Welcome

Greet '73 with a grin and a wish: that our tomorrows be full of challenge, satisfaction and fun. Happy days!

Happy New Year

Having survived snow storms, sleet and what have you, we finally arrived at the news shack — to find no one home. Our news runners must be fog bound in some musty cave.

Taking whatever comes on the file pick first we regret to report that several of our comrades are on the sick list. Our genial chef and bar steward — Gord Mills — is at home and won't be in our midst until after the New Year. Comrade Larry Price is in York Central while Comrade Freddie Smith abides in Sunnybrook. Why not drop these lads, and any others you may know of, a few lines of cheer. Just to let them know they are missed.

Wednesday evening of last week we dropped into the hall for a gander about. Was just in time to hear and see several members of the newly formed pipe band in a practice session. Among the crew to go were — Jimmy Wilson, Ian MacIntyre, Cath-

erine Forrester, Ian Forrester, Bill Minty, Wally Tye, Mrs. June Tye, Bob Forrester and Judy Thompson. From the sample given us Wednesday, it sure will be a sure-fire success this pipe-band of ours. We are glad to report that they received a right royal welcome from members of Branch 375. Go to it, lads.

Somewhere along the line, we forgot to report that Branch 375 hosted members of Branch 426 Newmarket to a social evening. For the local crew it was chiefly a winning night. The only competition we lost was darts. Sure hope we can continue on our winning way.

Because of the holiday season, there just isn't much news. We only hope you will all join us when we welcome in the New Year. Our wish to all our comrades and friends — May you all enjoy a safe, healthy and Prosperous New Year.

School News

The team room at Jefferson Public School went to see the film "Sounder" December 15 at the Hollywood Theatre in Toronto. Money for the bus and admission was raised the week before by holding a bake and rummage sale.

"Sounder" is the story of a small negro boy living in the Southern United States, whose father is sent to prison, leaving the family to struggle on by themselves.

The children found the show extremely interesting and last week did some follow-up activities.
