchan.

The team members showed great improvement in their passing. This resulted in a good edge in shots on goal, 24-9. Coughlin, who was recently moved back from forward to defense, played a solid game.

**Thornhill Major Peeewe's 0, Thornhill Minor Bantams 0**  
 Immediately after the Newmarket game the team was asked to play the Thornhill Minor Bantam team. The Bradford team was to play the Minor Bantams in a league game but did not show up with enough players. They therefore defaulted.

The Peeewe team put forth an all-out effort to show the bigger brothers they would be worthy opponents. A scoreless draw resulted.

Both teams had good chances to score but the goalies at both ends, David Howson and Randy Paul for the Minor Bantams and Webber for the Peeewe's, played outstanding hockey. Webber made some "super" saves, particularly on Billy Colville and Pat Bertrand.

It ended up being a very satisfying day for coach Jim Grant and his boys.

Articles for "The Liberal" on the OMHA Major Peeewe's are contributed by interested parents, this week's being from Alma and Rich Howson.
