# Everybody talks about traction.

# But Firestone guarantees it.

Traction is what you want from a traction tire. So no wonder everybody promises you'll get plenty. But have you noticed? Others give you a promise and a handshake. But you'll get a lot more at Firestone. We guarantee you'll go... or we'll pay the tow.

That's right. If you get stuck through loss of traction, we'll pay up to \$7 for a tow truck to get you on your way.

Maybe there's a lesson there. Maybe the other tire people won't give you the same guarantee for a reason. Maybe they're not quite so sure of their traction.

your way. Ask for all the details on this surprising guarantee that covers all Firestone snow tires. But at Firestone, we know what our snow tires will do. (We've been offering this guarantee for years. And we're not bankrupt yet.) Now there's a very big difference in our famous traction guarantee. Now it covers every Firestone snow tire. Even the 'Town & Country' Retread at only \$14.88 installed. So if you want traction (and what motorist doesn't?) why not get guaranteed traction? Especially since our prices are so low.

- Firestone "Town & Country" RETREAD**  
\$14.88 (installed)  
To fit many models of DODGE, MERC., PONTIAC
- Firestone 4-Ply Nylon SNOW CHAMP**
