

Thornhill Major Peewees Down Don Valley, Aurora And Borden

Thornhill H & S Reliance 1
Don Valley Villagers, a team sponsored by Design Team Leasing and playing in the "A" Division of the MTHL, provided the opposition in an exhibition game against the Thornhill OMHA Major Peewees. After a scoreless first period of close-checking hockey, Danny Tuckey opened the scoring for Thornhill, assisted by Scott Howson and Mark Haggarty.

When Howson opened up a two-goal lead, assisted by Rick Buchan, the Don Valley team rallied to score late in the period. Good goal tending was done by Jamey Davidson for Thornhill.

The opposition goalie was shattered in the third period when Thornhill scored three unanswered goals. Scott Burkart, Howson, and Ricky Booker scored, with assists going to Daryl Marchant, Booker, Tuckey and Haggarty.

Thornhill H & S Reliance 2
Aurora 1
Aurora opened the scoring in this loosely-played league game, midway during the first period. Two minutes later a nice passing play from Paul Moffatt to Buchan to Scott Martin tied it up. Most of the second period featured scrambled plays. Geoff Webber in the Thornhill nets was called on to make several key stops throughout the game. The winning goal in the third period was another combina-

Community Worker B. Sherwood Ward 1 Candidate

Robert Sherwood, 35, of 50 Silver Aspen Road, Thornhill, is a candidate for Markham Town Council in South Thornhill, Ward 1, December 4.

Heavily involved in community youth and municipal work, he has been a sales representative with a packaging firm since his days at Waterloo College. He ran for council two years ago in North Thornhill Ward 2 and lost by 98 votes.

Sherwood says he is hoping to get on with getting some things done so local residents don't have to continue going to North York and Concord for youth, library and community centre facilities.

He says he is interested in

being involved in the community and the activities of young people, being the father of four and busy in hockey, Scouts and baseball.

A native of Toronto, he attended Trinity College School at Port Hope. His wife is the former Sally-Anne Clarke of Toronto. His children are Philip 12, Michael 9, Tiffany 7 and Paula 5.

Currently Sherwood is vice-president of the 750 member Thornhill Church Hockey League. He has served as baseball coach in the Thornhill Softball League and also coaches a tyke team in the church league.

He has taken an active role in Scouting, serving as chairman of the 7th Thornhill Group. Last year he was a member of the steering committee for a new social planning council proposed for Thornhill.

Sherwood has served on the advisory board of his church and for three years was a member and chairman of the Markham municipal committee of adjustment, a committee hearing minor appeals from property owners.

"We have reached a stalemate with regard to a (Thornhill) arena complex. With the number of young people involved in recreation growing steadily, we must demand an arena complex immediately," he says.

Also high on his list of priorities for Markham is an expanded library to provide better service.

Minor Peewees Of Thornhill Start Career With Win, Tie

Thornhill 4, Bradford 0
Thornhill OMHA has this year formed a minor pee wee team and for a first year team, the results are very encouraging. Coach Carl Cluthey has put together a team of very strong players, who are now beginning to jell.

The game against Bradford November 18 was a classic example of team work and second efforts by all players paying off for a team.

John Bell scored twice for Thornhill, with Jeff Eassun and Randy Barr scoring one each.

The Thornhill goal-tenders, Jody Hurlbut and Tom Morris, both deserve a round of applause for their consistent effort throughout the game. The defense played a strong back-checking game and did not hesitate around their own end.

Richmond Hill 2, Thornhill 0
The game against the Hill November 19 was not quite so successful, but they were able to keep the Hillers to only two goals.

The Thornhill team has the potential and desire. With determination and hard work, the recipe for a winner is here.

Alliston 5, Thornhill 2
This game on Wednesday of last week against Alliston was a great disappointment, as the Thornhill team more than held their own in the game until the last five minutes. Until those fatal five minutes, Thornhill had a 2-1 edge, on tallies by Mike Danckert and Jeff Eassun. Four fast goals by Alliston put them well ahead.

Thornhill 2, Alliston 2
The Thornhill team was playing again as a very solid, hard-skating team, for the first two periods Saturday. They tallied a two-goal lead on scores by Eassun and Robbie Spittle. These were well executed goals and came about as the result of great team effort.

In the third period it was a different story. The Thornhill team let down a little.
