Dedicate New Canadian Reformed Church

A 20-year-old dream became a reality for the congregation of Bethel Canadian Reformed Church November 22, when the official presentation of the newly-built church at the west end of Thornridge Drive, Thornhill, was held. Until recently the congregation has been making do in rented quarters and although they have been using the new church for some months, decided to wait until the organ was installed before holding the official ceremony.

The service of Rev. Francois Kouwenhoven is recognized by a bronze plaque. He was pastor throughout the years of struggle of this congregation which is a Dutch Church with its traditions in the Reformation and Calvinistic in its beliefs. In the picture in front of the plaque (left to right), are John Van Velzen, chairman of the building committee; Rev. Dirk VanderBoom, the present pastor; and Siep Smilde, chairman of the organ committee.
