A reminder to all our readers, especially those with material to contribute to our column, that with the holiday season here, and early deadlines as well as busy schedules, all our material should be in the hands of your correspondent by Friday morning. This will apply for the next several weeks.

Tuesday Morning Group

Tuesday of last week the ladies thoroughly enjoyed their visit from Mrs. Ann Wilson, and they wish to express their sincere thanks for her time and effort. Mrs. Wilson's Christmas Decorations were marvelous, and the ladies felt rewarded, having a lady of such talent, giving instructions for making many decorative items.

Among those made were a "Partridge in A Pear Tree", a swag of dried leaves and grasses, and a bird feeder. Mrs. Wilson also informed the group where all the materials used could be purchased. As a lovely surprise for everyone, she raffled off her Christmas decorations, so the ladies went home with the goods as well as the "know-how".

Due to everyone's busy schedules the ladies would like everyone to know that the December 19 meeting will be cancelled. The next meeting will take place January 2 in the New Year.

Neighborhood Notes
Congratulations to Tim Lacey, local Liberal carrier, who had his first shutout playing pee-wee hockey in the Thornhill Church Hockey League. This is the first year for Tim in organized hockey. He plays goal for Stan Cook and Patio team, which is coached by St. Roberts School Teacher Ross Lowler.

Happy birthday to your correspondent's son, Andrew Cole, who will be four December 16.

The Church of Christ held its annual Bible school and parents' night Friday of last week at 8 pm. The evening started with "Joy to the World" Minister Bert Atkinson then said a prayer, Wes Peddle welcomed everyone and introduced the Bible school teachers Mrs. Connie Lowery, Loretta Atkinson, David Langman and Bert Atkinson.

Mr. Atkinson then led everyone in "Action Songs". Mrs. Lowery's class, which is composed of the youngest children did songs in action. Mrs. Atkinson's class did a skit on "Attitude". All present then sang "Silent Night". David Langman and Wes Peddle's class acted out a skit "What Do We Need?" Doug Lowery's class did a drill on Bible passages.

"The First Noel" was sung. Wes Peddle then led all in more action songs and Dorothy Paterson's class showed posters on "What Love Is".

The evening ended in the basement with refreshments for all, with the ladies of the congregation going to a lot of work making delicious goodies.

Yearly attendance certificates were given out to the children.
On leaving "Santa" (Wes Peddle) gave everyone a stocking filled with candies. On behalf of all who attended a thank you is extended to Mr. Atkinson and Mr. Peddle and everyone who helped make the evening so enjoyable.

from the community to the sale of candy and nuts by the students of grade 8 to help pay for their trip to Ottawa, has been excellent. He also tells us that orders have been taken for Christmas Trees, and that there are trees available at the George Bailey School, also as a fund raising project. Although the students have put a great deal of effort behind these projects, as have their teachers, without such marvelous support from the community all their effort would have been in vain.

Senior Citizens

A good turnout of seniors enjoyed an afternoon of euchre December 4, and plans were made for their Christmas Meeting, December 18, including a call to Santa to drop in for a visit during the afternoon. It was decided that each person attending the Christmas Meeting would be asked to bring a gift, value limited to \$1, and rather than draw names, games will be played, and some of the gifts will be forwarded to local nursing homes, etc.

An excellent number of seniors attended the pot luck supper of the UCW Thursday of last week. The evening was a huge success from all reports, with a most delicious supper and entertainment provided by Lorne Greenwood of Thornhill. Special thanks to the ladies of the UCW for their kind invitation to this annual occasion.

It was decided there would be no meeting between Christmas and the New Years Holiday, with the next meeting on January 8.

Bowling

A week ago Monday the ladies had three identical contests in which the Hobos, Scoundrels and Beggars took all seven points from the Rogues, Tramps and Scamps. Then the Rogues managed three points and the Rascals four.

With only two more weeks of the second series to be played, the standings are: Rascals 24, Hobos 24, Scoundrels 19, Tramps 19, Beggars 18, Rogues 14, Scamps 13 and Rogues 9.

Highlight of the evening came when President Pat Allen bowled an overwhelming high single of 348 and a high triple of 790. After such a great effort, she just missed the 350 honor pin. The high average is now shared by two ladies who have proven that perseverance pays. The average is 206 held by both Det Palmer and Barb Gauthier.

The Pioneers bowled Thursday of last week for the following standings: Jim Craibe's team is ahead with 39 points, Alex Bishop following closely with 38 points, Pete Craibe still plugging away with 26 and Mel White sliding a bit after such a good start, with 21.

Pete Craibe's team took all seven points from Jim Craibe and Alex Bishop split the contest against Mel
