In OMHA Peeewe Play

Bradford, Richmond Hill, Barrie Too Much For Thornhill Squads

Thornhill 1, Bradford 5
Thornhill's Minor Peeewe's couldn't get going against Bradford in this 5-1 loss November 27. Bren Macken on defense scored the only Thornhill goal in one of the rare moments when the team looked like it might break out of its lethargy. Robbie Spittle tried desperately all evening but couldn't connect on the net.

At times throughout the game it looked like Thornhill would catch fire and start playing solid hockey, but there was no consistent play from the team as a whole. Thornhill can play better hockey than they showed the fans in Bradford that Monday.

December 2
Thornhill 1, Richmond Hill 3

The Thornhill Minor Peeewe's came out in the first five minutes looking like a team of Monday night's effort. Richmond Hill had no difficulty sailing through our forwards and defense and scoring three quick goals.

From then on Thornhill settled down and the game took on a different complexion. The defense started playing a solid checking game, in particular, Tom Murphy who incidentally scored Thornhill's only goal. Murphy played a solid game and kept his head up.

Jody Hurlbut and Tom Morris, who shared duties in the Thornhill net, had to stand up against stiff competition. They were called on to make superb saves. Each had to face a penalty shot in the course of the game. They both played like veterans and withstood the

pressure. Richmond Hill came away empty-handed on both cases.

Hurlbut's penalty shot was brought about when Richard Brien, defense, put his hand over the puck as it lay in the crease after Hurlbut had made his initial save. Brien had no choice but to take the second penalty shot as Thornhill's goalie had been pulled with less than two minutes to go.

Richmond Hill had a break-away on the Thornhill net. Brien covered back and stopped one shot from going into the net, pushing the puck off into the corner where it was picked off and shot again. This time Brien went down and drew the puck in underneath him, on the crease.

All in all, it was a very exciting game. The fans went home shaking their heads and telling each other that but for the first five minutes it was anyone's ball game.

Thornhill 0, Barrie 3

Thornhill's Major Peeewe's, sponsored by R & H Photo Engravers came up against Barrie Peeewe's for the second time this season, with a resulting win to Barrie of 3-0. An early injury to Scott Burkart kept him out of the rest of the game. A rash of Thornhill penalties kept Thornhill from having many scoring opportunities.

Hard checking and close play characterized most of the game. Two hard shots by the Barrie defenseman Gainer and another single beat Thornhill's goalie Jamie Davidson. Thornhill is looking forward to meeting Barrie in their third game.
